SAINT JOSEPH

RECTOR'S MESSAGE

The fast spread of corona virus into every region of this world has disrupted normal human activity on Planet Earth. COVID-positive patients are isolated from human contacts. Those who had contact with the patients are quarantined. Countries around the world have sealed borders, imposed strict travel restrictions and enforced social distancing norms. Markets, malls, cinema halls, places of worship and children's play areas are closed. The Healthcare system is overwhelmed by stress. Revenues in all sectors have nosedived and the global economy is headed towards the worst recession. The hardest hit is the Education sector. The study conducted by UNESCO and UNICEF suggests that more than 1.5 billion children of all ages around the world have experienced interruption of education due to this crisis. Not even during the times of war, civil unrest, famine or strikes, has the world witnessed an interruption in education of this magnitude. As the education system is undergoing a tectonic shift due to COVID – 19, students, teachers and parents are facing multiple challenges. Students are deprived of peer interactions and personal accompaniment of teachers which is important for their social, emotional and cognitive development. Too many online classes leading to regular exposure to electronic screens has affected the physical and psychological wellbeing of several students. As the traditional “chalk and talk” teaching model has given way to online learning, teachers are challenged to adapt quickly to the new paradigm in education. The “digital immigrants” are compelled to teach the “digital natives” in the digital environment in the new system. The Parents – especially the working parents – feel deeply distressed by this crisis. Along with the parenting roles and professional duties, they are struggling to play the role of educators and facilitators of the learning of their children.

The unprecedented challenges posed by COVID -19 have evoked a wide range of responses among different people. While some are anxious and overwhelmed, some others are resilient. I am happy to place on record that under the able leadership of Fr. Sunil Fernandes, Principal, St. Joseph's Boys High School has responded to the present crisis with a positive mindset and resilience. I am grateful to our dedicated staff and the ever supportive parents of our students. They have worked as a team and created “collaborative learning spaces” to nurture the potential of our students. I wish and pray that guided by the motto of our school – “Fide et Labore” (Faith and Toil), we may continue to cooperate, coordinate and collaborate in novel and creative ways to promote the holistic development of our students

Rev Fr Brian Pereira SJ

Rector

PRINCIPAL'S MESSAGE

The year 2019-2020 went through the usual calendar of activities and it made us remember once again, that our educational mandate rests very firmly on all-round development of the child.

We believe education is not restricted to the classroom. Further, that academic instruction is critical but it is in the delivery of that instruction that learning also happens. Hence the old adage, 'Children learn from what you do rather than what you say'.

Sports has always been a leading extracurricular activity here at SJBHS. Our long list of sportsmen who have led India to sporting glory is well recorded and a matter of pride and honour for us. We continue to give sports our fullest attention and we believe that the lessons on the field are as important as those elsewhere in the school.

Almost every month, the primary, middle and high school students have some event or festival which takes learning out of the classroom: the Model United Nations (MUN), Transcendence – a Science and Innovation festival, the OBA Buzz- a multi talent-spotting event, Bifrost on marketing, finance, human resources and public relations, Ignatian week celebrating the life of St Ignatirus of Loyola, Retreats, Eucranium 2020 – the Intra-School Science Fest, Cadence- our music festival and Phenomenon to name the main ones.

I invite you to read our magazine and see the vast array of activities we have. The creative writing by students is in four different languages and the art work showcases some of the youngest Josephites' talent.

Thank you and God Bless us All.

EDITORIAL

Dear Reader

Welcome to the 2019-2020 edition of our school magazine.

The Greek philosopher, Heraclitus has said: 'Change is the only constant in life.'

The pandemic that descended upon the world in March changed things overnight and a tsunami of change passed through all our lives. Despite that, our school is back on track and a big thank you to our team editorial team for working against all odds to bring this magazine out, albeit later than we would have liked.

This issue features all our regular sections and is a record of the Annual Speech and Prize Day, the Annual Sports Day, the OBA Buzz, Inter religious Prayer Services held, sessions on Parenting Awareness, MUN and Outreach programmes. Transcendence and Ukranium, the science fests, Phenomenon the cultural fest, Bifrost the commerce fest and every event the Josephite family conducted or celebrated is included, in an attempt to preserve memories of the academic year. Despite a year packed with events, academics continued to be the focal point throughout the year and the students of Stds 10 and 12 passed their exams with flying colours.

As always, students' creative writing and art work breathes life into and adds value to the magazine. We have no doubt that the 'Faith and Toil' which has brought us this far will take us forward as well.

Happy reading!

Ms Ranjana Monnappa

ANNUAL REPORT 2019-2020

Celebrating its one hundred and sixty second year in the relentless pursuit of excellence, St. Joseph's Boys' High School has grown to epic proportions - in size, in fame and influence. Run by the Society of Jesus it is quite apparent that education, ministry and outreach to the marginalised have been at the core of the Jesuit mission. Animated by the spiritual vision of their founder, St. Ignatius of Loyola and directed by the ethos of looking after the lost, the last and the least, the Jesuit Fathers continue to profoundly influence the thinking and character of every Josephite, and the society at large. Nurtured by the motto of 'Faith and Toil', every man and woman who walks out of these gates, having had a holistic development, is committed to the service of others and to a faith that does justice in the world.

We welcome you to join us as we highlight some of the major events of the colourful mosaic that has formed an integral part of the academic year 2019-2020.

'Change is inevitable. Change is constant' said Benjamin Disraeli. The school joyfully welcomed the new Principal Rev. Fr. Sunil Cletus Fernandes, an extremely competent and efficient leader, who would no doubt lead the school to great heights.

It was the ancient Greek philosopher Aristotle who said, "We are what we repeatedly do. Excellence, then, is not an act, but a habit." We dare to boast, albeit with humility, of yet another year of academic excellence with a 100% pass percentage in the ICSE and ISC results. Hardik Jajodia topped the ICSE section with 98.5%. Ranking second was Lewis Jesudhas and Siddh Nagori with 97.5%. T.R.Puneet stood third, scoring 97.33%.

The ISC results were also noteworthy. In the Science stream, Vedhas Balaji in first place scored 98.25%. In second place was Manali Mahendra Barve who scored 97.25%. Rhea Pinto and Samyuktha Santosh scoring 97%, stood third.

In the Commerce stream, Gunjan P Khanted got the first rank with 98.25%. Niharika Jajodia, Sarthak Modi and Kunal Gadiya tied at 97.5% to get the second rank.

Dreams become reality through sweat, determination and hard work. Perseverance and achievement is always recognised and rewarded. The Annual Speech and Prize Day for the primary and senior section was well attended and the prize-winning children given due recognition.

"Go forth and set the world on fire" said the great visionary, St. Ignatius of Loyola - the Founder of the Society of Jesus, who is the inspiration and force behind the extraordinary selfless work of the Jesuits. July saw a week long celebration of this great man of influence.

Education in Joseph's is based on the Ignatian Pedagogical Paradigm which is founded on the belief that education has to go beyond the mere transmission of information from teacher to student. Rather than an exercise in memorization, education is meant to be a transformational experience that affects the students on all levels - not only cognitive, but also emotional and behavioural. Hence, along with an interactive, collaborative and informative curriculum that forms the very basis of the academia, the teacher has a very crucial role in the process. While debates, discussions, sport and creative activity provides a holistic approach, power point presentations and the digital smartboard-aided teaching, foster academic genius.

Various co-curricular and extracurricular activities rooted in the sciences, kindles in our students a curiosity and wonder which leads to an insatiable thirst for knowledge. The many internationally recognized scientists who have walked out of these gates into a future of opportunity, bears testimony to this.

Over 1200 participants from 36 schools participated in the third edition of the Annual Science and Technology Fest Transcendence. It is a matter of immense pride to have had an exalted personality, a 'Bharat Ratna', Professor C.N.R.Rao as the chief guest for the opening ceremony. The 2nd edition of the intra-school Science Fests Eucranium and Infinity witnessed over 600 students auditioning for various events ranging from quizzing and model making to debating and treasure hunt.

"Children are not things to be moulded, but are people to be unfolded"

The seventh edition of SJBHS Model United Nations saw 22 schools participating with 338 delegates in the fray. The event held much promise towards bringing to the fore, ideas of the youth, and solutions to global issues.

The third edition of our annual inter-school/college commerce fest Bifrost was successfully held and witnessed enthusiastic participation in varied aspects of marketing, finance, human resources and public relations.

ANNUAL REPORT 2019-2020

The hugely popular carnival-cum-literary and cultural festival of SJBHS, **Phenomenon 2019**, was a superb success. Over 200 schools participated in the 36 interesting events offered. High profile DJ's entertained the large crowds gathered.

Addressing the critical need for cyber security, a workshop was conducted by KPMG ethical hacker Soni Mathew and his team. Not only did they make the students aware of the realities of the virtual world, but they also analysed and discussed cyber-bullying and the role of cyber cells in solving cyber-crimes

For the first time in the school, **Cadence**, the St Joseph's Inter-school Music Festival, was celebrated. It witnessed large, enthusiastic participation from schools all over Bangalore.

E-Lit 2019, the annual English Literary Festival, was organized by the English department. It featured a whole range of events from Book Illustration and Debate to Product Advertisement. The E-Lit fest not only developed the creative and the literary dimension of the students, but also gave the students an opportunity to hone their organizational skills.

The LKG and UKG students had a number of **'Fun Days'** when they celebrated the family, the seasons and the country's diversity in a colourful fun-filled way. The students from LKG to Std 4 got an opportunity to showcase their myriad talents in **Chilgala 2019** where they took part in a number of competitions that included music, dance, fancy dress, Origami and clay modelling. **Annual Day**, as always, was a riot of colour and a burst of energy and enthusiasm, when the students of LKG to Std 4 put up an enthralling cultural programme.

It is said that it is in the roots, not the branches that a tree's greatest strength lies, for if you know where you are from, it is harder for people to stop you where you are going. **Grameena Utsava**, the brainchild of Fr. Sunil Fernandes, was organised for the first time and was a resounding success earning much appreciation and praise. The complete school turned into a village, and sound, colour, and excitement permeated the atmosphere. Our city-bred children discovered and experienced the joys of rural life and village games. We were honoured to have a very special person, 108 year old Padma Shree winner Saalumarada Thimmakka, and local MLA Shri N. A. Haris as the Chief Guests.

The threat of global warming, greenhouse gases, acid rain and imbalance in nature is real and already beginning to manifest itself in violent tsunamis, raging forest fires, unprecedented rain and extreme weather conditions in various parts of the globe. Josephites, from the Primary to the ISC Section, are all too familiar with these rapid and frightening changes and are doing their bit for the environment. **Viridiscence** or Go Green Week, with a special focus on e-waste, worked towards increasing sustainability and saving the planet which is increasingly choking on digital waste. The OBA Innovation Lab programme for students from Std 8 to 12, sought to encourage scientific enquiry and served to inspire children to hone their critical thinking skills while promoting greater social awareness. The programme was a great success, thanks to the dedicated effort of our Old Boys.

Hindi Diwas was celebrated with gusto and prizes awarded for competitions held in Recitation Competition, Singing, Debate, Creative Writing, and Speech. The Interactive **History Exhibition** titled 'Bangalore and the Partition' was interesting and informative.

Through the Plastic Beku initiative, 92.7 Big FM partnered with Kempegowda International Airport, and FMCG major ITC's Foods Division, to work with St Joseph's Boys' High School, to sensitize students towards the need for an eco-friendly life. The "Plastic Beku" campaign to collect plastic waste, which will be used to pave a 50 km road from Kempegowda International Airport, was kicked off.

From Hakimuddin to Rehan Poncha, Rahul Dravid to Anup Shridhar, the school has made an indelible mark on the national and international scene, with at least ten Olympians, six National Hockey players and three International cricketers. A state-of-the-art sports complex and the core philosophy of a holistic education that includes games and sports, is what sets this iconic institution apart from all others. Students are guided and encouraged to hone their sporting talent, through various clubs like Aquatic/ Swimming, Taekwondo, Table Tennis, Badminton, Basketball, Cricket, Football, Hockey and Sports Shooting.

There is no dearth of **sporting talent**. Our sportsmen have been raking in laurels. In the CISCE Regional Sports & Games 2019 Swimming Championship, the SJBHS Swimming U-14 team won second place.

ANNUAL REPORT 2019-2020

In the finals of the prestigious annual inter-school Hockey tournaments, SJBHS clinched a double victory. In the Fr Eric Vaz Memorial U-14 tournament SJBHS beat FAPS, and in the Centenary Shield U-17 tournament SJBHS beat Vidyashilp Academy.

Grit, stamina and endurance was put to the test when, with the active support of the PTA, Triathlon 2019, a triad of three phases: 50m swimming, 1.2 km cycling and 200m running race, was conducted as a single non-stop event. With 105 students participating, the event was a resounding success.

The Annual Sports Day for juniors and seniors had, as always, a festive air and saw active and enthusiastic participation. Our young talented swimmers made waves at the Annual Aquatic Meet.

Following Ignatian tradition, the Jesuits and the staff and students are nurtured to become 'contemplatives in action'—women and men committed to the service of others. 'MAGIS'—The Jesuit principle of 'more' simply translates into going beyond one's call of duty, empowered with a moral and social consciousness to serve society at large, dedicated to the service of faith and promotion of justice. Various opportunities throughout the year encourage students to be not only academically competent, but also unselfish in the service of their fellow men and women. 40 SJBHS staff members led by Fr. Alwyn D'Souza SJ visited St. Joseph's PU College Anekal, as part of the BJES-Anekal Twinning Programme. The SJBHS Twinning Programme took on a more scientific hue with a visit to Jawaharlal Nehru Centre for Advanced Scientific Research (JNCASR), a multidisciplinary scientific research institute situated in Jakkur along with Loyola PU College, Manvi-Raichur and St Joseph's PU College, Anekal.

In a solemn **Investiture ceremony**, the newly elected office bearers were sworn-in marking the change of guard. The **Valedictory Ceremony** for the students of standard 10 and 12 was a solemn and grand occasion. A beautiful and meaningful ceremony following the time-honoured tradition of the school, it shall surely be a memory the outgoing batches would cherish for a long time to come. The Chief Guest was Dr Uday George Zachariah, Professor of Hepatology CMC Vellore. Fr Melwin Pinto SJ, Superior, South Indian Jesuit Juniorate, representing the Rector Rev Fr Brian Pereira, presided over the function. Annual Day

The school makes sure that there are plenty of reasons to celebrate. Pride and patriotism mark the celebration of National festivals. Celebrating 150 years of the Mahatma, the school celebrated Gandhiji's sesquicentenary birthday in a unique and symbolic way recalling the values of the Mahatma and celebrating his ideology. Religious festivals are highlighted with secular fervour and Kannada Rajyotsava aroused in every one of us the pride and honour of living in this great state of Karnataka. We rejoiced in the jubilant spirit of Children's and Teacher's Day. The class-wise picnics, field trips and excursions brought about a sense of team spirit and camaraderie – a celebration of social inclusiveness and companionship which is the hallmark of the Josephite spirit.

The school mourned the death of a past Principal Rev Fr Hedwig da Costa. The Funeral Service saw a gathering of Jesuits, Staff and Old Boys who came in large numbers to bid farewell to a much loved and respected doyen of St. Joseph's.

There were multiple opportunities throughout the school year to praise, worship and thank God through engagement in the Sacraments, prayers and retreats. Committed to offering in-depth **faith formation**, regular Catechism classes, daily Eucharistic celebration for the Catholic Staff and students and value education classes were conducted. Imparting spiritual guidance and direction to Catholic students, the CLC played an important role. In keeping with the secular fabric of the School, Inter Religious Prayer Services and a special **Harmony Week** was held, celebrating the concept of 'Harmony with Self' which forms the basis for peace, reconciliation, integrity and solidarity. By inculcating a spirit of tolerance among the students they are encouraged to grow in a spirit of harmony and brotherhood.

Growth and development through orientations and seminars are an integral part of the school year. Teachers' Training Sessions, Parenting sessions and workshops for students are held with the purpose of keeping abreast with a constantly changing world. It is for this very reason that regular PTM's, remedial classes, collaborative teaching, various clubs, public speaking classes, the use of the digital library, and the junior wing of the Cubs, in addition to the Scouts and NCC, have been incorporated into the curriculum.

ANNUAL REPORT 2019-2020

The academic year 2019-20, rich and full of achievements and experience, has now moved on to the year 2020-21, offering new opportunities and posing new challenges which we take in our stride, surging forth with the armour of 'faith and toil', to emerge stronger and a notch higher. As we conclude, we take this opportunity to thank our collaborators the OBA, the PTA, the parents and all our well-wishers.

As we come to the threshold of crossing one more milestone, ready to step into a year of surprises, we recall the words of the famous poet T.S.Elliot:

**“For last year’s words belong to last year’s language
And next year’s words await another voice.
And to make an end is to make a beginning.”**

THANK YOU

HOUSE REPORTS

ST ANDREW'S HOUSE

HOUSE MENTORS:

MR LAWRENCE ROSHAN FRANK
MS KARYN FELSINGER

CAPTAIN:

KARL JUDE SANDHU

VICE-CAPTAIN:

VIKRAM SALDANHA

“Coming together is a beginning. Staying together is progress. Working together is success.”

--Henry Ford

The year started with a lot of excitement, as there were a lot of changes in the technical aspect of captaincy. House meetings were conducted by Father Principal which served to guide us on how to conduct events in the year ahead.

With a change in the events of the school calendar, we started the year with the inter house Football Tournament in which St Andrew's won the first place in the Junior section and were runners-up in the ISC section. The Sub-Juniors section secured the third place. We were off to a good start and looked forward with confidence to what the rest of the year had to offer.

Our house members did us proud in the inter house Basketball Tournament when the ISC Boys lifted the winner's trophy and the ISC girls, the runners up trophy.

In Cricket, we secured the second place in the Senior category and the first place in the Junior category.

With the help of our House Mentors and ISC representatives Subhas Nag and Diya Celine Simon we worked hard for the OBA Buzz, the most awaited cultural event in the school calendar year. Our faith and toil paid off and we tied for the first place with St Patrick's House

In the next big event on the school calendar, the Annual Athletic Meet, we lost momentum and placed third overall. However, we were the heroes when it came to the Tug-O-War and won the first place in both the Senior and the ISC sections.

We applaud and acknowledge the efforts of the boys from St Andrew's who won laurels in various fields:

Kalp S Bohra - won several medals in swimming at both National and Regional levels.

Vikram Saldanha- excelled in Hockey and bagged the Saklecha Cup for Chess.

Karl S Sandhu- excelled in the field of football and was a member of the football team that won the CISCE Regional Championship. He also played in the Subroto Cup Tournament held in Kolkata and went on to win the Malpani Cup for being the Best in Football.

In conclusion we would like to thank everyone who was a part of this successful journey. Win, draw or lose, we always do our very best for Andrew's!

ST GEORGE'S HOUSE

HOUSE MENTORS:

MR FRANKLIN XAVIER
MS RITA SINGH

CAPTAIN:

MUHAMMAD REHAN SHAIKH

VICE-CAPTAIN:

VIREN MEDEIRA

"It is the journey and not the destination, it is the virtue and strive for success and not the victory that makes it memorable."

These words are what truly describe the memorable experience we had in St. George's house. The passion and determination to keep the red and white flag flying and soaring higher at all times is what brought the house together in tough times and instilled the spirit of brotherhood and loyalty to St. George's.

This year was filled with enthusiasm and strong will till the very end. It started in June, with the OBA Buzz. This intra-school fest was a surprising success for St. George's. Though we started slow and did not win in many of the events, we managed to pull ourselves up with help from the ISC students, Yash Suri and Miriam David. We were able to achieve an overall second place in the OBA buzz falling short of first place by just 7 points.

We looked forward to doing better in the sports events. We had mixed results with many incredible wins but a few heart-breaking losses as well. Basketball was one of our many strengths where we raked up wins in the ISC girls, seniors and sub junior sections; we also placed third in the ISC boys and junior sections, making us the overall winners! In football, we went in confidently, with heads held high but only managed the runners up position in the seniors and ISC boys.

We gave it our very best in the field of hockey but were caught unawares and came in last. Having experienced failure due to over confidence, we were more cautious in the other events and secured the overall third position in Chess and second position in Badminton.

The next much awaited event was the Annual Athletic Meet in which our athletes showed incredible skill and resilience, winning every event they participated in. We won individual titles in Section B, C, D, E as well as the ISC Girls section. The athletes did us proud and put us in the lead. The icing on the cake was that we won the trophy for the Best House in the march-past, for the fifth year in succession! This memorable win was the perfect lead up to the solemn lowering of the school flag on our very last sports day.

As the year comes to an end, we are reminded of all the good times, the tears of joy and sorrow shed together. The countless practice sessions and last-minute panic, all of which will remain as memories we will always cherish. We are extremely grateful to our house mentors for guiding us, showering us with constant support and for believing in us when we lost all hope. We are truly indebted to God as none of this would be possible without His blessings and will.

We started this journey as friends and ended as family, we started with loyalty and ended with love for St. Georges.

ST. PATRICK'S HOUSE

HOUSE MENTORS:

MR BALARAJ L
MS RADHIKA GAJULA

CAPTAIN:

SHAUN T SHAJAN

VICE-CAPTAIN:

RYAN G ARAKKA

*“O glorious St. Patrick, on fair Erin’s shore
Thy name shall be honoured till time be no more
In our joys and in our sorrows, our work and our play
O dear Saint, be with us, our shield our stay”*

These words were written by Ed Davenport in 1934, to be the song of St. Patrick’s house, and as the song goes, the flag of this esteemed house remains flying high.

We started off well with an exemplary performance in the OBA Buzz. We saw talent we had never seen before, and that put us in the lead. However, we tied for the first place with St. Andrew’s house. The captains of St. Patrick’s house were declared as the ‘Best Captains 2019’ by the OBA.

In the various matches namely football, hockey, basketball and cricket, despite the tough competition we emerged victorious in many. In the inter house football tournament, we were declared overall champions, placing first in the sub-juniors and ISC categories. We placed second overall in the inter house hockey tournament. In the table tennis tournament and the inter house chess tournament, we emerged overall champions. We fared well in basketball, and secured the runners up position in two categories.

We then moved on to the Annual Athletic Meet where we had a disappointing run but managed to secure some individual titles. Our house members gave their very best to the last inter house competition; the Annual Aquatic Meet, in which we won a few relays and individual events.

We won some, we lost some but on the whole it was a good sporting year when we made some unforgettable memories.

We wish to express our gratitude to our house mentors and fellow house members for their loyalty and support throughout the year. We wish all the members of this prestigious house good luck in striving to keep the flag of St. Patrick’s house flying high and the flag of St. Joseph’s flying higher.

ST DAVID'S HOUSE

HOUSE MENTORS:

MR JISHNU VIPIN
MS MADHUSHREE BARAL

CAPTAIN:

KEANE PAUL SANDHU

VICE-CAPTAIN:

VARUN MUTHAPPA

“The strength of the team is each individual member. The strength of each member is the team.”
--Phil Jackson.

The year started off with the inter house Football Tournament. We devoted several early mornings to practice sessions and the process of selecting teams which proved very helpful as we emerged the winners in the Senior section and were the runners-up in the Junior section.

In the Senior Boys' category, we did not do as well as we had expected but the Junior Boys made up for it by bringing home with winner's trophy.

In the 'INTER-HOUSE CRICKET' we emerged winners in the Senior Category and placed 3rd in the Junior Category.

The collective efforts of our house mentors and ISC representatives Bala Bhaskar, Nithika Rebello and Nikitha Maria brought out the best in every member who participated in the OBA Buzz. Though we placed third overall in the OBA Buzz competitions, we enjoyed the whole experience, learnt a lot and made many happy memories.

Preparation for the next big event, the Annual Athletic Meet began much ahead of time. Our athletes put in rigorous practice before and after school hours. All the hard work and perseverance paid off and we moved up from our previously held third position to the second!

A big shout out to all the boys who did us proud with their achievements in different fields. Dennis Pinto, Neil Joseph, Sam Varghese and Keane Paul Sandhu represented our school in the Subroto Cup Football Tournament in Kolkata. They also took part in the CISCE State Football Tournament held in Kerala. Varun Muthappa and Tanuj D'Souza excelled in Hockey. Varun Muthappa won laurels in the field of Golf as well.

We thank our house mentors and all the members of David's House for giving of their best throughout the year. It is the strength of each member that is responsible for where we stand today.

INVESTITURE CEREMONY

23RD FEBRUARY, 2019

The solemn, prestigious and traditional Investiture Ceremony at SJBHS upholds the democratic values of the nation as it commissions a new set of office bearers for the academic year 2019-2020. Rev. Fr. Clifford Sequeira SJ, Principal of SJBHS, elicited promises, administered the oath and commissioned each captain and vice-captain. After advising the leaders on their positions of responsibility, Fr. Principal congratulated them. The acceptance speech of each leader was testimony to their dedication, humility and desire to lead from the front. The house mentors as well as the parents were called on stage to felicitate the unseen role that they had to play to support, guide and counsel the office bearers.

SPORTS & CLUBS

ANNUAL ATHLETIC MEET – SENIORS

OPENING CEREMONY, OF THE 161ST SPORTS DAY

Solemn traditions and thrilling events marked the Opening Ceremony of the most awaited day at SJBHS – the 161st Annual Athletic Meet held on the 31st of August, 2019

Old Boys from around the globe, parents and well-wishers were witness to a spectacular display of rhythm, discipline and order as the Captains of the four houses, the NCC and the Scout contingents marched past the Chief Guest M Pradeep John, Second-in-command CRPF and Old Boy(batch of 1994).

Bringing up the rear and the ones to get the maximum applause was the contingent of Old Boys of the batch of 1994, led by the ISC Coordinator Mr. Robin Colaco. Gracing the dais was the Rector of St Joseph's Institutions,

Rev Fr Brian Pereira SJ; Former Principal of SJBHS who had served for 13 years, Rev Fr Michael John SJ; Principal of SJBHS, Rev Fr Sunil Fernandes SJ; Vice Principal, Mr. Uday Kumar; Primary School Administrator, Rev Fr Alwyn D'Souza SJ; First Vice President of the OBA, Mr. Nishanth Gurjer; Secretary of the OBA, Mr. Brian D' Lima; Vice President of the PTA, Mr. K C Joseph and the Secretary of the PTA, Mrs. Sudeshna Ghosh.

The Vice Principal delivered the Welcome Address. He highlighted the achievements of the Josephites in the sporting circuit of the State in the past three months – from Hockey to Basket Ball and from Cricket to Air Gun Shooting and Taekwondo, the Josephites have brought home laurels galore. Mr. Uday Kumar also introduced the Chief Guest as the epitome of mental and physical fitness, trained

as an NSG Commando armed with the knowledge of defusing bombs, taking part in jungle and guerrilla warfare amidst his numerous other feats. M Pradeep John is a highly decorated defence personnel having received many prestigious awards.

The Principal, in his address, focused on the playground of the school as that is the epicentre of character formation and the hub of sportsman spirit, camaraderie and lasting friendships. The Chief Guest, in his address recalled with nostalgia, his days at SJBHS. He gave full credit to the school for instilling in him values which has made him mentally strong, physically tough and more than anything else, secular in outlook.

M Pradeep John declared the Meet Open and that set the stage for the blue, green, red and yellow coloured balloons to be released into the clear skies. The torch, the ancient Greek symbol of truth and integrity, was lit and the solemn Oath was rendered to make all the sportsmen understand the importance of fair play, cooperation and solidarity while respecting the rules that govern the school games.

A brief prize distribution ceremony of the games already completed marked the end of the Opening Ceremony and the beginning of the sports events where grit, determination, hard work during months of practice was brought to fruition.

ANNUAL ATHLETIC MEET CLOSING CEREMONY

The games were played, the races run, the day drew to a close.....victory for some, losses for some but in every other way a win-win situation, as experiences were amassed and memories were accumulated for posterity.

The Chief Guest for the Closing Ceremony held in the evening of the 31st of August, 2019, was Air Marshal Trevor Osman, an esteemed alumnus (batch of 1956) and a proud Indian decorated with the PVSM (Param Vishisht Seva Medal) and AVSM (Ati Vishisht Seva Medal) - military awards to recognize distinguished service of an exceptional order. Gracing the dais were the dignitaries of the Opening Ceremony as well as former Vice Principals Mr. Charles Noronha and Mrs. Miriam Angelo.

The stands resounded with cheers as the displays commenced. The students of Class V and VI got into their synchronized fitness regime while the students of Class VII and VIII formed the school flag and swayed to show the majestic flutter of the Blue and White at the pinnacle of glory! However, the event that stole the show was the Club Swinging by the Josephites of Class IX and X - an event dating back to 1913 and the French fathers - a tradition that was lost but regained during the course of history and now seems here to stay!

The Principal's Welcome Address was proof of the place of pride that the stakeholders had in the day to day working of the school - as collaborators and valuable partners. The Chief Guest, in his address, congratulated the students on their performance and commended the boys on their keenness and 'full of Josh' attitude, even at the end of the day. He congratulated the winners as well as all the participants as it is the journey that is important. He urged the winners to be humble in victory having the values of grace and respect for the opponents and to the others he said that it was not about how many times you fall but how many times you rise after a fall that matters.

The prize distribution ceremony paid tribute to the winners as they had won amid stiff competition. The School Song resounded through the school and the School Flag was lowered to mark the end of yet another Sports Day in the history of Joseph's. The crowd started to disperse but for the tenth graders the tears fell fast and thick as they came to terms with reality that this was their last Sports Day - a memory to cherish, a recall to summon up for the future and a promise to return to reminiscence on the camaraderie, 'like thousands gone before!'

JUNIORS ANNUAL ATHLETIC MEET

The warm sunny pristine morning of 30th August 2019 opened to cheerfully decorated playgrounds – the stage for the Primary School Annual Athletic Meet 2019. The Junior Josephites took it on to themselves to charm the onlookers as they marched past the Chief Guest Mr. Noel Wilson, Old Boy (Batch of 1994) and former international footballer. The dignitaries on the dais comprised the Rector of St. Joseph's Institutions Rev Fr Brian Pereira SJ; Former Principal of SJBHS Rev Fr Michael John SJ; Principal of SJBHS Rev Fr Sunil Fernandes SJ, Vice Principal of SJBHS Mr. Uday Kumar; Administrator of the Primary Section Rev Fr Alwyn D'Souza SJ; President of the OBA Mr. George Ollapally; Secretary of the OBA Mr. Brian D'Lima; Vice President of the PTA Mr. K C Joseph.

Rev Fr Alwyn introduced the Chief Guest and welcomed the gathering while Rev Fr Sunil, in his address, proudly mentioned the harvest of ten Olympians from the school and urged the parents to take the sporting spirit of SJBHS in their stride - as it is in the sporting arena that character is nurtured and team spirit and camaraderie are the hallmark of a true Josephites.

Mr. Noel Wilson, who was thrilled to be back in his alma mater, said that sports builds a healthy mind and a healthy body while inculcating leadership qualities and team work, but a sportsperson also needs a formal education.

After the Chief Guest declared the Meet open, balloons, in the house colours, rose elegantly into

the sky; the ceremonial torch was lit and carried by twelve budding athletes and the oath was taken to show solidarity, fair play and sportsmanship.

The opening extravaganza turned even more colourful when the students of the pre-primary school descended onto the grounds with their pom-poms and sunflowers much to the delight of the onlookers! Not to be left behind were the Josephites of Class I and II with their mystic wands and the students of Class III with their vibrant umbrellas spiralling away to the tune of pop music which set the school rocking to the beat!

The conclusion of the flamboyant displays marked the commencement of a plethora of individual, house-wise and interschool races. There was never a dull moment through the day and with a lot of memories to cherish, the boys got home tired yet happy!

FR ERIC VAZ MEMORIAL & CENTENARY SHIELD SJBHS SCORES DOUBLE VICTORY!

In the finals of the prestigious annual inter school Hockey tournaments, SJBHS clinched a double victory on 6th August in the Fr Eric Vaz Memorial U-14 (SJBHS beat FAPS) and in the Centenary Shield U-17 (SJBHS beat Vidyashilp Academy).

The exhilarating Centenary Shield final against Vidyashilp ended with a score of 4:2, with a sensational game from Shaun Victor, Viren Medeira, Varun Muthappa, and Tanuj D'Souza. Varun Muthappa was named the player of the

tournament, while Daniel J and Robin Anto Lourd got the Best Back and Best Half mention respectively. The SJBHS junior team has claimed the Fr Eric Vaz Memorial (U14) tournament shield for the second year running. They beat Frank Anthony Public School 4:2 in the penalty shootout after the teams were tied at the end of regulation time. Adesh David Naidu won the Player of the Tournament, while Jacob NJ was adjudged the Best Back.

CISCE REGIONAL SPORTS & GAMES 2019

H2O = 2 PARTS HEART + 1 PART OBSESSION!

The aquatics season for SJBHS is here and there are bounties galore!

The SJBHS Swimming U-14 team brought laurels for the school by winning second place in the State Level CISCE Regional Sports & Games 2019 Swimming Championship held on 5th and 6th August 2019.

ANNUAL AQUATIC MEET MAKING A SPLASH!

The Annual Aquatic Meet was held on 22nd November 2019 at SJBHS. The chief guest was Olympian, Arjuna awardee and champion swimmer, Nisha Millet. The eminent swimmer encouraged the participants, asked them to push the boundaries to better their performances and to dream big to achieve their goals. Swimming is a water safety skill and needs to be perfected, she said.

The swimming pool was a buzz of activity: excited

swimmers were in readiness, the judges were stationed at the starting mark and the expectant parents all ready to cheer their wards. The races began with a splash!

Loud cheering accompanied the swimmers in their individual events; frenzied shouting assured the inter house participants that they were doing their best. Thunderous screaming resounded through the rafters of the indoor swimming pool during the interschool competitions!

CLUB REPORTS

BASKETBALL CLUB

The Basketball Club classes are conducted for students from std 3 to 10. It is also one of the fastest-growing sports in India. The teacher in charge of the club was Mrs. Aruna B N. Our coaches Mr. Anthony Vicky, Mr. Anthony Sanjay, and our Indian representative Mr. Austin D Almeida, strive to improve students' Basketball skills on dribbling, shooting and fitness. Our school has also provided the interested students with free coaching in the mornings and after school hours. The school has participated in close to ten tournaments where our boys have performed competitively. Our Coaches have conducted Inter-House matches which have helped our school to identify fresh talents and give opportunities to students to showcase their talents.

S RISHABH RONALDO

Std 10 B

HISTORY CLUB

The History Club got off to a flying start with a houseful Club membership of 42 boys of Std 9 & 10 led by their teachers Mrs Gowri Mirlay Achanta and Mrs Evelyn Priya. A collective decision was taken to pick a topic which was national in character and to find a local connection to it. The topic chosen was: Bangalore and The Partition of India. The students divided themselves into groups and work like research, videos, interviews etc was apportioned accordingly. As the months rolled on the project turned out to be very interesting. Trips to the Ulsoor Gurdwara and to the State Archives at VidhanSoudha, interviews with Partition survivors all yielded fascinating information. The project ended with the production of an excellent video made entirely by the students and an exhibition. The exhibition was conducted at the old refectory in the basement. It was fully interactive with students boarding a train from Lahore and walking through a map of India drawn on the ground. All in all, a very fruitful and exciting year for the history club boys!

Ms GOWRI M ACHANTA

Faculty of History

BADMINTON CLUB

Badminton classes for std seven and eight were conducted every Wednesday for a duration of one hour and thirty minutes. Students had the fortune to have well trained, experienced and highly qualified coaches; Mr. Ch. Anil Varma, Mr. P Manoj Kumar, B. Sudhakar, and Mr. Veeresh Hugar who gave every student special attention and brought out the hidden talents of the students. All the twenty-five students who had enrolled themselves for the Badminton Classes thoroughly enjoyed playing and learning new techniques.

MR AROCKIA DOSS S

Faculty of English

BADMINTON CLUB STD 9 & 10

Badminton is a great game both at a professional and recreational level. It requires not only skill but also extensive body movement which helps to keep you physically fit and strong. Badminton has become a very popular game among all age groups nowadays.

The Badminton club for Std 9 & 10 is a weekly club held in two periods every Wednesday. There were 30 students who were coached by the highly skilled mentors from Anup Sridhar Badminton Academy in the finer nuances of the game. The students were also given information regarding building their stamina and agility, along with nutritional know-how.

Ms RESHMI IYER

Faculty

DRAMATICS AND PUBLIC SPEAKING CLUB

We participated in various activities such as air crash, mad ads, jam and dumb charades. In collaboration with the LIT Club, we watched a few movies, to keep the fun element alive. There were sessions for students to share their motivational, real-life experiences, which helped us know one another a little better and instilled in us the confidence to address a small gathering of people.

Towards the end of the academic year, each of us was asked to choose a school event and prepare and deliver a Vote of Thanks for it. We learnt to

think of the various parties to be thanked and sequence them according to importance. Together with our teacher, we had a bunch of relaxed, fun and informative club sessions this year.

DEV A MERLECHA & MOKSH K JAIN

Std 9 C

SHOOTING CLUB REPORT

The shooting club was conducted for students of standard 9 and 10. Thirty-three boys were mentored by a professional coach supported by an assistant teacher.

They were provided with a time slot to aim at a point located on a sheet of paper which had concentric circles drawn on it. The boys were excited to use professional shooting guns. Under strict monitoring and guidance, Mayank Khincha of Std X not only participated but made us all proud by qualifying for the state level competition in shooting. On the whole it was a rare and exhilarating experience for the boys as well as the teacher in charge.

Ms PRIYANKA SAHA

Faculty of Geography

CHESS CLUB REPORT

Chess is a game of strategy and tactics. It helps one to develop the quality of patience and self-confidence. We, the fifteen students, from std VII and VIII picked up various skills such as decision-making and problem-solving at the chess club in school last year. It was our coach Mr Kiran who helped us acquire these skills that are required for the game. We also realised how every move that could change the course of the game was important. Every Thursday was an exciting day for us when we would play matches against each other. We learnt great tactics that we could apply in our games and real-life situations.

VED GUPTA

Std 7 C

LITERARY CLUB

Literary Club activities for Std 1-4, provided an opportunity for the students to explore language in different ways. They were encouraged to use their imagination and be creative in spoken language and written expression. Weekly activities

included essay writing, impromptu speeches, debates, vocabulary enrichment exercises, word games and more. The children were enthralled and fascinated by the fun learning literary activities, sharing unusual, interesting and meaningful ideas.

Ms JAYSHREE HAMLAI

Junior School Faculty

LITERARY CLUB REPORT

“The man who does not read has no advantage over the man who cannot read.”

Mark Twain

The Literary Club had enthralling and exhilarating activities every Thursday.

We had activities ranging from fiery debates to the classical dumb charades. We were a bunch of twenty students, for whom Thursdays proved to be a treat. The teachers, who passionately conducted many activities and guided us, were Mrs. Aruna Madan Kumar, Mrs. Sheena Sam and Mrs. Madhushree. They encouraged us and gave us the freedom to express our ideas and thoughts in the club's activities. The teachers ensured that every student participated in all the activities.

SNOOKER CLUB

Snooker Club provided us with fascinating and interesting activities. Our Instructor taught us how to apply laws and principles of Mathematics in this game. Both our instructor and teacher in charge guided and motivated us to learn something new every week.

We are very grateful to the school management for providing us with such a rare opportunity. We will definitely continue to play this exciting game for years to come.

HOCKEY CLUB

SJBHS's hockey talent is legendary. The school has groomed a number of hockey champions like Vece Paes, Sandeep Somesh, Anil Aldrin and many others who have represented India at National and International level. SJBHS hosts two prestigious inter school hockey tournaments every year - The Centenary Shield for seniors was started in 1958 while the Fr. Eric Vaz Memorial for juniors was started in 1973 to promote hockey among students of the school.

The hockey club of the school conducted hockey coaching classes for students from standards three to ten during school hours. Under the able guidance of the two coaches, Mr. Dashrath Katke and Manohar Katke the students were trained every week. Students were given adequate amount of training to learn the technical skills required for playing hockey. Free coaching sessions were also given by the school for all students interested in learning to play the game after school hours.

The students of the club were encouraged to play in inter house and inter school matches.

Ms CHINTH SHOBHANA

High School Faculty

ABACUS CLUB

An abacus is a mechanical device used to assist a person in performing mathematical calculations and counting. The students at the abacus club were categorised as "freshers" and "students who have completed the basic levels".

Students of the first category "the freshers" were trained with simple addition, subtraction using abacus instrument, with single digit and double-digit while The second category of students were trained in the intermediatery level, using formulas and calculations using Abacus.

Periodic assessments were conducted to check the performance of the students on a quarterly basis. Along with Abacus, the students are also trained in Brain gym exercises, where well - researched movement-based exercises are taught to students as brain empowering exercises.

MS DHAKSHAYANI

Co-ordinator

INDOOR CRICKET CLUB- STD 9 AND 10

Cricket has always been a much-loved sport in our country, be it formal matches or the popular 'Galli' matches. It is a good sport to improve stamina and hand-eye coordination.

The indoor cricket club consisted of 30 students. They were trained by the school cricket coach Mr Syed Mahaboob Pasha, who is known for training some of the most talented players in school who have gone on to represent the state and country. The classes were well planned; starting with a warm-up session followed by batch-wise training. Students were given individual training in the techniques of bowling, batting and perfecting their stance. Students enjoyed every session and worked hard, making it a fun learning process.

Ms VICELIA GRACINDA ALPHONSE

Faculty of Chemistry

TAEKWONDO

Taekwondo is a Korean martial art, characterized by its emphasis on scientifically proven head-height kicks, jumping and spinning kicks, and fast kicking techniques. This sport develops stamina, flexibility and reflexes while improving power of concentration.

Under the guidance of coaches Mr Satish Kumar S, Mr Bhaskaran, and Ms Ranjana, the students were encouraged to try new moves and continue to challenge themselves to achieve new belt levels

SWIMMING CLUB

The swimming club activities did not stop at mundane practice sessions; every class was aimed at inculcating a love for the sport, in a stress free, comfortable manner.

The coaches studied, every individual student's abilities and used unique methodologies to bring out the best in them, making it a very enjoyable experience on the whole. Mr Shanthakumar and Mr Nickson assisted the coaches in this endeavor.

FOOTBALL CLUB

Weekly sessions were conducted for students ranging from Std 1 to 10, by SBF Football Academy. The training programme which began with warming up exercises included exercises to improve coordination and development of basic large motor skills. Several league matches were conducted and certificates were awarded to the winners and runner up teams.

SCHOOL BAND

The school band, which was started eight years ago has grown to become the pride of SJBHS. The students were given rigorous training by Band Master, retired Subedar Major Aman Ullah Khan, in playing a range of instruments such as the trumpet, clarinet, alto saxophone, horn, euphonious, snare drum and bass drum. The members comprising students from STD 6 to 10 were taught to read music scores and play different styles of music, in a synchronized manner. The training instilled discipline and fostered a sense of team spirit in the members. The school band has enhanced every school event that they have played for.

TABLE TENNIS CLUB REPORT

Students of standard 3 to standard 10 were coached by Mr. Gopinath (current State veterans' champion) and Team. The students were divided into groups of Beginners, Intermediate, and Advanced-level ability. Training included theory; rules of the game and physical fitness exercises. At all three levels, students were taught the different strokes such as forehand and the backhand counters, forehand and backhand chop. They were also introduced to the forehand topspin and forehand block strokes.

SWIMMING CLUB REPORT

Swimming classes were conducted for students from Std 3 to 10, by the coach, Mr Ruthvi, from Swim Life Academy. Training was conducted at three levels; Basic, Intermediate and Advanced. Students were encouraged to participate in inter house and interschool competitions.

Faculty of Hindi

NCC REPORT

National Cadet Corps, better known as NCC came into the existence on 16th July 1948 and has played a significant role in inculcating qualities such as discipline and patriotism among youth of the nation. It is open to school and college students on voluntary basis. The Cadets are given basic military training in small arms and parades.

The NCC unit of SJBHS is affiliated to the 3 Kar Bn, ably lead by Associated NCC Officer, Mr Deepak James Xavier. Admission to the NCC is voluntary and comprises students from Std 8 to 10. In August, 20 of our cadets attended the 10 day long Combined Annual Training Camp (CATC), held in Channapattana. We benefitted from the rigorous training which included shooting practice and many cultural activities.

Every school event saw our impeccably turned out NCC cadets welcoming the chief guest ceremoniously with the Guard of Honour.

PROUD MOMENTS

NATIONAL SCHOOL GAMES

Kalp S Bohra has won a gold medal in the 400m and a bronze medal in 200m breaststroke at the 65th National School Games held in Delhi between 17th and 22nd November.

JUNIOR GOLF TOURNAMENT

Adithya J Kamath of Std 4 C continues his winning streak by winning the second place at the IGU Southzone tournament (Category D) at Hyderabad Oct 14th to 16th; and the third place at the Karnataka golf association junior golf tournament on Nov. 18th (category D).

VICTORIES GALORE!

SJBHS adds another feather to its cap as Dhruv Talesara of SJBHS 11 B won the U-19 Boys Individual event in Table Tennis.

Dhruv (first boy from our school) will now represent CISCE in the SGFI (School Games Federation of India) Nationals. We wish him the very best!

SKATING

GOING FOR THE NATIONALS

Arjun S Kumar of Std 1E has been selected to represent the Karnataka state team in Skating in the boys 5-7 age group category for the National championship.

The trials for the selection to compete for Nationals were held between 13th to 17th November this month at Mysore and he came first and received a Gold medal. He is now adjudged as the State champion for his category and will represent Karnataka in the National skating championship which will be held in December 2019.

MARTIAL ARTS CHAMPIONS

Naven N D'Almeida of Std 2, age 8, weight 50 kg, category - Sub Junior, represented Karnataka Taekwondo Association at the 4th KTA Taekwondo Championship - 2019 and secured the 1st Place (Gold medal) and the 2nd Place (Silver medal) respectively.

Aiden L D'Almeida, Std 7, age 12, weight 66 kg, category - Cadet

KSCA

CHAMPS FOR THE SECOND YEAR RUNNING!

The SJBHS U-16 cricket team played a fine innings at the KSCA Cup (Group I, Division I) cricket tournament on 27th August, 2019 against Delhi Public School (Bangalore South). DPS (South) played the first innings to tally 174 all out on the scoreboard with Aditya Rao claiming 6 wickets, conceding only 70 runs to the opposition. The SJBHS U-16 team retaliated strongly with a stellar 206 runs partnership between MB Shivam and DhruvPrabhakar, as well as a 151 unbeaten third wicket partnership between Arsalaan and Amey VH.

The Josephite team were adjudged the champions second year in a row by virtue of their first innings lead. The stellar performance of the team was seen throughout the tournament, all credits attributed to the hard work of the team, coaches and the management and staff of the school.

PROUD MOMENTS

SWIM CHAMPS ON A ROLL!

At the Council school sports and games -2019, a National level tournament, held at the Padukone Dravidcenter for sports excellence from 3rd October to 5th October, SJBHS won several medals proving that with passion, commitment, excellent coaching and relentless practice, our boys can conquer the world.

In th U-14 boys championship, Akash Mani won silver in 100 m backstroke and 4 x 100 m medley relay. He won the bronze for 200 m backstroke. ShreyasManjunath joined him to clinch a gold in the 4 x 100 m freestyle relay and 3 silver medals in 100 m breast stroke, 100 m freestyle and 4 x 100 m medley relay respectively.

In the U-17 Boys championship, Kalp S Bohra won 3 golds in 200 m breast stroke, 400 m IM, and 4 x 100 m freestyle relay. He also added the silver medals in the 100 m breast stroke and 4 x 100 m medley relay categories.

Our SJBHS girls shone bright in the U-19 category with Prerana winning 2 golds in the 200 m backstroke and 4 x 100 m freestyle relay categories and 2 silvers in the 100 m backstroke and 4 x 100 m medley relay races.

The total medal tally was an impressive 5 golds, 9 silvers and 1 bronze

TAEKWONDO CHAMPIONSHIP THE FOOT & THE FIST

In the first Karnataka State Beginners Taekwondo Championship held on 23rd August, 2019 at Decathlon Anubhava International Airport Road, the SJBHS Taekwondo team bagged 32 medals: 1 gold, 5 silver and 10 bronze medals in the Poomsae (forms) section of the tournament, followed by 4 gold, 2 silver and 10 bronze medals in the Kyorugi (fighting / sparring) section.

	Names	Class & Section	Kyorugi (Fighting)	Poomsae (Forms)
Under 8				
01	S Supreet	2D	Silver	Bronze
02	Shane Anthony Gabriel	2E	Bronze	Bronze
03	Mario Noam	2E	Silver	Bronze
04	Samarth Vinod	2B	Bronze	Bronze
05	Andrew S Mathew	2D	Bronze	Bronze
06	Joseph Mathew	3E	Bronze	Bronze
07	R.Jai Parkey	3E	Bronze	Bronze

Under 10				
08	Yug Khushalchand Chhajed	3D	Silver	Bronze

PROUD MOMENTS

AQUATIC EVENTS WINNING STREAK

SJBHS has bagged a total of 7 medals (4 silver and 3 bronze) at the Third Soundarya Inter-School Swim Meet held at Soundarya Central School on 6th September 2019. The hard work of the team and coach has continued to be fruitful as the SJBHS aquatic team is on a winning streak with this being the third slew of medals in the kitty. The tally of the medals is as follows:

- In Group 1 Harshit Shah got a bronze medal in 200m Individual medley
- In Group 1 Chirag Choudhary bagged a bronze medal in 50m breaststroke
- In Group 2 Mohammed Ayman Ajaz earned a bronze medal in 50m Back stroke
- In Group 3 Ujwal Gowda snagged a silver medal in 50m breaststroke
- In the 4 x 50m free style relay, for Group 3,4 & 5, Jukesh, Ujwal,, Suhan and Jruthik picked up the bronze medal.
- In the 4 x 50m free style relay and the medley relay for Group 1 & 2, Harshit Shah, Md Ayman, Yashas Raj and M Jawaad claimed the silver medal in both categories.

BASKETBALL TOURNAMENTS FIGHT TO THE LAST

The U-16 team of SJBHS are full of energy and enthusiasm, and tasted victory at the Cathedral High School Tournament held on the 9th and 10th of August 2019. They played the host team (Cathedrals) in the semis and moved up to the finals, where they played against Bishop Cottons Boys' High School. Our boys put up a good fight but missed the winner's title by a small margin, with the scoreboard reading 40:44. They were declared runners-up for the tournament.

SJBHS SLAM DUNKS IT!

The Joseph's U-18 team participated in Gregorian Association Tournament organised by Rashtriya Military School from the 23rd of August to the 25th of August 2019. We topped the pool by winning against Rashtriya Military School and Army Public School . In the semi-finals against Frank Antony Public School, the game ended with a final score of 24:46. The exhilarating finals against Clarence High saw the team winning the match with a great score - 46:32

VIDYASHILP TOURNAMENT 2019 SJBHS HAT TRICK!

The Vidyashilp Tournament occurred on the 29th of August this year. The final however was postponed and occurred on the 3rd of September. It was an amazing dream run for SJBHS where we beat Vidyashilp Academy B team 10:0 in the first game. We then continued the winning streak against Daffodils School as well as TISB.

It was an easy path to victory until the semi-final where we were confronted by the host team, Vidyashilp Academy. Against the host team, we had a 1:0 lead when they scored an equaliser with 7 seconds left on the clock. The match was an absolute thriller as it went in to penalty strokes. SJBHS beat the hosts with Viren, Tanuj and Varun converting in 8 seconds.

Our team faced St Joseph's Briand Square in a fairly easier game in the finals. We scored a goal early into the second half and the opposition hardly penetrated our defences. All in all it was an amazing tournament which concluded with SJBHS winning the tournament in style without losing a single game. 2019 is the third year in succession that we have won this tournament.

PROUD MOMENTS

SJBHS PUT UP A FIGHT! PRE-SUBROTO FOOTBALL TOURNAMENT

St. Joseph's Boys' High School football team U-17 were the winners from the Bangalore regional round and qualified for the Pre-Subroto football tournament at Kolkatta between, 24th July to 27th July 2019. From the moment the team landed on Wednesday 24th July, they were pitted in matches against CGS Missouri and St. Augustine, West Bengal. The first match against CGS Missouri proved to be a nail-biting game, with SJBHS scoring two goals to cinch a victory. The second match against St. Augustine proved to be even more challenging with the score reading 1-0 as the opponents gave tough competition.

With lack of recovery time for the team, the fatigued players were unable to hold out against St. Loyola, Orissa and Don Bosco, Kerala and thus could not qualify past the fixtures. The efforts put in by the team, coaches and our sports secretary were fully evident as everyone recognised the performance and calibre of the SJBHS team whose game strategies and teamwork shone as they faced tough opponents.

SJBHS U 17 TEAM REGIONAL CHAMPIONS! COUNCIL SPORTS

It was a proud moment for St. Joseph's Boys' High School's U 17 football team. Held by the CISCE (Council for Indian School Certificate Examinations), the Sports and Games 2019 Regional Football Tournament, Karnataka was hosted by Ryan International School, Yelahanka.

In the final, our U 17 Football team beat VidyaNiketan with an impressive 7:0 to lift the cup. The tournament, was held at the DravidPadukone Academy and FSV Arena from 1st July to 4th July 2019. A total of 44 teams were vying for the championship with 36 teams in the U 17 category and 8 teams in the U 19 category. The school football team is now qualified to the next round which will be held in Calcutta, India for the Sub-Subroto Cup between 24th to 26th July, 2019.

NEWS & EVENTS

PRINCIPAL'S DAY NEW BEGINNINGS

On 1st of June, the staff at St. Joseph's geared up for an early bonanza by way of the Principal's birthday. Rev. Fr. Brian Pereira S.J., Rector of the Bangalore Jesuit Educational Institutions, was welcomed and called upon to introduce the newly appointed chief of the school, Rev. Fr. Sunil Cletus Fernandes S.J. and to felicitate him on his special day.

Fr. Rector, while greeting Fr. Sunil, had only words of praise and assured him of wholehearted support

from the management. Fr. Sunil thanked the Rector and the staff for the celebrations requesting each one to enjoy life to the fullest while leaving behind footprints of kindness, benevolence and humanity.

The cake was cut, a huge card handed to Fr. Sunil and the auditorium resounded to the melody of the birthday song – heralding in a new Principal, a new Principal's Day and most of all a new beginning!

ORIENTATION FOR LKG OFF TO A START

There was an underlying sense of anxiousness and anticipation in the auditorium when the parents and students of LKG gathered for their orientation. After the prayer and an address by our Principal Rev. Fr. Sunil Fernandes SJ, the resource person Dr. Debmita Dutta, a practicing doctor and parenting consultant, brought calm and assurance. Dr. Debmita said parents' attitude had to change with the age of the child. They have to guide the child at home and get them ready to deal with certain routines that will help them to cope.

ORIENTATION FOR STD 11 (PARENTS & STUDENTS) WELCOME!

The school reopened with an orientation for the students of Std 11 and their parents. A few words of introduction from our staff member, Mrs. Jayashree, was followed by the toppers of the 2019 Science and Commerce batches sharing their experience and the need to balance between academics and extra-curricular activities.

The Parents' orientation concluded on an inspiring note with a humorous and interactive speech by the chief guest, Mr. Jatinder Mohan, who went over the Do's and Don'ts of parenting, expectations versus reality, and even shared his own

experiences with the gathering. He reiterated cooperation, harmony and engagement by parents.

The Students' orientation was held the following day, with advice from former Josephites and a talk by Mr. Jatinder Mohan where he explained how "attitude, determination, and skill" are the three pillars to success.

And so, in a matter of a few days, students who had gained admission into the school were now incorporated into the fabric of the Josephite family.

WORLD ENVIRONMENT DAY GREEN SCHOOL

At SJBHS, global warming and climate change, concern for the environment, care for nature are burning issues. The year commenced with the World Environment Day being held on 7th June. The Chief Guest, Dr. Vasantha KavithaShrikar, working at the National Council for Science and Technology New Delhi and secretary of the K.C. Reddy Sarojamma Welfare Foundation, highlighted the need for the young citizens to make conscious efforts towards the cause of saving the Earth from degradation, pollution and deforestation.

The staff coordinator of the 'Go Green' committee, Mrs. Reshmi, enumerated the projects undertaken by the school to conserve, preserve and sustain the planet, a few being use of solar power, ban on plastics, water harvesting and zero tolerance to wastage of electricity, water and paper. Advice given by the senior students went a long way in reiterating the yearly promise of SJBHS to contribute its utmost to fight the battle against pollution.

PTA AGM 2019

The grand annual event which brings teachers and parents together as collaborators – the PTA AGM, was held on 21st June. The Vice President of the PTA, Mr. Srinivas Vardha, read the notice convening the meeting which was followed by the reading and adoption of the Annual Report 2018-19 by the PTA Secretary, Mrs. Sudeshna Ghosh. The financial report for the previous academic year was read by Mr. Vardha, which was also passed for the AGM report. The formalities of the AGM were, thus, stamped and sealed.

The newly appointed Principal of SJBHS, Fr Sunil Fernandes SJ, praised the work of the PTA, encouraged parents to be mentors and nurturers of their wards and to work with the school for the development of their children. Mrs. Vasantha Adivarekar, the guest speaker for the day, focused on 'Active Parenting' as an important skill in a parent's toolkit. The eminent speaker listed the ups and downs of listening and not listening to

children. She also fielded questions while giving expert advice to the parents and teachers gathered at the venue.

The vote of thanks heralded the close of the evening with an invitation to the parents to enter their nominations for the new committee for the academic year 2019-20.

INTER-RELIGIOUS PRAYER SERVICE ONE BROTHERHOOD

The practice of peace and reconciliation is among the most artistic of human actions.

The serenity of the rituals at SJBHS resonated throughout the school as SJBHS observed its annual Inter-Religious Prayer Service on 20th June, 2019.

Readings from the holy texts of Judaism (Torah), Buddhism (Tripitaka), Islam (Quran), Christianity (Bible), Hinduism (Bhagavad Gita) and Jainism (Agam literature) filled the auditorium as bhajans and hymns in Hindi, Kannada and English reverberated through the hearts and minds of students, showing them the Josephite way with values of peace, love, secularism and brotherhood. An elegant performance by the ISC girls augmented the graceful rendition of peace, fraternity, tolerance and oneness.

The Principal, Fr Sunil Fernandes SJ, along with the Vice Principal Mr. Uday Kumar and the

administrator of the primary section Fr Alwyn D'Souza SJ, accompanied Mr. Kevin Simon, Chief Guest for the first session and Mr. Alexander Cherian, Chief Guest for the second session, as well as the guest speaker Mr. Sheriyar Vakil.

The Principal welcomed the gathering urging each one to cultivate scholarly hearts and secular minds, keeping in focus the rich culture that belongs uniquely to a Josephite. The guest speaker highlighted the origin, religious beliefs and ethos of the Parsi community. While educating the onlookers on the seven pillars of Zoroastrianism, Mr. Vakil stressed on tolerance, brotherhood, love for all and malice to none.

He stated the universal tenet of 'Love' that transcends the sovereignty of all people. The chief guests reinforced the belief that God wants us to live in harmony with one another and for this change is indispensable.

FESTIVAL OF SCIENCE TRANSCENDENCE 2019

The third edition of the schools' much-anticipated Science and Technology Fest - TRANSCENDENCE 2019 was held on the 21st and 22nd of June. The biggest turnout in the fest's history saw 1,300 excited faces walk in through the school gates.

With over 16 events, Transcendence 2019 outdid itself with stimulating challenges, instilling the spirit of scientific curiosity into every student. Each one was equally exciting to watch as it was to take part in. Darwin's theory stood its ground as ultimately, only the strongest scientific minds took home prizes, despite the fierce competition.

Bharat Ratna awardee and an avid contributor to the world of science and material chemistry for over 68 years, Professor C. N. R Rao, was the chief guest for the opening ceremony. He inspired all the participants into the pursuit of Science, which included 'asking questions, developing curiosity, applying knowledge', and ultimately 'solving problems'. He reminisced Professor C.V. Raman addressing his school decades ago, and how that inspired him to be 'involved and excited every single day' in his profession.

He advised the students that a profession in science required tremendous 'dedication, passion, and patience', for the 'service of humanity'.

FUN DAY - JUNE MY FAMILY

Family is one of the most important social institutions in our lives. The teachers of the Pre-Primary section at SJBHS wanted to teach the young ones of LKG and UKG to actively take part in understanding the different roles played by the family members, to make a house into a home.

The young ones worked on their family tree - showing the relationship between members of the family. Every class played an interesting and meaningful video, related to members and values to be inculcated in the family. Some even came dressed as different family members!

The topic was age appropriate, the activities were simple yet interesting and the information about the family was effortlessly and smoothly transmitted to the students. Appreciation for all the work done by the parents and the grandparents, support given by the siblings and love generated by being part of the family was an integral part of the FUN DAY for the month of June.

VISIT TO THE STATE ARCHIVES

The History Club, formed with the objective of going beyond the textbook and learning about historical places, people, events and things, decided to conduct its visit to the State Archives situated in the south entrance of the Vidhan Soudha.

40 students along with their teachers, Ms Gowri MirlayAchanta and Ms Evelyn Priya, were welcomed by the Director, Dr Ambujakshi, and other members of her department, who willingly shared their vast knowledge with the students and teachers.

Dr Ambujakshi explained that all official documents from 1799 have been preserved in these Archives and treated with great care. Each page is covered in very fine tissue paper thus protecting the page but still ensuring that the writing is visible. The books and documents are treated with chemicals every three months in order to preserve them. The Director explained that in order to write History one has to have credible evidence - provided by original documents.

The documents in our Archives pertain to the rule of the Mysore Maharaja, the British rule and Post Independence Government records. Many of these documents have been digitized and are preserved in the form of micro films.

Dr Ambujakshi proudly displayed the original Treaty which was drawn after the Fourth Anglo Mysore War in 1799. It was thrilling to see the huge

pages, the beautiful calligraphy both in English and in the court language, Persian. The Imperial seal could be seen clearly and it looked very well preserved. The students were shown documents with the signature of Sir M Vishveshvariah the Dewan of Mysore.

The Director invited the students to visit the Archives again. The staff and students were very grateful for the knowledge gained through this trip and look forward to another visit.

CLC OUTREACH GROWING IN EMPATHY

On their very first outreach for the academic year, on 29th June, 2019, CLC boys were filled with concerns, questions and a lot of excitement. They were on their way to Jeevarathini - Home for abandoned children, at Nallur Village, Hosur Road. They were welcomed with enthusiasm.

The grounds of the Home were laden with fruit. The SJBHS boys helped to pluck the harvest while enjoying the fruits of their labour. They helped to plant a few saplings, cleaned the gardens and folded a few clothes. There were a number of games organized by the staff wherein the children bonded with each other. The bonding continued during the sumptuous fellowship lunch. The Josephites were a contented lot as they said their goodbyes.

The CLC Outreach programme is meant for students to engage and understand how the less fortunate live. Jesuit education must equip them to regard the lost, the least and the last as brothers to whom they owe their service, and the CLC trips aim to do just that.

ANNUAL SPEECH & PRIZE DAY- SENIORS SPOTLIGHT ON ACADEMIC EXCELLENCE

An indispensable part in the calendar of a Josephite, a much awaited event where merit is acknowledged and rewarded- the Annual Speech and Prize Day for seniors was held on the 6th of July. The chief guest for the occasion was Group Captain Mr. Rohith Vijay Dev, an Old Boy, and his wife, Mrs Sunaina Rohith Vijay Dev. Other dignitaries gracing the occasion were OBA President, Mr George Olapally, Secretary OBA, Mr. Brian D'Lima, President PTA, Mr. K.C. Joseph and Secretary PTA, Mrs. Sudeshna Ghosh.

The customary lighting of the lamp was followed by an invocation song and dance. The Vice Principal, Mr Uday Kumar, then welcomed the gathering.

A concise video version of the Annual Report - listing the social, spiritual, sports, academic and extracurricular activities of the school for the year 2018-19 was presented by our Principal, Fr Sunil. The active participation of the PTA and the OBA was appreciated and the Principal stressed that Parents, Teachers and the

Management are effective collaborators of Jesuit education.

The Chief Guest, Group Captain Mr. Rohith Vijay Dev, recalled memorable moments in school and advised the students to pursue their dreams and go the extra mile to achieve their passion.

ANNUAL SPEECH & PRIZE DAY- JUNIORS

PRIZING THE RIGHT VALUES

At the Annual Speech and Prize Day for juniors, the young academic achievers of our school were felicitated for their achievements. All the teachers and coordinators of the Primary Section and Middle School had worked very hard to make this a special occasion and one that they would remember for years to come.

The Chief Guest, Dr S Balaji Pai (Old Boy and renowned Neuro and Spinal Surgeon) and Dr. Ameena Bhanu, our Principal Fr Sunil Fernandes SJ, Vice Principal Mr Uday Kumar, Administrator of the Primary School Fr Alwyn D'Souza SJ, Vice President of the PTA Mr K C Joseph, Secretary of the PTA Mrs Sudeshna Ghosh and the Vice President of the OBA Mr Jyothinath Ganguly were the dignitaries entrusted with giving away the prizes and congratulating the boys.

The event commenced with the invocation song, a welcome dance by the boys of Class III and IV and the welcome address by Mrs Lynette. A superb dance drama on anger, greed, jealousy and fear in this competitive world, was the entertainment quotient for the Prize Day.

Our Principal, Fr Sunil called on the audience to review the past and look to the future. He drew attention towards 'Cura Personalis'- the Jesuit vision of development of the whole person.

Dr Balaji Pai, said it was a privilege and honour to be here. He said that it is the formula of inspiration meeting perseverance that leads to success. He asked the parents to instil family values in their children and advised the students to inculcate the habit of saving the resources of the Earth as the future belonged to them.

IN MEMORY OF REV FR HEDWIG DA COSTA SJ (1936 – 2019)

A towering Jesuit with a regal carriage, a disciplinarian with a stern exterior but a soft and caring heart, an eloquent speaker, a voracious reader and a man of principles - are some of the traits that aptly describe the former Principal of SJBHS (1972-1977), Rev Fr Hedwig Da Costa SJ. After a long and illustrious journey spanning 82 years, Fr. Hedwig joined his maker on the 31st of July 2019. In good health and in sickness, he remained faithful to his ethics, loyal to his vocation and devoted to his ideology.

The requiem Mass for Fr Hedwig was held in St. Joseph's Boys' High School chapel on the 1st of August 2019, with full honour and glory. The solemn ceremony was concelebrated by the former archbishop of Bangalore his Lordship Rev Bernard Moras, Fr Ralph (Fr Hedwig's brother) and a host of priests. Needless to say, the chapel was packed with well-wishers, religious priests and sisters and generations of students. The stately body of Fr Hedwig was laid to rest at Mount St. Joseph on Banerghatta Road.

On the 2nd of August 2019, the staff and students of SJBHS organized a memorial service during the regular school assembly to recollect Fr Hedwig's immense contribution to the school; to pay tribute to his work as a Principal, a teacher and a mentor; and to pray for the repose of his soul.

May his soul rest in peace.

PERSONALITY DEVELOPMENT / SPIRITUAL RENEWAL BUILDING CHARACTER

The management organized a day of introspection, interaction and soul searching for the students of Std X and XII after the 22nd of July in keeping with the school's ethos of character formation and development.

The Personality Development Programme was conducted by Mrs Odella John and Mrs Janet Reddy, former staff members. The agenda for the day revolved around loving and accepting yourself unconditionally, fostering an attitude of gratitude, valuing your parents and reaching out to others.

The Catholic students were guided by resource persons Fr John Paul and Fr Clement who inculcated the importance of moral values, reinforced the ethos of the Indian society and brought to the fore the prime quality of Humanity.

With the aid of motivational videos, short inspiring stories, real life examples, songs and power point presentations, concepts were shared and precepts grounded.

TEACHERS' TRAINING BREAK THROUGH!

The week long examination, strenuous weeks of corrections and Outreach Programmes called for a much needed time out by the end of July. Sixteen staff members from SJBHS volunteered for a day's reprieve at 'Break Through' - a facility on Banerghatta Road for training using physically and mentally challenging activities.

The resource persons, Mrs. Linda and Mr. Jo, went out of their way to ensure active participation among the team members. From zip-lining and tight rope balancing to walking on the 'tremor

bridge' and indulging in brain games, the team was tested for grit and determination, endurance and patience, fortitude and resilience. Needless to say the challenges were met headlong, conquered and the lessons learnt were stockpiled for future use in everyday life scenarios.

The teachers had a productive day - a day to de-stress, a day filled with fun activities and a day spent in introspection about the ways and means of building team spirit, co-operation, empathy and the lasting bonds of friendship.

SEASONS FUN DAYS IN JULY

As the year progresses, the seasons come and go but the teachers of the Pre-Primary section are certain that the knowledge of the seasons is here to stay.

India experiences a range of seasonal changes: hot Summers, cool and cold Winters, refreshing Rains and the new life of Spring, the magic of falling leaves of Autumn. The little ones were made to understand how blessed they are to experience the different magical seasons throughout the year and all because of the movement of Mother Earth around the Sun!

The non-existent rainy season was welcomed into the classroom through colouring competitions and talking about running out on a rainy day, using umbrellas and jumping in muddy puddles. Every class played a video of an action song and the children thoroughly enjoyed dancing to the tune. A few students were dressed in different attire according to their representation of the seasons. Some even spoke a few words on the seasons they represented. Excitement to go to each class and demonstrate their newly acquired public speaking skills spread like wild fire among the kids!

IGNATIAN WEEK CELEBRATIONS MEN & WOMEN FOR OTHERS

*Go forth and set the world on fire
St. Ignatius of Loyola*

The highlight for the month of July is the Ignatian Week. With activities for every class as well as for the teachers, the spirit of our patron St. Ignatius of Loyola is manifested in the form of camaraderie, companionship and cooperation. The focus for the Ignatian week 2019 was on the Ignatian way of life, the work and teachings of St. Ignatius, the life of the Jesuits and the history of St. Joseph's Boys' High School. The wealth of knowledge about the school, the Jesuit fathers and their founder were tested through a plethora of competitions from quizzes to grid crosswords and from creative writing to video presentations on values. Students from LKG to Class XII took part in the contests to showcase the foresight of St. Ignatius of Loyola, after four and a half centuries has stood the test of time.

The special assembly on the 30th of July was based on Ignatian doctrines, included a prayer, a prayer song, a skit, speeches and songs. Our Principal, Fr Sunil Fernandes SJ in his message to the gathering focused on the four D's - Desire, Discernment, Dedication and Dream - which was the pathway to the soldier saint's life. Fr. Principal asked the students to be persons of total surrender to the love of God so that inspired by St. Ignatius, they can be men and women for others.

The day progressed with a solemn Mass concelebrated by Rev Fr Sandeep Menezes (Redemptorist Priest/ Old Boy), Rev Fr Principal and Rev Fr Alwyn SJ (Primary School Administrator). Before the end of the day's

celebrations, the students were treated to a snack as they watched a movie on the life of St. Ignatius. For the teachers, however, the celebrations took the form of a unit-wise competition on the day's themes. Each unit of SJBHS surpassed the other in innovation, creativity and costume. The guest of honour, Rev Fr Sunith Prabhu SJ, wished the teachers the very best in their ministry of teaching, urging them to always remember that 'mediocre' is never enough. After a sumptuous festal fellowship meal, the staff dispersed to enjoy a mid-week holiday on the 31st of July.

SCHOOL VISIT

THE BIOTECH WORLD

Our world is built on biology, and once we begin to understand it, it becomes a technology'

Ryan Berthencourt

On 29th July, 28 students visited Monsanto - the crop breeding division of Bayer labs, as part of their curriculum. The resource person at the Lab was scientist Dr. Anik Luke Dhanraj who explained matters to them.

The field trip provided plenty of information to the students. It explained plant breeding which is required for genetic diversity and highlighted genetically modified organisms (GMO) which serves as the basis of biotechnology. It was an excellent trip for the biotech enthusiasts as it dealt with data science and its implementation in biotechnology. The students also learnt about DNA fingerprinting.

FUN DAY - AUGUST

LITTLE JOSEPHITES IN THE NEWS

Mera Bharath Mahaan

Our little students of LKG and UKG welcomed the Independence Day through their diverse culture, united spirit and fun activities.

A group of students from across LKG and UKG sections were dressed in the attire of the different states, representing the four different zones of our country. They were given small cut outs of a flag and were asked to fill them with the tricolours. Children were very excited and coloured their National flag with a sense of pride.

Every class played an animated video based on importance of Independence day. The video was a great way of making them understand the meaning and importance of being independent.

OBA BUZZ

PAST, PRESENT & FUTURE OF SJBHS

The healthiest competition occurs when average people win by putting above average effort.

- Colin Powell

This year, the OBA Buzz was deferred to the month of August and was held in the first week. There was a build-up of excitement and all 'buzz' among the students of the four Houses, all vying for points.

The annual inter-house literary and cultural festival organized by the OBA to source talent from SJBHS is a much awaited event. The love and interest that Old Boys have towards their alma mater is seen here in the meticulous planning and organization.

Fierce loyalties fuelled by a competitive atmosphere, gives the event its 'buzz'! Some special events included were 'The Personality', 'Best Manager' and 'The Marketing' experience. The Old Boys conducted and judged the events - the entire process was a ground reality of the bonding between the past, the present and the future!

VISIT TO RAMAN RESEARCH INSTITUTE PHYSICS' WONDERS

The Electronics students of Std 12 A, accompanied by their teacher, Mr. Sundaram visited the Raman Research Institute on July 31st 2019. Once inside the serene campus, the students were made aware of the various types of research going on at RRI, especially in Biophysics and Astrophysics. They were also taken to the museum which displayed

numerous kinds of rocks, stones and crystals in beautiful colours and shapes. In the Physics lab the working behind capacitors, inductors and amplifier circuits were demonstrated and explained. It was an extremely interesting and informative trip.

INDEPENDENCE DAY LESSONS OF BROTHERHOOD & AFFECTION

In a gentle way, YOU can empower the world.
Mahatma Gandhi

From the saffron, white and green chakras, tassels, balloons, pom-poms and other paraphernalia that decorated the school, to the beaming faces of the students, the portals of SJBHS reverberated with patriotism, pride and nationalistic feelings at the 73rd Independence Day celebrations. The sun sparkled through the clouds as the National Flag was hoisted by the Chief Guest Col. Ram Kapur (Old Boy of the batch of 1987). The flag was saluted and the anthem resounded with honour and glory.

The Chief Guest was escorted to the auditorium by our Principal Rev Fr Sunil Fernandes SJ, Vice Principal Mr Uday Kumar, Administrator of the Primary Section of SJBHS Rev Fr Alwyn D'Souza SJ, President of the OBA Mr George Ollapally, Secretary of the OBA Mr Brian D' Lima and the Vice President of the PTA Mr K.C. Joseph. The cultural programme to mark the day commenced with a solemn prayer and Invocation Dance. After

intercession to the Almighty for a country devoid of discrimination, the symbolic lamp was lit. Mr Uday Kumar welcomed the dignitaries, parents, staff and the students. The Vice Principal introduced the Chief Guest as a celebrated Old Boy and a brave soldier.

Col. Ram Kapoor said that he was honoured to be back at his alma mater and reiterated his belief in the motto 'Faith and Toil' but added 'passion' as the combination of both to keep the fire within alight.

Solo and group songs, speeches, dances and a meaningful skit brought to the fore the sacrifice of martyrs, the beauty and power of words and the importance of celebrating differences.

Fr Principal stressed on the virtue of freedom that encompasses the ability to be responsible and accountable for our actions. He urged the students to take fraternity beyond the portals of the school into the wider world to live as one human family wherein respect should guide our thoughts, words and deeds.

HARVARD UNITED NATIONS MUN 2019

This conference helps develop leadership qualities and grooms students to be diplomatic leaders. Competing with students from different circuits enhances not only their learning experience but also their social skills.

The 2019 edition of the Harvard Model United Nations India was held from 15th to 18th August in Hyderabad. This year, six of our students participated in the conference and four returned with placements in committees.

Jrenoth - UNDP - Diplomatic Commendation
Chanakya - Legal - Diplomatic Committee
Vedanth - DISEC - Diplomatic Commendation
Niya - SPECPOL - Honourable Mention

BIFROST 2019

LEARNING THE ROPES OF COMMERCE

In Norse mythology Bifrost, refers to the rainbow bridge that serves as the nexus between Asgard and the other realms of the Universe. Using the same equivalence, SJBHS believes in networking to reach the pinnacle in commerce practices from a basic school level.

BIFROST is held to improve and stimulate a student's corporate skills and to provide them with an opportunity to explore the principles of commerce. This year 'Underground Economy' was the theme of the fest and 15 different events explored the functioning of the underground economy - now a major part of the global commerce structure.

This year's BIFROST offered a simulation of the corporate sector through the three flagship events - Simulation, Ragnarok and Law. A beautifully

presented trailer set the mood for the events to follow. Besides the three neo-events, several competitive events were held. With 39 schools participating and a footfall of 680 participants, the fest which took fledgling steps in the year of inception has risen to greater heights of glory.

The chief guest for the opening ceremony was Mr Irfan Razack, Old Boy (Batch of 1968) and Chairman and MD of the Prestige Group. He gave a thought provoking speech, encouraging participants to grab opportunities when given to them.

The award ceremony and the closing were presided over by Prof M V Rajeev Gowda, Old Boy (Batch of 1978), politician, academician, MP in the Rajya Sabha and national spokesperson for the Indian National Congress. He reminisced about his life as a student at SJBHS and motivated students to know the value of self-worth and hard work.

GARDEN GLORY!

Our SJBHS gardens are admired everyday and bring a sense of peace and beauty to all who pass it. And so it with great joy we put on record the outstanding prize awarded to SJBHS for the 'Best Ornamental Garden' in Bangalore City by the Mysore Horticultural Society. The trophy was handed over to the deserving and hardworking

'Green Fingers' of SJBHS Mr. Francis, Mr. Anthony, Mr. Stephen and Mr. Pappanna who in turn appreciated the support rendered to them by the Principal, Vice Principal and Administrator of the Primary School. They also thanked the students of SJBHS for maintaining the garden and helping when called upon to do so.

FOUNDATION FOR NEGLECTED DISEASE RESEARCH CENTRE NEW FRONTIERS FOR STD 11

Std 11 Biology students were taken on a trip to visit the Foundation for Neglected Diseases Research(FNDR) Centre, a non-profit organization that works towards developing drugs for diseases prevalent in the developing world. This would enable them to gain exposure to the field of pharmaceutical research and to broaden their mental horizons.

A warm welcome was extended from the foundation's directors, Dr Shridhar Narayan and Dr R. Shandil, who proceeded to brief the students with the team's mission and efforts as well as the drug development process. A visit to the different

laboratories, in depth insight into the tests performed on living species, exposure to ethical questions regarding animal rights, a quick question-answer session and soon the trip came to a close.

As high school students exploring the career paths in biology, this was quite an eye opener as it got many the students thinking about the different options available in the field of research. It was truly inspiring to see a group of such dedicated individuals who work tirelessly towards making an impact in others' lives.

PHENOMENON 2019

The school's cultural, literary and commerce fest on 18th and 19th October, 2019 witnessed more than 30 schools and colleges battling it out for the winner's trophy. The cultural part of the fest witnessed healthy competition and showcased skills and a diverse array of talents.

The lively crowd at this carnival had something in store for everybody, be it children or adults. Like every other year which has gone by this year was no different, with colourful stalls and pulsating music. The interschool competitions in dance, music, photography, creative writing, debating, filmmaking, Mad ads and beat boxing were very popular. Game stalls, bouncing castles, tattoo artistes and magic shows along with gourmet food stalls and street food were welcomed by everyone. The evenings saw the crowds surge as the young ones danced to the enthralling music of the DJ of the evening - DJ Nucleya.

The Phenomenon Raffle Draw was conducted at the school assembly on the 31st of January 2020.

The Go Green Committee observed a Go Green Week - Viridescence 2020 and worked on several broad themes to promote a culture of conscious living and sustainability among the staff members and students - Wealth from waste, slogan writing contest, save electricity campaign, clean up drive, making market bags by reusing old t-shirts, etc... were some of the projects that the students worked on.

The Triathlon was conducted on 24th November 2019. At daybreak, there were about 104 enthusiastic Josephites from classes 7 to 12 waiting eagerly to participate. They were bursting with energy, fired by the word 'Triathlon' and raring to take a shot winning at the coveted prizes.

The Triathlon consisting of a triad of three phases in a single non-stop event: swimming, cycling and running race was completed in two hours, placing on the victory stand the very best of the contestants in the sub-junior, junior and senior categories. It was indeed great to see the boys and girls full of their enthusiasm year on year.

For the first time the pride of the English novelty transformed its atmosphere to that of a rustic hamlet. The grounds were lively with the beats of the Dollu Kunitha. SJBHS for the very first time in its history of 160 years celebrated the Rural Culture and Folk Art with the Grameena Utsava festival on 20th December 2019. The Josephites and some of our parents cherished the glimpse of

the rural games, traditional cuisines, varied cultural forms and rich heritage of Karnataka.

A Health Checkup was held for students of LKG to Std 11 by the doctors of St John's Medical College from 4th to 7th February 2020. In addition, an extensive dental checkup was conducted by the Dental Health Organization. The reports were digitalized, and results uploaded on pupilpod.

Some of the parents and representatives of the PTA along with a few teachers visited the Loyola Institutions in Manvi and its surroundings to support the cause of the mission. The team had organised a session on Career Counselling for the high school students. They also handed over some stationery to the kids.

To foster critical and creative thinking abilities among our boys the PTA introduced the DI (Destination Imagination program) for the students of Stds 7 & 8. It was a program to nurture the young minds and gear them with 21st century skills needed to succeed in school, career and beyond. Destination Imagination (DI) was founded in 1999 and is a non-profit organization that has a strength of 38,000 volunteers throughout 30 countries. The participating teams were engaged in project-based challenges based on STEM/STEAM concepts in a hands-on environment that are designed to build confidence and develop extraordinary creativity, critical thinking, communication, and teamwork skills. The India Finale was hosted at SJBHS and had several schools participate from all over India. The winning teams qualified to participate in the world-wide finale which was to be conducted in US. Unfortunately, owing to the current pandemic situation worldwide, this fell through. Our prayers are always with those who are suffering in these difficult times. Many thanks to our teachers who have kept the lamp burning to serve their purpose and to all our parents for volunteering both time and effort through the year.

TEACHERS' DAY CELEBRATIONS BIG HEARTS

It takes a big heart to help shape little minds. A Josephite teacher is one who not only teaches in class but is a friend, philosopher and guide to the students. Since 1962, Dr. Sarvepalli Radhakrishnan's birthday has been celebrated in India as 'Teachers' Day' on 5th September every year. At SJBHS, the celebrations this year began with a special assembly with supplications for the good health of the staff as well as prayers thanking God for the gift of teachers.

Our Principal, Fr. Sunil Fernandes stressed on the ancient concept of the 'Guru' and said that today, a teacher's job goes way beyond teaching. At SJBHS, they keep a watchful eye and a healing touch and act as glue to hold every aspect of student life together. Fr. Principal cautioned the students that they have four debts to repay through their life time - the debt to their Mother, the debt to their father, the debt to their teachers and their debt to nature - these debts cannot be repaid in one lifetime!

The students took over the entertainment programme and through song and dance, skits and speeches, thrilled their teachers and made the day enjoyable, stress-free and memorable.

The second half of the day called for the festivities organized by the PTA of the school at the KSCA Club. After saluting the teachers for taking up the noble profession of teaching, the PTA felicitated the present/retired staff and serenaded them with heart touching songs. Fr. Principal thanked the teachers for upholding the concept of Cura Personalis or the moulding of the individual in his entirety.

A special felicitation was included in the schedule due to its importance. Mr. George Ollapally, President Emeritus and Mr. Brian D' Lima, Secretary Emeritus of the OBA were given a warm farewell as their terms in office had concluded. Mr. Robin Colaco and Mr. Shivaprakash (staff members) had much to say about the duo and sincerely remembered the selfless service of the office bearers.

The Teachers' Day Celebrations ended on a high note with a fellowship meal, plenty of memories and a renewal of the fact that however much artificial intelligence forays into the field of education, it cannot replace the warmth, gentleness and sincerity of a Josephite teacher!

STAFF RETREAT AT MT ST JOSEPH A DAY OF INTROSPECTION

Teachers are facilitators, collaborators and influencers. It is good to be with others but it is important to spend time with oneself - to introspect, review and evaluate our value system, our beliefs and our growth. With this in mind, the management of SJBHS used the 12th of September 2019 as a day for a spiritual detox. The serene environs of Mount St Joseph, the silent zone of the imposing seminary and the pristine natural surroundings instilled a discipline and peace that is non-existent in a city like Bangalore.

The day began with a video presentation on the Mother House of the Karnataka Province of the Jesuits - Mount St Joseph. This was followed by a talk on spiritual conversation and a brief on religion as opposed to spirituality. The resource person was Rev Fr John Pradeep SJ who is an authority on Ignatian spirituality. Interspersed between the tea break and the lunch hour were activities which stressed on team work, selflessness and the ability to handle challenges at the work place.

The 'nature walk' took the staff deep into the Jesuit ethos of concern for the environment. The cattle, the sheep and the pigs lived in harmony with the chickens, the turkeys and the rabbits. The lush fruit trees and the healthy vegetable patches was a lesson in itself towards sustainability and the need for self-reliance.

HINDI DIWAS LANGUAGE CELEBRATIONS

Every year, Hindi Diwas is celebrated across the country on September 14th, to celebrate the popularity of Hindi as an official language of India. We held the celebration on 16th October during a special assembly held in Hindi.

The celebration commemorates the adoption of Hindi in the Devanagari script as one of the two official languages of the Republic of India by Constituent Assembly of India in 1950. Hindi is spoken by 250 million people as the original language and it is the fourth language of the world.

Fr Principal, in his speech, stressed the importance of celebrating Hindi Diwas every year in School. At the end of the programme, prizes were distributed for the various competitions which were held in the School premises. The competitions were as follows: Recitation, Singing, Debate, Creative Writing, and Speech. The winners were given certificates and gift coupons.

FUN DAY POLLUTION

After a refreshing midterm break, it was time for another fun day! The aim of this fun day was to teach our pre-primary school children, the meaning of the term 'pollution' and its effects on our surroundings and all living beings.

During assembly, Josephites from across sections came together to speak on the causes and effects of pollution. The boys spoke on reducing pollution by means of:

- Saying no to plastic
- Growing more trees for fresh air
- Not littering
- Remembering the 3 R's: Reduce, reuse and recycle
- Start carpooling.

The LKG boys added apt one-liners:
'Be a part of the solution, not the pollution.'

'Each one of us can make a difference. Together we make a change.'

'Save the earth, we have nowhere else to go.'
'If you can't clean your surroundings, then don't make it dirty.'

'Let's nurture the nature so that we can have a better future.'

The teachers taught the children the importance of re-use by saying 'No to plastic' and by making paper bags as takeaways.

DENTAL CAMP ALL 32!

A dental camp was held for the students of LKG to Std 4 on dental health and oral hygiene on 14th Sept.

It is never too early to care for one's teeth to foster a healthy and strong dental make-up which in turn adds value to the eating and the general facial expression. Ways to care for one's teeth and more importantly, the correct method of brushing teeth was taught. At the end of the presentation, a quiz was held and prizes were given to the enthusiastic winners.

In conclusion, a reference was made to the healthy dental set of the Nobel prize winner of 2019, Dr George B Goodenough!

PHENOMENON 2019 MAGNIFICENT SHOW

The carnival cum literary and cultural festival of SJBHS was a bee-hive of activity on the 18th and 19th of October 2019. Over 200 schools participated in the 36 event marathon.

Showcasing game stalls of every kind from the test of strength and tenacity to the use of knowledge and mental aptitudes, there was a game for every age group. The very young could enjoy bouncing along in the pirate castle or try their skill at the inflated obstacle ridden carnival treat called 'Wipeout'. Many of the revellers tried staying astride the 'Mechanical Bull' while still others did their best to oust their rivals at 'Laser Tag'. The 28 gaming stalls drew big crowds and the food stalls had delights for the palate from around the world. From street food to popcorn, from pizzas to ice-creams; the choice was indeed phenomenal! the big, wide world.

The evenings of both the days drew the teenagers of Bangalore to SJBHS. The DJ nights called for high profile DJ's Shiva Manvi, Melli, Savio Mullen and Nucleya to entertain the crowds giant stage laser beams and high voltage music.

Phenomenon 2019 was scripted, moderated and executed by the ISC students - just one more training for the future Josephites as they step into the big, wide world.

WORKSHOP ON CYBER SECURITY WAKE-UP TO HACKING!

In the cyber world, students are natives and their parents are the immigrants! Even so, learning about cyber security is critical and so the students of Stds 5 to 10 were put through a workshop on the same by KPMG ethical hacker Soni Mathew and his team, on 22 nd October 2019.

The importance of choosing appropriate and safe user names and passwords were among the foremost lessons. The experts cautioned the students on the hazards of befriending strangers online, accepting reward points for their games and opening e-mails or attachments from unknown people. The session threw light on cyber-bullying and how cyber cells can solve cyber-crimes, if reported.

The students came face to face with the realities of the virtual world where-in no information is secret and no information can be deleted.

GANDHIJI'S SESQUICENTENNIAL BIRTHDAY CELEBRATIONS LIVING THE IDEALS

Ahimsa, Satyagraha, Non-Cooperation, Non-Violence, Quit India, Harmonious Co-existence are terms synonymous with Mohandas Karamchand Gandhi, a figure who continues to instill patriotism and nationalism in Indians even today.

At SJBHS, we celebrated his 150 th birth anniversary on the 23 rd of October 2019, with a prayer song followed by a reading of Rabindranath Tagore's poem, 'Where the mind is without fear', and the reading of 'Beatitudes' from the Holy Bible.

Rev Fr Sunil Fernandes paid a floral tribute to the martyr and in his speech re-iterated the values of truth and non-violence that the great Bapuji stood

for. The cultural programme that followed included skits, songs, speeches, dances and a re-creation of the famous 'Prabhat Pheris' which were the early morning marches by the Indians in defiance of British rule. Not to be left behind were the famous three monkeys of Gandhiji – sending a strong message to the audience to 'see no evil, hear no evil and to speak no evil'.

The highlight of the day , however, was the Khadi 'Charka' emblazoned handkerchief given to each and every Josephite student and staff member as a memento to recall the values of the Mahatma, to preserve his ideology and to cherish Bapuji's priceless contribution in our life.

SJBHS MUN THE POWER IS YOURS

The seventh edition of the SJBHS MUN, with 22 schools participating and 338 delegates in the fray was held on the 24th, 25th and 26th of October, 2019.

The prime objective of this prestigious event has always been to keep abreast with current affairs, debate on solutions to problems of the countries of the world and become global citizens moving towards a sustainable future.

The opening ceremony was inaugurated by Mr. Ariel Seidman, Deputy Consul General of Israel to South India. After prayers and supplications for a fruitful MUN, Rev Fr Sunil Fernandes SJ, Principal of SJBHS, took centre stage to welcome the gathering. The Chief Guest, in his address, cautioned the participants that critical skills and arguments were important but listening to the

opinions of the other party is just as valuable - as every opinion surely has more than one narrative.

The gavel was handed over to Visakh Dutta who was to preside as Secretary General of SJBHS MUN; the executive board was introduced while being given their gavels; and the forum was declared open. The three-day event witnessed unprecedented diplomatic arguments and the depth of research into the problems being debated was an insight into the thought processes of teenagers who were well informed.

The closing ceremony was presided over by Mrs. Sulini Sarugaser Hug, Legal Advisor to the UNHCR and Mr. Sebastien Hug, CEO and Consulate General of Switzerland. The award ceremony was a tribute to the fierce debaters, knowledgeable orators and well-read global citizens in whose hands depended the future of the world!

TEACHERS' OUTREACH PROGRAMME

SEEING WITH NEW EYES

A group of 40 teachers led by Fr. Alwyn D'Souza SJ, Administrator of the Primary School headed to St. Joseph's PU College, Anekal on the 26th of October 2019

Their mission was to interact with the students in the village college but when they entered the premises, their image of a village college was to change forever. With the festival of lights round the corner, the special assembly was based on the joyous celebration. The teachers sang a couple of hymns and presented a speech in English and Kannada to put forth the message that Diwali is the festival of lights not crackers and hence the students should refrain from using fireworks.

The teachers were then allotted different classes to interact with the students - to encourage them to study, tell them the different ways of studying and help them to plan their future. Most of the students were from areas in the vicinity of the college and had quite a few plans for further studies. It was heartening to hear the animated plans of the young citizens of the nation.

The next halt was at the CIRW (Centre for Integral Rural Welfare) Office. Pastoral care, education, social action and formation of the young in 52 villages is part of the work being done by the Jesuit Fathers and Brothers in Anekal. The change was visible with woman empowerment through

tailoring and beautician courses, self-help groups, small-saving groups, children clubs, study centres and mobile health centre programmes. The teachers from SJBHS were, by now, a changed lot - a group in awe of the extent of involvement of the villagers in their own welfare guided by the selfless efforts of the Jesuits.

Halt three was at the Balajyothi Girls' Hostel run by the Sisters. The interaction with the girls was an eye opener. They danced and sang like their counterparts in any big city. Once they had found their comfort zone with the SJBHS staff, they were all out to please. The next stop was one of the villages adopted by the Jnana Jyothi group of Institutions run by the Jesuits. The coordinator of the village group told the teachers about their life, education, resources and future plans.

All in all it was an eye opener and deeply fulfilling trip and we hope to make many more.

FRENCH LIT FEST 2019

Le jour de Bastille

The inaugural edition of the Annual French Lit Fest was held from 16th to 18th October 2019. It attracted students from Stds 4 to 9, with varying levels of skill.

The aim of the fest was to create a learning environment wherein children participate in events

that attract attention and create interest in the language.

Quizzes based on French culture, history and literature were held for Stds 4 and 8. Students of Stds 5 and 7 enthusiastically participated in poetry recitations. A competition in short story telling and creative writing was conducted for Std 9.

64TH KARNATAKA RAJYOTSAVA CELEBRATIONS FOR OUR STATE

It was on the 1st of November 1956 that the land of the Kannadigas was carved out to include all the Kannada language-speaking regions of south India. Today the contribution of Karnataka's poets, artists, writers, scientists and singers in varied languages, dialects, dance and art forms makes one proud to be part of this great land. Our villages boast the finest produce and our towns claim to have the best industries and our cities are globally recognized for information technology.

Celebrating this amalgam of the old and new, the students of SJBHS showcased a spectacular display of the varied folk art and a presentation of the culture and tradition of the State. The red and gold of the Karnataka flag decorated the school campus in a show of pride and respect for the Motherland.

The chief guest for the occasion was Rev Fr. Melvin Lobo SJ, Principal of St. Joseph's PU College and the guest of honour was Ms Renuka, Sub Inspector of Cubbon Park Police Station, Bengaluru.

The magnificent King Krishnadevaraya, the social reformer Basaveshwara, the great Kannada poet Kuttappa, Rayanna - the army commander of Rani Chennamma's forces, Kempegowda - the founder of Bangalore City and the humble Obavva shared the stage as the students re-created the glory and valour of these towering personalities of Karnataka. The programme was an eye opener to the glorious past and the splendid present of the State of Karnataka

INFINITY 2019

ENDLESS POSSIBILITIES IN SCIENCE!

'Science for economy', the intricacies of 'magnetic-levitation' and 'oobleck - solid or liquid substance'! These were just some of the exciting exhibits on display at the middle school Science Exhibition - Infinity. Newton's theories were questioned, Einstein's philosophy probed and all in all science was made a whole lot more interesting for the students of SJBHS!

Held on 8th November, 2019, it showcased the innovative ideas and talents of the students of Stds 5 & 6 in the fields of Science, Math, Computers and Art.

Fr. Sunil Fernandes SJ, Principal, Fr. Alwyn D'Souza SJ Administrator of the Primary Section and guests, Dr Rupa Nair, PhD in Biotechnology specialized in Entomology; Dr Madhavan Varadarajan, Theoretical Physicist; and

Mr Jyotinath Ganguly Director Cappgemini, were impressed by the hard work and dedication of our budding scientists, mathematicians and artists. Renewable and non-renewable sources of energy were highlighted with stress laid on the importance of using alternative sources of energy.

SCIENCE FEST EUCRANIUM 2019

The Science of today is the technology of tomorrow
Edward Teller

Science encompasses every waking moment of the day and governs every sleeping hour. To celebrate creativity and encourage young minds to question, the 2nd edition of Eucranium - the high school science fest was held on the 8th of November, 2019. Over 600 students auditioned for events ranging from quizzing and model making to debating and treasure hunt. Cryptic clues were cracked and tough quiz questions were de-coded. Our Principal, Fr Sunil Fernandes SJ welcomed the gathering and urged the participants to use rational thought processes and logical reasoning generated through science to counteract the ills of irrational bias, regressive thinking and the negative influences of society.

The speakers on the dais were Dr Rupa Nair, PhD in Biotechnology specialized in Entomology; Dr Madhavan Varadarajan, Theoretical Physicist; and Mr Jyotinath Ganguly, Director of Cappgemini. Dr Rupa spoke about the green revolution in agriculture through judicious use of artificial intelligence and information technology. Data Analysis is also a smart way to get solutions to the problems at hand. Dr Madhavan urged the Josephites to always ask questions and deduce the answers honestly. Mr. Ganguly enlightened the students on cyber security and the use and misuse of data. The floor was then thrown open to questions by the eager participants.

CADENCE 2019

THE POWER OF MUSIC

We celebrated our first-ever inter school music festival – Cadence, on Nov 12th & 13th, 2019. Students flocked from across the city to experience and explore music with solo singing, acapella in many languages, and more.

Mr. M.R. Jagadeesh, the current director of The Bangalore School of Music presided over the show as the chief Guest. In his speech, he spoke about how music takes the role of peace keeper in the world. Our Principal, Fr Sunil Fernandes SJ, an avid admirer of music himself, spoke on the character-building aspect of music, and how it resolves differences and fills our heart with renewed hope for tomorrow. Music has all the power to heal the world, he said.

The prizes were awarded by Mr. Manoj Pasangha, who has donated Rs. 20,000 towards the cash prizes in the senior singing category in loving memory of his brother, Suresh Pasangha, a former student of the school. He shared a video presentation of his beloved brother, a musician himself, who met an untimely death at the age of 18.

The overall winner's rolling trophy was awarded to St. Francis Xavier Girls' High School for Girls, Bangalore for their outstanding performance in all the categories. The news of them winning was welcomed by all with a thunderous applause as they were truly magnificent in almost every category they took part.

SPECIAL KANNADA AND HINDI ASSEMBLY

PAYING TRIBUTE

On the 8th of November, the SJBHS Primary School Hindi Unit presented a well-rehearsed and informative assembly on the principles and ideals of Pandit Jawaharlal Nehru with a mellifluous rendition in our national language. The young minds were given an opportunity to share the thoughts and hopes of Pandit Nehru towards the betterment of the future generations of independent India. As a prelude to children's day, the significance of celebrating 14th November and the essence in our lives were beautifully depicted through the special Assembly.

On 22nd of November, the SJBHS Primary School Kannada Unit presented an informative assembly as a tribute to our Motherland, Karnataka.

The programme included information on the demography, language, culture and literature of the State.

CHILGALA 2019 A TIME TO SHINE

'Chilgala' is an amalgam of activities which allows the students from LKG to Std 4 to showcase their talents, understand their likes / dislikes and unwind from the daily routine of the classroom and also get over stage fright

CHILDREN'S DAY A DAY FOR THE YOUNG

The Children's Day programme 2019, was celebrated at St. Joseph's Boys' High School on November 14, 2019 at the school grounds. After the customary prayers, our Principal, Fr. Sunil Fernandes, addressed the students assuring them what a special place they hold in everyone's hearts.

This was followed by the teaching and non teaching staff members' wholehearted attempts to entertain and enthrall the students on their special day. Several dances, songs and poetry recitations kept the students glued to the stage. The vote of thanks was delivered by a representative from ISC.

WASTE SEGREGATION PROGRAMME

PLASTIC *BEKU*

Our school joined hands with big companies to create awareness on waste segregation and plastic in particular.

RJ Rohit, with Kiran and Dheeraj from Big FM visited SJBHS on 19th November 2019 to address the students and kick off the “Plastic Beku” campaign to collect plastic waste from their school campus and homes. The plastic will be used to pave a 50 km road from Kempegowda International Airport.

Through the “Plastic Beku” initiative, 92.7 Big FM partnered with Kempegowda International Airport, and FMCG major ITC’s Foods Division, to work with St Joseph’s Boys’ High School, to sensitize students towards the need for an eco-friendly life while becoming community advocates to help the citizens to segregate waste at initial levels.

JESCOL (JESUIT COLLABORATION)

IGNATIAN VALUES AND MORE

JESCOL (Jesuit Collaboration) level one was organized at St Joseph’s College, Lalbagh Road from 18 to 20 November, 2019 for the staff members of BJES (Bangalore Jesuit Educational Society). Seventy nine participants took active part in the motivational three day session on Jesuit Collaboration.

Fr. Praveen Hrudayaraj SJ started with an ice-breaking session after which Fr. Swebert D’Silva spoke on the purpose of JESCOL focusing on the Jesuit values. The next session was taken over by Fr. Pradeep Sequeira SJ and Fr. Jossie D’ Mello. The former took the participants through Jesuit History, Origin and Growth and the latter focused on Jesuit Legacy: Purpose, Vision and Mission. Day one concluded with a panel discussion during which the panelists- who have been serving Jesuit

Institutions for many years-shared their journey of experiences as collaborators with Jesuits.

On day two, Fr. Swebert D’Silva spoke on Jesuit Education and its characteristics after which Fr. Pradeep Sequeira gave a brief introduction of Spiritual Exercises of St Ignatius Loyola, and familiarized participants with Governance Structures in the Society of Jesus. Fr. Henry Saldanha gave a talk on Examination of Conscience. The participants were greatly inspired by Fr. Praveen’s motivational message at the end of day two. On day three, Fr. Henry Saldanha SJ spoke on the importance of collaboration after which Fr. Francis Guntipally had a conversation with the participants on Contemporary Indian Situation: Need for inter-religious dialogue, peace- initiative.

VICHAR GHOSHTI

Mrs. Aruna B N, our high school Hindi teacher, was among the 150 teachers who were felicitated at ‘Vichar Ghoshti’ organized by Madhuban Publishers in Delhi, on 14 September 2019 to celebrate Hindi Diwas.

SJBHS TWINNING PROGRAMME

Our SJBHS Twinning Programme penned a new chapter with a visit to scientific institutions. On 22 November, around 20 students from Loyola PU College, Manvi-Raichur and 10 students from St Joseph's PU College, Anekal-Bengaluru along with 5 faculty members visited Jawaharlal Nehru Centre for Advanced Scientific Research (JNCASR), a multidisciplinary scientific research institute situated in Jakkur, Bengaluru.

A documentary on Prof. C N R Rao's achievements and research activities was followed by a visit to Prof. C N R Rao's Archives. They also visited various research laboratories and interacted with research scholars. It was an enriching learning experience for the students of Manvi and Anekal.

PERSONALITY DEVELOPMENT/ RETREAT REFORM STARTS AT HOME

The 20th and 21st of November 2019 were days of self-examination, contemplation, introspection and reflection for the young Josephites of Std 5 & 6. For the Catholics, we had Mr. Sanjay Mahajan and his team leading the boys in prayer and worship through motivational videos, rejuvenating talks and exhilarating action songs which resulted in the entire chapel reverberate in resounding glory to God. The topics covered were 'God's Unconditional Love, Loving Your Parents, How to Believe in Oneself and Forgiveness'.

A character enrichment session was conducted by Ms. Odella John for the non-Catholic boys. The theme was, 'Loving Yourself while Respecting Your Parents and Helping Others'.

The boys enjoyed the session thoroughly and lapped up every word with great interest and appreciation. Many of the boys openly and honestly expressed their emotions at the realization of having taken their parents and loved ones for granted. The students felt good about themselves and were convinced that they would go out into the world to create a ripple effect by their positive words and deeds.

OBA INNOVATION LAB 2019-2020

The OBA Innovation Lab 2019- 2020 edition, which is spearheaded by Old Boy, Mr Vijay Nazareth, and coordinated at the school by Ms Reshmi Iyer, saw seven teams of Std. 8 students participate in a unique workshop that had the students research problems prevalent in the society, analyse case studies and design creative solutions that would help delimit the problems.

Once the students were briefed on the key objectives of the Innovation Lab, they were provided with an in-depth overview of the creativity exercise, brainstorming and problem-solving process. The students were given timelines to submit their problem statement, their solution set and the implementation plan for their project over a course of 6 weeks. The range of problem areas focussed on by the students ranged from e-Waste awareness & collection, and traffic congestion & safety to scarcity of fresh water.

The students were mentored by Old Boys - Jonathan Menezes, Girish Satya, Nathan Fernandes, Pradeep Menon, Arfath Pasha, MD Ramaswamy, Sanjay Balan, Stephen George and Ananth Bevanahalli in addition to Mr Senthil Radhakrishnan, Mr Vijay Alphonse and Mr Vijay Nazareth. They were set specific tasks and their progress was monitored to assess them on creativity, problem solving abilities, teamwork & collaboration, time management etc.

The workshop concluded with the final 7 teams presenting their ideas on 24 January 2020. The much-appreciated presentations were adjudged by Mrs Neena Kulkarni, who taught chemistry and biology in SJBHS prior to her retirement, Mr Samir Stewart, Old Boy from the batch of '89, and Mr Vijay Alphonse, Old Boy from batch of '89. The winners under several categories for the innovation lab are listed as follows-

Most Original Idea	Team 7 (winner)	Team Members: Siddharth M Kothari (TL), Divyam Jain, Maan, Lakshith Ostwal
	Team 4 (runner up)	Team Members: Aditya Kethini (TL), Joshua Jinu, Aaron Darrel D'Souza, Ashlin Antony, Noel Joseph Prabhu, Marian Hitesh
Most Creative Project	Team 3 (winner)	Team Members: Samay KS (TL), Shawn Christopher, Allen J Thomas, Roshan
	Team 8 (runner up)	Team Members: Sudeep Xavier (TL), Siddharth Murali, Veer Bhandary, Vivin Jain, Karan Jain
Best Display of Problem Solving & Critical Thinking	Team 9 (winner)	Team Members: Karthik SB (TL), KrishMalani, Mudit Bafna, Tamojit Ghoshal, Aditya M
	Team 7 (runner up)	Team Members: Siddharth M Kothari (TL), Divyam Jain, Maan, Lakshith Ostwal
Best Presentation	Team 8 (winner)	Team Members: Sudeep Xavier (TL), Siddharth Murali, Veer Bhandary, Vivin Jain, Karan Jain
	Team 7 (runner up)	Team Members: Siddharth M Kothari (TL), Divyam Jain, Maan, Lakshith Ostwal
Overall Winner of OBA Innovation Lab 2020 (Highest Score)	Team 3	Team Members: Samay KS (TL), Shawn Christopher, Allen J Thomas, Roshan
Runner up of OBA Innovation Lab 2020 (Second Highest Score)	Team 7	Team Members: Siddharth M Kothari (TL), Divyam Jain, Maan, Lakshith Ostwal

HISTORY CLUB EXHIBITION BANGALORE AND PARTITION

This academic year the History Club of our school decided to work on a project titled 'Bangalore and the Partition'. The exhibition in the Old Refectory of the school. The aim of the project was to track the journey of those refugees who came from Pakistan all the way to Bangalore.

Under the guidance of their teachers, the boys of the Club divided themselves to undertake the various facets of the exhibition viz. research, movie making, interviewing, object collection etc. They visited the Government Archives at Vidhan Soudha and the Ulsoor Gurdwara for information. They interviewed partition survivors who live in Bangalore.

All the information was compiled into a very interesting documentary. Students and teachers who visited the exhibition were excited to walk through the train and a map of India, tracing the journey of the refugees. A video depicting the journey, exhibits related to Sindhi and Punjabi culture and books related to the partition period were also on display.

OUTREACH EMPATHY CAN BE TAUGHT

The students of Stds 5 & 6 were taken to the Association for People with Disabilities (APD) between the 18th and 22nd of November 2019. Part of the group visited the APD school to interact with students who were differently-abled while others went to the Horticulture centre which is maintained and managed by the association. As a good-will gesture many students bought a variety of plants and contributed to the cause of

reaching out to the people with disabilities. The students were given a chance to empathize with the patients by using walking aids such as the wheelchair, artificial limbs etc.

The Josephites came back enriched with the experience while thanking God profusely for the gift of their limbs.

SJBHS TRIATHLON

TEST OF STAMINA AND TALENT

SJBHS Triathlon, a PTA initiative was conducted on 24.11.2019. A total of 105 students from Stds 7 to 12 including girls from ISC, participated in the triathlon. This triathlon comprised swimming (50 m), cycling (2 km) and running (150 m).

The event began at 6 am with Father Sunil Fernandes offering a prayer. PTA Vice President Mr K C Joseph, members of PTA committee and around 30 to 40 volunteers were present for the event. It was encouraging to see students responding and participating in the event.

HARMONY WEEK

THE MANY FACES OF HARMONY

SJBHS celebrates Harmony Week symbolizing the essence of peace, reconciliation, integrity and solidarity. Harmony is the state of being in agreement or concord, the quality of forming a pleasing and consistent whole.

St. Josephs' Boys' High School celebrated the concept of "Harmony with Self" for the first time. On 25th November the whole school, was decorated with posters based on the theme 'Harmony'. The Prayer Meet was inaugurated by our Principal, Fr Sunil Fernandes SJ, Vice Principal Mr. Uday Kumar and Primary School Administrator Fr Alwyn D'Souza SJ.

A video of the Vaishnav monk Gour Gopal Das was shown which was followed by a soothing music rendition which was a blend of 22 dialects of India. The students performed a skit which reiterated the concept of 'harmony with self'. The programme came to an end with a thought provoking speech given by Fr Principal who restated that harmony is multi-dimensional - be it the seven colours of the rainbow or the seven tunes of music.

On the 27th of November, competitions were organized. Stds 5 and 6 participated in a bookmark making competition, Stds 7 and 8 in collage-making and Stds 9 and 11 in a video-making competition.

PRE-PRIMARY SCHOOL ANNUAL DAY BIG MOMENTS; SMALL PEOPLE!

The little Josephites took centre stage at their very own Annual Day held on 7th December, 2019. Parents, grandparents and well-wishers were present in droves to cheer and encourage them.

The UKG and the LKG students had their function in the morning in two sessions, and it was rather difficult to deduce which group was more excited! The audience was mesmerized by the performances and gave full credit to the hard work and dedication of the staff, the perseverance of the little ones and the belief of the management that the programme would be a success.

The Chief Guest for the UKG Annual Day programme was Col. Arvind Varma, Post Master General Bengaluru Region; while the chief guest for the LKG programme was Dr. Charles Lobo, Chief Post Master General Karnataka Circle. They were accompanied by the Principal Fr Sunil Fernandes SJ, Vice Principal Mr. Uday Kumar, OBA President Mr. Ian Lewis, OBA Joint Treasurer Mr. Aditya Kaura, OBA Secretary Mr. Rajeev Shenoy, Vice President of the PTA Mr. K C Joseph, Secretary of the PTA Mrs. Sudeshna Ghosh and the Pre- Primary Coordinator Mrs. Nalini Gupta. The Chief Guests were all praise for the holistic development of the young, as they had seen at SJBHS, and reiterated that despite the ill effects of social media, parents must do their best to keep their children grounded, focused and capable of dealing with successes and failures.

The Annual Report that followed was a testimony to the holistic development of the students at SJBHS. The entertainment and cultural part of the event included skits with a social message; dance performances on myriad themes. The highlight, however, was the much cherished Christmas Musical.

No one could say that the tiny Josephites had not lived up to their promise to deliver the theme – 'Step up for a cause without a pause'. Now we have to wait a whole year for the next Annual Day!

CHRISTMAS PROGRAMME BRING OUT THE CHRISTMAS SPIRIT!

Christmas was celebrated in school, on 19 December this year. Carols by the staff members, Fr Principal's Christmas message, carols in French and a musical drama based on the Bible verse - 'It's not by might nor by power but by my spirit' - put up by the students reigned in the Christmas spirit.

The noon programme for the staff began in the auditorium with a prayer, carol singing and the Principal's message, especially for the staff, on the theme of 'giving, forgiving and thanksgiving'. This was followed by the office staff ringing in the Christmas cheer with a dance performance followed by a pantomime depicting the Christmas story, by the teachers of Stds 1 to 4. An icebreaking session and a three minute

Santa-dressing competition were organized by Pre Primary teachers. Fr. Brian Pereira, Rector, congratulated the teachers for the programmes and wished everyone for the season. The prizes for 'Bake-off' and 'Tree Ornament' making competitions for the staff were given away. Our Vice Principal, Mr. Uday Kumar's birthday was celebrated. Ms. Chinth Shobana, coordinator for the Christmas programmes, 2019, delivered the vote of thanks. After grace, the staff proceeded towards lunch.

The holidays had begun with the spirit of cheer, the joy of sharing and the warm feeling of belonging to the Josephite family!

GRAMEENA UTSAVA A CELEBRATION OF RURAL LIFE IN SJBHS

We inhabit a 'Global Village' which is very different from an actual village, and to bring that home, SJBHS kicked off its first ever 'Grameena Utsava' on 20th December, 2019.

The colourful costumes, the bullocks, the dancers and the aroma of sumptuous delicacies pleased the senses while the excited talk of the onlookers, the old world charm of the rural setting and the rhythmic beat of the rustic drums reverberated through the grounds of SJBHS.

The first of its kind - Grameena Utsava - was inaugurated by a distinguished line-up of dignitaries - Rector of Bangalore Jesuit Educational Society, Rev Fr. Brian Pereira SJ; MLA from Shanthinagar Constituency, Mr. Harris and Padmashri Salumarada Thimakka. They were accompanied by the Principal Fr. Sunil Fernandes SJ, Vice Principal Mr. Uday Kumar and members of the PTA of St. Joseph's Boys' High School. The dignitaries were welcomed with a traditional dance performance and felicitated. Our Rector stressed on the importance of culture, tradition and literature of Karnataka as part of the Josephite education in Bangalore. The inaugural ceremony culminated in a bullock ride for the dignitaries. From the invigorating dance of Dollu Kunita to the Hulivesha, from the Yakshagana to Keel Kudre, Kamsale and Veeragas; the Josephites got a glimpse of the varied dance forms and rich heritage of the State.

For the elders, it was a walk down memory lane but for the youngsters the rural games on display were fascinating. Simple, non electronic

rural games - Buguri (top spinning), Goli (marbles), Gilli Danda, Chatara Billu (catapult), Cycle Tyre Racing, Coconut Palm Skating, Pagade, Skipping, Kunte Bille (hip hop), skating on coconut palm, breaking of the mud pot and AneKallu - brought unparalleled joy to city folk.

The hamlet dwellers also brought to the city a plethora of rural craftsmanship. Long forgotten ways of pounding and grinding ragi, churning of butter milk and milking cow were demonstrated. The thatch-roofed stalls housed an array of delicacies ranging from the traditional ragi mudde to the various rice preparations which are native to the villages of Karnataka. The sweet and the savory dishes appeased the palate of even the most fastidious of visitors while the aroma of the gourmet feasts paid homage to the food Gods! 'Grameena Utsava' will remain in the mind's inner eye for the magnificent colours, the spectrum of events, the unrestrained delight of a day off from city life!

ANNUAL DAY BEST FOOT FORWARD

It was with much excitement that the 24th of January dawned – celebrating our Annual Day and the many months of training and hard work. The 'faith and toil' of the management, staff and students was apparent for all to see. The grand stage with its strobe lights, state-of-the-art backdrop and royal blue carpeting drew the crowd of parents, grandparents and well-wishers into a realm of dance, song and drama.

Our chief guest, Mr Vinay Mruthyunjaya (Treasurer and Official Spokesperson, KSCA) and his spouse were ushered in by the guard of honour. Presiding over the function was the Rector of St. Joseph's Institutions, Rev Fr Brian Pereira SJ. The closely associated PTA of the school was represented by Vice President Mr K C Joseph and Secretary Mrs Sudeshna Ghosh; while the OBA was represented by the President Mr Ian Lewis and the Secretary Mr Rajiv Shenoy.

The programme commenced with the Lighting of the Lamp, the Invocation Song and Welcome Address by our Principal, Fr Sunil Fernandes SJ. Rev Fr Alwyn D'Souza SJ, the administrator of the Primary section of SJBHS, introduced the guests and felicitated them. The students of Std IV

danced gracefully to welcome the gathering while the choir sang melodiously.

The Annual Report showcased the talent pool as well as focused on the holistic development of every Josephite. The chief guest, Mr Mruthyunjaya, in his address advised the parents that it was their social and moral responsibility to support their wards as well as the school. Being a parent of two Josephite children, he knew for a fact that SJBHS was into innovation, problem solving and creativity. The students were trained in life skills. The students at the school learn to be confident and their parents should teach humility as the stepping stone to reach greater heights of glory.

The entertainment segment of the Annual Day Programme encompassed a strong message of concern, empathy and caution. The contemporary dance captured the essence of peace and harmony while the musical 'Heal the World' was on the dangers of global warming, pollution and rampant deforestation. The Kannada skit reiterated our faith in the values of courage, patriotism and valour through the story of 'Obavva of Chitradurga'.

VALEDICTORY MOMENTS OF NOSTALGIA

The glorious sunset, the proud parents and grandparents, the solemn silence and the somber music were the atmosphere in which the Valedictory 2020 was held.

The graduating batches of Stds 10 & 12 were led into the SJBHS grounds by the Principal Fr Sunil Fernandes SJ. The students marched for one last time through their school and the Chief Guest Dr. Uday George Zachariah (Old Boy - batch of 1988 and Professor of Hepatology, CMC Vellore) and his mother were escorted to the dignitaries' enclosure along with Fr Melwin Pinto SJ, Superior South Indian Jesuit Juniorate, who was specially invited to preside over the solemn graduation ceremony. They were escorted by the Vice Principal Mr Uday Kumar; Administrator of the Primary School Rev Fr Alwyn D'Souza SJ; the Vice President of the PTA Mr K C Joseph; the Secretary of the PTA Mrs Sudeshna Ghosh; the President of the OBA Mr Ian Lewis and the Secretary of the OBA Mr Rajiv Shenoy.

The prayer service called on the Almighty to shower His immense mercy on the Valedictorians so as to guide their every step and watch over their every decision. The Principal welcomed the gathering and in his speech said that, as Josephites, the students must go into the pluralistic society to be harbingers of peace and

harmony, belonging to one human family, wherein their education is used to spread goodness, hope and unity. The representatives of the graduating batches gave their final message, a throwback on their years at Joseph's. The transition of charge to the students of Stds 9 & 11 was another poignant moment in the farewell and their response to the valedictorians spoke of carrying forth the Josephite legacy.

The Chief Guest spoke of his time at SJBHS. He had nothing but fond memories to share. Dr Uday reiterated what the graduating students already knew - that they were the chosen few! He cautioned them to use their education to move forward and to achieve their dreams with just one mantra in mind. The same mantra followed by thousands gone before the school motto of faith and toil: 'Fide et Labore.'

Fr Melwin, who represented the Rector, wished the graduating students well in all they did. He urged the students to go beyond the call of duty, to contribute to the world and to serve the poorest of the poor. Certificates and mementoes handed over to the outgoing students, the strains of the farewell songs that followed and the myriad of photographs clicked will be the cherished treasures that the students are armed with when they recall their journey through 27, Museum Road!

The special song by the teachers and the traditional candle light procession will echo in the hearts, minds and souls of the graduating students because each of them strongly believe in the adage - "Once a Josephite, always a Josephite!"

"So many of our dreams at first seem impossible, then they seem improbable, and then, when we summon the will they soon become inevitable."

Christopher Reeve

A NATURE WALK TO REMEMBER

30 students from 7th and 8th grade visited Jakkur Lake on 30 Nov 2019. The trip was organised by the school's Go Green committee, in an effort to increase student awareness on sustainable practices and to understand their roles and duties towards the environment.

The lake is managed by a citizen action group called Jal Poshan which has cleaned and maintained the lake since 2014. Ms. Annapurna who leads the group gave the boys a seminar on the work done by the group and explained how cleaning up of a lake starts at home. She explained how plastics have pervaded our homes and taught us simple ways to eliminate its usage.

This was followed by a 3km walk around the lake where students got to witness the various flora and fauna of the place, the sewage treatment plant and storm water inlets. The water is then purified by plants in the wetland area to make up Bangalore's first Integrated Urban Water Management System.

We returned a little wiser, much energized, with a resolve to adopt a more sustainable way of life.

The go green committee will be submitting a proposal to visit lakes as a part of science projects, specifically Jakkur lake, where work is in progress. Students will have the opportunity to apply conceptual knowledge in understanding water chemistry, analysing lake ecosystems and innovating simple solutions using math and physics for cleaning and maintaining lakes.

VIRIDESCENCE

Efforts to inculcate awareness in our students has been an ongoing activity through the year - with the special eco-awareness session for students of Std 4, followed by the 'Plastic beku' campaign in partnership with Big FM held this year. The students of class 7 and 8 also had a field visit to Jakkur Lake to witness the efforts of the NGO "Jal Poshan" in cleaning the lake and creating a clean green community that is zero-waste generating. The efforts were stepped up during the special week dedicated to promoting sustainability with coordinated unit-wise contests. A competition was organised for LKG/UKG students to upcycle materials into pots used to grow plants. A "Wealth from Waste" competition was conducted for students of Std 1 & 2. A slogan writing competition was organised for students of Std 3 & 4 along with a "Save Electricity" campaign.

Students of Std 5 and 6 participated in a "Clean Up Drive" and attended a workshop on making market bags by reusing old t-shirts. Std 7 and 8 students were involved in creating "awareness infographics / posters" by reusing materials for the same.

A special Go-Green assembly was held to sign off the week with the theme of "Being in Balance with Nature" and being conscious of the signs given by Nature when the balance needs to be restored. The second edition of the SJBHS Go Green Fest - Viridescence 2020 - proved that our students really understand the tenets of sustainability and the pressing need to save our environment through conscious and purposeful eco-preserving habits.

OBA INNOVATION LAB 2019-2020

The OBA Innovation Lab 2019- 2020 edition, which is spearheaded by Old Boy, Mr Vijay Nazareth, and coordinated at the school by Ms Reshmi Iyer, saw seven teams of Std. 8 students participate in a unique workshop that had the students research problems prevalent in the society, analyse case studies and design creative solutions that would help delimit the problems.

Once the students were briefed on the key objectives of the Innovation Lab, they were provided with an in-depth overview of the creativity exercise, brainstorming and problem-solving process. The students were given timelines to submit their problem statement, their solution set and the implementation plan for their project over a course of 6 weeks. The problems focussed on by the students ranged from e-Waste awareness & collection, and traffic congestion & safety to scarcity of fresh water.

The students were mentored by Old Boys - Jonathan Menezes, Girish Satya, Nathan Fernandes, Pradeep Menon, Arfath Pasha, MD Ramaswamy, Sanjay Balan, Stephen George and Ananth Bevanahalli in addition to Mr Senthil Radhakrishnan, Mr Vijay Alphonse and Mr Vijay Nazareth. They were set specific tasks and their progress was monitored to assess them on creativity, problem solving abilities, teamwork & collaboration, time management.

The workshop concluded with the final 7 teams presenting their ideas on 24 January 2020. The much-appreciated presentations were adjudged by Mrs Neena Kulkarni, who taught chemistry and biology in SJBHS prior to her retirement, Mr Samir Stewart, Old Boy from the batch of '89, and Mr Vijay Alphonse, Old Boy from batch of '89.

PTA REPORT

The PTA of SJBHS works in close collaboration with the management and teachers in conducting several important events throughout the academic year.

The last Annual General Body Meeting of the PTA was held on Friday, 21 June 2019 at 4:30 pm. The PTA Committee for 2019-2020 had 27 members. Our Principal, Rev Fr Sunil Fernandes, was the President of the PTA during this period. The executive committee comprised 11 staff representatives and 16 parent members. Mr K C Joseph and Mrs Sudeshna Ghosh Sharma donned the responsibility of the Vice President and the Secretary respectively for the academic year of 2019 - 2020.

Following is a brief synopsis of PTA activities conducted during the last academic year:

Thriving with the morals of the institute the PTA team organized 3 Outreach Programmes, 2 of them were for students of Standards 5 to 8 and one exclusively for standard 10. This initiative is not only an out of school activity but a lesson for life to the students who are on the threshold of adulthood but are ignorant in many ways about the realities of life. It was meant to equip them with the most important life skill of social awareness and human excellence. It was a wonderful enlightening experience to be able to share space and spend quality time with the intellectually challenged kids, the middle aged, the old, the sick and the destitute women; rejected by society.

The young Josephites decided to enliven the lives of all these people with their display of song/drama/dance show much to the delight of the inmates. They helped them with their activities of hand work, art work, cleaning, serving food, learning, and their musical practice. The sincere effort of our boys brought smiles to the weary faces, a gleam in the eye and an air of freshness. Our boys also contributed in their own little way by their voluntary purchases of candles and wooden/paper craftpieces and saplings. Overall, it was a lesson in social sensitization and an interaction to cherish for a long time to come.

The PTA organized and hosted the Teachers' Day Celebrations at the KSCA to bring in a fresh air of change for our Teachers who have dedicated themselves to carving and moulding the future of our kids. Fr. Principal was present to grace the occasion and greet the SJBHS family of teachers on their special day. The PTA also felicitated our own old teachers who had served the school for many years and conducted a fun filled musical entertainment and games for all present as part of the program which was for the very first time organized at the Karnataka State Cricket Association. In addition, the teachers were given a token of appreciation from the Teachers' Welfare Fund from the interest earned. The event concluded with a sumptuous buffet lunch.

Children's Day was made special for our kids and snacks were distributed to all.

Standing (L-R): Mr Clifton Pinhero, Mr Ranjith K, Mr George Toms Joy, Ms Madhuri Suraparaju, Ms Sharal Rita Mendonca, Ms Deeksha Peter, Ms Sharvari Nagesh, Dr Andrea Dsouza, Ms Priyadarshini D U, Ms Nivedita Patil, Mr Biju Varghese, Mr Jeganathan Sivapandy, Mr Habib Yousuff, Mr Nagesh M G

Seated (L-R): Ms P Augustina Queen Mary, Ms Asha R, Ms Sudeshna A Ghosh, Fr Alwyn Ronald D'Souza (Primary Administrator), Rev Fr Sunil Cletus Fernandes (Principal), Mr Johnwesley Uday Kumar Abraham (Vice Principal), Mr K C Joseph, Mr Brian Anthony Mckertish, Mr Franklyn Xavier A, Dr Santhosh Adam, Mr Jishnu Vipin

OBA REPORT 2019-2020

The year commenced with the Managing Committee for 2019-20 being elected into office on September 1, 2019. Ian Lewis of the Class of 1990 was elected President, Praveen Rodrigues of the Class of 1985 First Vice President and Rajeev Shenoy of the Class of 1996 the Second Vice President.

At its 101/1 Meeting held on September 13, the Managing Committee appointed Aditya Kaura, an elected Member, as the Joint Treasurer and Rajeev Shenoy, the elected Second Vice President, as the Secretary.

The first event of the year was the SJBHS OBA CONNECT - Coorg 2019, held on October 5 at the Bamboo Club, Pollibetta. A golf tournament was organized over the afternoon, with 7 Old Boys participating. As many as 34 Old Boys, along with their families, attended the evening programme that began with disbursement of a purse of Rs. 1.2 lakhs to 3 families to assist in their rehabilitation, having suffered losses owing to the natural calamity that had struck the region. Fellowship and dance followed, with the event stretching well into the wee hours of the next morning.

From the hills of Coorg, focus shifted to the deserts of the Middle East where the SJBHS OBA CONNECT - Dubai 2019 was held on November 15 at the London Suites Hotel, Al Wasl Sports Club. 45 Old Boys and their families attended the event. The Class of 1994, celebrating their Silver Jubilee of having passed out of SJBHS, hosted their teachers Mrs. Vrinda Parigi and Mrs. Cheryl Robert along with Mr. Francis, non-teaching member of the school's staff.

The General Body, at the 101st Annual General Meeting, had approved of the proposal to hold an

Extraordinary General Meeting (EGM) on December 1, 2019 to consider and discuss the draft Memorandum and Articles of Association that was promulgated. The EGM was accordingly held and the proposal discussed in detail. The revised Memorandum and Articles of Association came into effect from April 1, 2020.

The eagerly awaited SJBHS OBA Inter-Batch Football Tournament 5.0 was held on December 14, 2019 with a total of 32 teams participating. As a go-green initiative, no plastic was used during the tournament. For the first time, the tournament was held in an Inter-House format for the batches that passed out of School earlier than 1990. St. George's House reigned supreme in this category, while the teams representing the batches of 1991, 2007 and 2018 took the honours in their respective inter-batch categories.

In celebration of the Yule season, the OBA Christmas Dinner - 2019 was held on the evening of December 14, in parallel to the floodlit final matches of the football tournament. Over 100 Old Boys and their families participated in the evening that had Santa, carol-singing, a bonfire and also the prize distribution to the winners of the football tournament.

To induct the students passing out of Std 10 & 12 into the OBA, the Welcome to OBA - 2020 was held on January 21. The students were welcomed into the OBA's fold by President Ian Lewis. Sajju Jain, global serial entrepreneur and Old Boy of the Class of 1992, made an instant connect with his fellow Josephites with an inspiring declamation illustrating how 'Faith & Toil' has had a positive impact on his life. The students were handed a scroll of the School Song as a memento.

Sitting (L-R): Rajeev Shenoy (Secretary), Ian Lewis (President), Fr. Sunil Fernandes, SJ (Treasurer & Principal, SJBHS), Praveen Rodrigues (Vice President)

Standing (L-R): George Ollapally (Past President), Charles Raj (Member), Rebecca D'Silva (Member), Sunil Rasquinha (Member), Vinay Jain (Member), Aditya Kaura (Jt. Treasurer)

The Prestige SJBHS OBA Golf Tournament 5.0 was held at the Prestige Golfshire on January 25, 2020. Around 100 Old Boys, from batches ranging from the 1960s to the more recent, attended the event with non-golfing Old Boys participating in the fellowship and lunch that followed the game. Anil Abraham of the Class of 1977 enthralled all with a stand-up comedy act over lunch. The Fr. Hedwig Da Costa Inter-House Golf Tournament Trophy was won by St. George's House, represented by Arjun Malik (1994), Sanal Skaria (1990), Prashant Sakhamuri (1977), Sanjeev Rakhra (1987), Rishi Mehra (1988), Chaitanya Harimohan (1999), Vikram Bihani (1990), Sanjay Mathias (1990), Vikram Sahgal (1981) and Uttam Muthappa (1991). The Fr. Denis Coelho Memorial Inter-Batch Golf Tournament Trophy was won by the Batch of 1984, represented by C. C. Thimaiah and C. S. Madappa.

Two SJBHS OBA CONNECT events were held in the month of February - the SJBHS OBA-CONNECT - New Delhi 2020 on the 8th and 9th and the inaugural SJBHS OBA CONNECT - Chikmagalur-Hassan 2020 on the 15th and 16th. The former was attended by 35 Old Boys and their families. Activities of the first day commenced with a round of golf, followed by lunch at the Hindan Air Force Base. The day concluded with a walking foodie tour around the Nizamuddin Auliya Dargah Complex at Hazrat Nizamuddin. On the second

day, Anuj Dayal, Old Boy of the Class of 1977 and Executive Director of Delhi Metro Rail Corporation, arranged a tour of the Control Room of Delhi Metro.

Over 60 Josephites, with around a dozen from the OBA Bikers' Group riding down from Bangalore, attended the SJBHS OBA CONNECT - Chikmagalur-Hassan 2020. In addition to dinner and fellowship at the Kadur Club, a round of golf at the Chikmagalur Golf Club and a visit to the World of Coffee Experience Café were organized. The event concluded with fellowship and brunch on the second afternoon.

The OBA Innovation Lab, spearheaded by Vijay Nazareth (1978), ran a successful programme for students of Std. 8 of the School. Reports on topics ranging from Illiteracy and Poverty, Awareness and Disposal of e-Waste, Water Scarcity and Conservation to Traffic Management and Safety were presented to students of Stds. 7 & 8 on February 24, 2020. The students were supported by their Class Teachers Mrs. Gowri Mirlay Achanta and Mrs. Reshmi Iyer and the presentations were judged by Mrs. Neena Kulkarni, former Science Teacher at the School, Vijay Alphonse (1990) and Samir Stewart (1989). Certificates and plaques were distributed to the winners on February 25. The Innovation Lab programme has since been institutionalized and is being run by the School, with several Old Boys offering their support as mentors and in other capacities.

In the month of March, with the tentacles of the Covid-19 pandemic engulfing Bangalore, the BJES initiated a drive to support daily-wage earners and migrant workers across the city. The OBA supported the cause by extending an appeal to Old Boys, to which the response was overwhelming.

As a fallout of the pandemic, the remainder of the events that were planned for the year, viz. the Celebration of the Feast of St. Joseph (and the Saleh Ahmed SJBHS OBA Rink Hockey Tournament 4.0), JOSEXCEL - 2020, OBA Buzz - 2020, the Jimmy Anklesaria Inter-Batch Super Sixes Cricket Tournament 3.0, Basketball and Tri-Series Tournaments, Back to School, Blue & White Ball and Old Boys' Day had to be indefinitely postponed and then redlined. Unfortunate as it were, it was inevitable, given the situation that prevailed.

The pandemic-induced lockdown and sombreness notwithstanding, Josephites' innovative spirit came to the fore with an online chess tournament, SJBHS OBA Checkmate 1.0, being conceived and conducted between April 25 and 28, 2020. As many as 42 Old Boys from across the globe, ranging from the batches of 1969 to 2019, contested a total of 32 matches that took place over the four days. Vivek Nambiar of the Class of 1988 (St. George's) emerged victorious, with Sridhar Ramanujam of the Class of 1995

(St. Andrew's) coming in second and Varun Jalan of the Class of 2001 (St. Andrew's) finishing third.

The Chapters at Singapore, Kerala and Goa had laid out plans to host Old Boys at SJBHS OBA CONNECT events in these regions during the months of March, May and August respectively. Regrettably, all of these ended up as casualties of the pandemic. During the month of June, the nominations that came in for the OBA Achievement Awards were examined and Dr. S. Chinny Krishna (1959) and Dr Tacey Viegas (1973) were selected as winners of the OBA Lifetime Achievement Award and Gautam C. Ijoor (1989), Sajju Jain (1992), Sudhir Krishnaswamy (1991) and Vishwas Anand (2004) were selected to be recipients of the OBA Award for Significant Achievement. The awards will be presented to the victors on the forthcoming Old Boys' Day.

On September 6, 2020, the day on which Old Boys' Day was scheduled to be held, the Class of 1995 arranged a special Mass in commemoration of their 25th anniversary of passing out of School. The same was celebrated by Fr. Adrian Mascarenhas (Old Boy of the Class of 1994), Fr. Michael John, SJ (Principal of the School from 1993 to 2006), Fr. Sunil Fernandes, SJ (Principal) and Fr. Joel Fernandes, SJ (Administrator of the Primary Section).

Our Chapters at UK, Australia and North America kept the embers aglow:

The Old Josephites' Association, the reconstituted UK Chapter, arranged 2 get-togethers of Old Boys and Girls, with around 15 attending the initial meet-up held on September 28, 2019 and a similar number attending the Christmas Dinner held on December 7, 2019 at the Masala Zone Bayswater in London.

The Australia Chapter witnessed a revival - on January 26, 2020, Republic Day as well as Australia Day, 24 Old Boys and their families got together in Melbourne for a game of cricket and a barbeque lunch. Titled 'For Buck's Sake' in honour of Old Boy Roland 'Buck' Baker (Class of 1970) who recently expired, the event was attended by Old Boys from across batches - Dan Wallace of the Class of 1951 was the oldest Old Boy present and Roshan Chatterjee of the Class of 2012 was the youngest. The cricket match was played between combined house teams - St. Andrew's and St. David's against St. George's and St. Patrick's, with the former taking the spoils. Encouraged by the success and the 75-strong attendance, it has been planned to conduct the event annually.

The North America Chapter, in its new avatar as JAANA (Joseph's Alumni Association of North America) conducted a number of social and professional networking programmes over the year. The JAANA Speaker Series, a runaway success that featured Rahul Dravid (1989), Dr. Kartik Chandran (1989), Dr. Ragavendra R. Baliga (1975), Dr. Ash Rajan (1976), Sapna Karim, Parthana Ramesh and Sabeer Bhatia (1984) was held on March 21, March 28, May 23, June 6 and June 27, 2020. Other programmes/initiatives that are on the anvil are The JAANA Mentoring Program, The JAANA Entrepreneurship Program, JAANA Connect - JAANA Content/LMS, The JAANA Professional Network, The JAANA Endowment and The JAANA Individual or Group Named Endowments. Each is designed with a specific purpose of assisting recent graduates, entrepreneurs, the School and other Old Boys and Girls in North America.

In perpetuation of the OBA's endeavour in supporting the Staff and Students of the School, several disbursements were made over the year:

- Rs. 16,01,859 towards Academic Scholarships
- Rs. 14,50,000 towards Staff Medical and Personal Accident Insurance
- Rs. 3,19,120 towards Mid-Day Meals
- Rs. 2,37,400 towards Prizes (Academics and OBA Buzz - 2019)
- Rs. 91,100 towards Remedial Classes
- Rs. 26,000 towards Gratuity

On behalf of the Managing Committee (2019-20), I give thanks to the BJES, the Administration and Staff of the School, our well-wishers and to our sui generis Old Boys for their unflinching Faith in our Toil over the year. In these unprecedented times, we keep our hands clasped firmly unto God's.

Fide et Labore,

Rajeev Shenoy
Secretary (2019-20)

CREATIVE WORK

A DAY WELL-SPENT

When I boarded the bus, I knew it was going to be good trip. We were going to APD (Association for people with disability). On reaching, teachers divided us into four groups.

We were taken to the first and fourth standard classrooms to interact with the children. We looked at what they had painted, they were really good. There were many students in the first standard. All of them were either mentally or physically challenged. Some children were sitting in wheel chairs. Looking at them, I felt really sad and prayed for their wellness.

Next, we went to the playground which had special equipment like a walking pole. Children were taught how to walk using it. In a classroom for grade 4, we met a teacher who was teaching Maths. I learnt to clap in sign language. After that we played many games and ate our snacks.

I understood that, "Disability doesn't mean inability". I was inspired by the way those children face challenges in their life. To conclude, "Disability is not an obstacle for success".

AN EYE OPENER

Stevie Wonder the singer, once said, "Just because a man lacks the use of his eyes, doesn't mean he lacks vision." Our recent visit to Association of People with Disabilities was an eye opener for me in more than one way.

As part of an outreach programme, our school took us to APD. We were welcomed by the head of the organization who introduced us to the idea behind this place. We met a whole lot of young individuals who although disabled, were really smart and intelligent.

It was disheartening to see children using crutches and using wheelchairs. We went into their classrooms and saw all their good work on display. That is when we realised that their disability had nothing to do with their creative and artistic side.

We then went to the plant nursery and bought a few plants so we could in our own little way contribute towards this wonderful organisation that helps disabled children become confident and independent adults.

At the end of this tour, we realised that not only must we respect people who are differently abled, but we must also not underestimate their capabilities.

REACHING OUT

"I cannot change the direction of the wind, but I can adjust my sails to always reach my direction."

Jimmy Dean

This is what I felt when I saw the confidence of the children with disabilities in the Association of People with Disability. I was deeply moved by what I saw. The children there were mentally and physically disabled. The teachers who were handling these children too were disabled.

Undoubtedly the APD takes good care of the children by providing the required infrastructure and equipment. Every inch of the centre is disabled friendly. The ground is covered with sand, marbles and grass, to strengthen the legs and stimulate the nerves of children when they walk on three different surfaces. All along the sides of the ground, tall poles are grounded into the floor. These are meant for the blind children to hold for support as they walk along.

The people working with the children were very kind to us. They allowed us to handle the equipment like wheel chair, artificial limbs, and crutches used by the disabled children. We carefully observed how the different equipment work and help the children to be independent.

Later we met the disabled children. They were jubilant to meet us and we were delighted too. Their disability did not deter them from the pleasures of childhood. They seemed cheerful and happy. They also shared their dreams with us. They showed us their art work and I was wonder struck. I felt they should be rightly called 'specially abled' children' instead of disabled children.

One thing I learnt was that being disabled does not stop one from following one's dream.

THE SWEETEST MEMORY OF MY LIFE

If I were to look through the archives, I would find that the sweetest memory of my life would have to be going to Singapore. It is a memory I will cherish forever.

On the night of our departure from India, we were all crowded in our bedroom: my father, my mother, my brother and I. We knew we were about to embark on a wondrous adventure. Five days of pure indulgence in "The Lion city". My brother and I couldn't wait as it was our first time travelling beyond the Indian border. We looked through our passport details to see that everything was in place. We loaded our luggage into the trunk of the car and set off. It was a nerve-racking feeling! We reached the airport eventually. I picked myself up and walked in proudly (still not knowing why I was filled with pride). We boarded the plane and four lifeless, boring hours later, we reached.

We arrived and my uncle and aunt picked us up. I was absolutely astonished! The impeccable sidewalks were drenched in floral beauty! I couldn't contain my joy. Slowly, I gathered myself and looked around. On our first day, we went to Gardens by the Bay. It is a huge glass dome containing stalagmites, millions of flowers and the world's largest man-made waterfall. We looked around and were speechless.

By evening, we had seen it all! I saw the most glorious moments of my life. We tried some amazing food like ramen, lavender-flavoured ice-cream and takoyaki.

All good things must come to an end. Fraught with despair, I walked out. It was an amazing experience. I had never experienced anything like that before and I will always remember it as one of the sweetest moments of my life!

PERSPECTIVE

A poignant word that must be adopted in all of our lives. The way we look at things plays a monumental role in our lives. It shapes the people we become. Certain situations can help one grow as a person but those same situations and experiences when viewed from another perspective can destroy one. Some people live their whole lives with a pessimistic bent of mind believing that they are destined for misfortune. However, if they only changed their perspective of things, they could use those experiences which weighed them down to grow. To learn from their mishaps, however major or minor they may seem to be.

A friend of mine wanted to be a doctor all her life. As she reached high school, she realized that science was hard, but nevertheless she kept at it, determined to achieve her goal. She passed her school exams with flying colours, emerging victorious at the top of her class. Her medical entrance exam was still a month away. Content with herself and now growing overconfident, she became lax and did not put in the effort needed to crack the exam. As a result of her laid back attitude, she did not get a seat in a good college of her choice. She was distraught. She refused to eat for days on end, distanced herself from all her friends and people who cared about her. She felt like her whole world was falling into shambles around her and all she could do was hide hoping she could escape reality.

She woke up one morning, a couple of months later with a new positive energy surrounding her like a blanket. She decided to change her perspective of things. So, what if she could not become a doctor anymore? Did that one turn of events mean that she was incapable of excelling in any other field or career? With grades like hers, almost any college would accept her if she applied. After a week of listening to her heart and finding herself. She decided to take up a course in culinary arts. She had been so focused on studying and becoming a doctor that she had neglected one of her other many talents- her creative sense. This change in perspective made her a happier person. She went on to do something she loved, something which gave her a sense of satisfaction every single day. In retrospect, making this decision truly changed her life for the better.

In addition to career paths, perspective opens up a number of other avenues as well. It brings about empathy towards others, understanding, awareness, sensitivity and even tolerance, all of

which is the need of the hour and extremely vital in the world we live in today. We have all grown up with our parents telling us to 'put yourself in another person's shoes'. This boils down to looking at things from another perspective. Perhaps it is time we pay heed to these wise words so that we can make the world a more harmonious and egalitarian place to live in.

A change in perspective will also make for religious tolerance which is sadly lacking in our world today. With each community preaching about their religion being the most superior, people are losing their sense of brotherhood and are resorting to violence and even terrorism which goes against the basic doctrines every religion preaches- peace and non-violence. A small change in perspective will make people realize that we all come from the same maker, a common place. We are all equal and only if we support one another will we be able to progress and achieve great things together. The day we change our perspective will be the beginning of a new age where we will accomplish what our ancestors only dreamed of- We will bridge the divides in our society and become united as one. It is truly said that 'United we stand, divided we fall.'

DIFFERENT VIEWS

In a Cultural Arts University in Sri Lanka, stood a group of Fine Art students awaiting their next still-life conquest. Lying in front of the eager students was a piece by the famous Machiavelli. It was a statue of a young woman, kneeling down in front of an older woman. The task given by the teacher was to capture, at different angles, the emotion of the sculpture. Among the students was a bright and eager red-head, Robin, excited to start using her charcoal pencils to sketch the wonderful work of art portraying a lady and her handmaiden, possibly discussing the lady's next gown for the County Ball. She picked a spot beside a lowly bench, under the shade of a lovely Mangrove tree to start working on her new masterpiece.

Amanda, also one of the students, picked a spot right next to the sculpture. As she took out her sketching paraphernalia, she noticed the wrinkles on the young woman's face. "Quite unorthodox," she thought. She immediately began sketching a sculpture of a hard-working woman, upset with her hard-task-master, possibly her mother-in-law.

Being ordered around to fulfil her house-wifely duties and tormented by her ungrateful mother-in-law, she had grown weary and wrinkled, with years of ceaseless work pulling her down and ultimately leading her to play the role of a maiden waiting with dissatisfaction, at the beck and call of her ruthless dictator.

Robin, half-finished with her sketch, looked at the happy couple with pride. Her work had keenly portrayed the wrinkles of satisfaction on the handmaiden's face that had come about from smiling at the Lady's possible hushed commentaries of the varied suitors asking for her hand in marriage. Swift strokes indicated her joyful disposition, and eager brows completed the look of subtle astonishment on the handmaiden's face as the Lady, with no sense of fashion had paired yellow and green together.

Meanwhile, Amanda's disheartening portrayal of a tortured daughter-in-law shook her. "How could anyone be so cruel?", she wondered. Flabbergasted at the coldness of the mother-in-law in her depiction of the piece, she almost had tears in her eyes as she drew a look of complete disinterest with furrowed brows of too much pretention and too less empathy. Nearing the end of her piece, she noticed the detailed look of annoyance and a sense of not being heard or understood, brought out in the slight curve of the daughter-in-law's lip, and the slight scrunched nose, indicating years of wallowing in her own self-pity. The teacher, unable to break through the deep gloom surrounding Amanda, suddenly exclaimed, "Oh dear! Amanda, your work is tragically beautiful, and your portrayal of emotion is utterly skilful and wonderful as you bring out the sadness in the piece." Shocked at this contradictory execution of Machiavelli's piece, Robin walked over to Amanda to see how wrongly she had conceived the scene to be. Taken aback by its beauty, but still firm on her point-of-view, she showed her work to the art teacher.

Equally satisfied with Robin's work, the teacher praised her happy portrayal of a conversation between the two women. On noticing Robin's look of confusion, she explained, "Amanda's art piece showcases melancholy, while Robin's displays a light-hearted visual. This brings out the difference in perspective.

These are two completely contrasting views and both bring out a vast spectrum of emotions that Machiavelli has so beautifully sculpted into one work of art. It is all a matter of perspective!

MEMORIES

The concept of happy memories is foreign to me; cheerful people I just began to see. When people complain about how hot or cold it is, I look at them and wonder what the fuss is about, for I am a soldier. Nay, I was a soldier. My name is not important but for the remainder of the story you may know me as Colonel. I have 2 stars on my old uniform hung up for everyone to see. To everyone else they are just stars but to me they mean much more.

They are memories. The first star says 'Gallantry' on it. It was a cold winter and I had been posted in The Siachen Glacier. My very first posting was the highest battlefield known to man, I was just an officer back then, clad in camouflage, doing a routine petrol with my two other officers. It was the dead of the night we could hear the glaciers cracking the wind whistling when suddenly out of the corner of my eye I saw a man pointing his gun at the officer to my left. He was about to fire when out of instinct I pushed him out of the way catching a bullet in my right thigh. I screamed in pain, firing as I went down; a stray bullet caught him in the head and that was it. My first kill.

The second star gleams but in my eyes, it's stained with blood! The blood of my fellow men. It says 'Survivor'. Around 20 kills after my first. I was now a colonel in charge of a squad of officers. I had 50 men under my command and we were in Kashmir, tensions had been at an all-time high. The sounds of gunfire were as common to us as the sounds of breathing. The men were in high spirits as we had more or less won the last skirmish. Our unit was now feared and called the 'Roaring tigers' a name given because of the way we would scream and fight, always shouting, not allowing the enemy even a moment to of rest. We had set up camp in a makeshift army base around two kilometres from the border. The men were at ease but I could not shake off my uneasy feeling, my instincts were screaming in alarm for no apparent reason, and then I saw him; a man wearing the same uniform as all of us, but not one of us! I screamed pointing at him. My men looked at him noticing his hand was pulling something near his chest, a suicide vest. I saw the wicked gleam in his eyes and the prayer on his lips just as he pulled the trigger, two of the officers closest to me jumped over me to shield me and then a deafening noise, and all I could hear was white noise. My head reeled as I looked up at the dead bodies over me and when I finally mustered the strength to stand up, I saw dead bodies all around me! Men I had laughed, eaten, danced, prayed and fought with, all dead. I could not bear

the pain, the anger rising up in me and I sank down and roared one last time. Thus, when I see the happy people around me completely oblivious and unaware of the sacrifices we made for them, I wonder "Was it worth it?" The walk down memory lane is one I do not wish to take but one I'm forced to take, reliving every moment and being put down by my guilt. Yet I will never let go of my memories for letting go of my memories is tantamount to letting go of my fallen brothers and that I will never do.

Rishab Devaiah

A STROLL DOWN MEMORY LANE

It is just another weekday; my parents leave early for work and I head out to catch the bus. I realize my friends aren't on the bus like usual, but that doesn't bother me because I'm too busy finishing and giving the final touches to my science project. I get off the bus right in front of the school, and to find it empty.

My first thought is that I must not have seen the SMS the school usually sends early in the morning, but the gate is open and while I'm here I might as well try and submit the project. I walk in, but I don't hear the familiar sounds of children playing in the primary school basketball court. It seems so strange that a school built for over three thousand children has only one in it right now.

I pace through the corridors, realizing that I spent a year of my student life in almost all of them. Having spent almost ten years in this school, it seems that I have a recollection of some memory or the other in every part of the school. It only dawns on me now that I will be leaving these halls for good next year, but then I realize that life is all about change and these words have never been truer. It is in this building where many boys and girls have made memories which they will remember for the rest of their lives.

As I climb the stairs, I see people working to keep the school clean, like sweeping and swabbing, and my teachers sitting in the staff rooms correcting papers. I realize that so many things take place behind the scenes to keep the school functioning. Suddenly, I realize I'm imagining all these details as there is no one around me and it looks like I've just wasted my time strolling through these empty hallways. But no, the hallways are not empty because they are filled with the memories both happy and sad of thousands of people who have gone before us and have witnessed many events. This makes me sad because with just a few months of school life remaining, I may never see these things again. I walk out of school realizing what beautiful experiences I am leaving behind. The next day I am back on the bus with my friends, but I do not tell them that I had gone to school the day before lest they laugh at me. But this time at school, when I hear the familiar sounds and see the usual things at school, I feel it in a different light because our juniors are basically my friends and me at a younger age, and I wish to tell them to treasure every moment of school life. Later at lunch time my friends and I play one of our last games of basketball and I score the last

point. Maybe in ten years' time, when I visit school, I will fondly remember this game. You only treasure and value things the most when you are about to lose them.

रेलगाड़ी

आज सब बच्चे खेलेंगे खेल ,
सब मिलकर बनाएँगे रेल ।
सीटी बजाती चलती रेल ,
देखो आगे बढ़ती रेल ।

सब बच्चों को मज़ा आया ,
खूब मस्ती और शोर मचाया ।
गाड़ी तेज़ बढ़ती रही ,
सीटी खूब बजाती रही ।

सब बच्चे अब थक गये ,
घर वापस जाने को तैयार हुए ।
आया स्टेशन रुक गयी रेल,
खत्म हुआ अब अपना खेल ।

एक कहानी हर माँ के नाम

घुटनों से रेंगते - रेंगते ,
कब पैरों पर खड़ा हुआ ।
तेरी ममता की छाँव में ,
जाने कब बड़ा हुआ ।

काला टीका, दूध, मलाई ,
आज भी सब कुछ वैसा है ।
मैं ही मैं हूँ हर जगह ,
प्यार ये तेरा कैसा है ?

सीधा-साधा, भोला-भाला ,
मैं ही सबसे अच्छा हूँ ।
कितना भी हो जाऊँ बड़ा ,
“माँ!” मैं आज भी तेरा बच्चा हूँ ।

मेरी प्यारी बिल्ली

मेरी बिल्ली फ़ीफ़ी,
है एक चुलबुली, नटखट पहेली ।
कूदती, मचलती, सताती इतना,
लेकिन मुझसे प्यार भी करती उतना ।
रात को सोती है मेरे साथ,
दिन में बैठती है मेरे पास ।
इस लॉकडाउन में उसके बिना,
जीवन बनता और भी सूना ।
खूबसूरत सफेद बिल्ली है वो,
मेरी सबसे प्यारी दोस्त है वो ।
कभी-कभी सोचता हूँ कैसे,
एक बिल्ली से प्यार कर सकता हूँ ऐसे ?
प्यारी फ़ीफ़ी भोली फ़ीफ़ी,
तेरे बिना मैं रहूँगा उदास,
इसलिए मेरी प्यारी बिल्ली,
हमेशा रहना मेरे पास ।

" माँ "

ममता भरी छाँव ने कोख से जन्म दी, ये संसार दिखाया ।

रातों भर जग, सुखे बिस्तर सुलाया ।

हर मोड़ पर कच्चे घड़े की तरह

हाथों का सहारा दे मजबूत बनना सिखाया ।

ममता भरी छाँव में, हाथ थामे मेरा, चलना सिखाया

टेढ़े-मेढ़े रास्तों की डगर से बचाकर

जीवन के सफर में आगे बढ़ना सिखाया ।

प्यार कर दुलार कर सच का पाठ पढ़ाया

मुश्किलों से डटकर निडर बनना सिखाया ।

ममता भरी छाँव में, हाथ थामे मेरा, चलना सिखाया ।

उतार सकता नहीं, हे माँ तेरा ये कर्ज़

चाहे क्यों न ले लूँ धरती पर हज़ारों जन्म

ममता भरी छाँव में, हाथ थामे मेरा, चलना सिखाया ।

कोरोना

कोरोना, कोरोना, कोरोना
पूरे विश्व में इसका फैलना
मगर हमें नहीं है डरना
होशियारी से है काम करना ।
घर से बाहर नहीं है निकलना
अगर निकले तो यही है करना
एक दूसरे से दूर-दूर रहना
मुँह पर मास्क हमेशा पहनना ।
घर आते ही हाथ साबुन से धोना
अपना मास्क अपने आप ही पहनना
समय समय पर उसको धोना
घर में साफ सफाई रखना ।
कोरोना से कभी न डरना
सिर्फ समझदारी और होशियारी से रहना ।

वि. साय शशांक

नए दौर का विद्यार्थी जीवन

विद्यार्थी जीवन का दौर है नया ,
अनोखे पल कोरोना ले गया ।
और ले गया खेलकूद का आनंद,
दोस्तों से भी मिलना है बंद ।
गाँव-गाँव में सन्नाटा छा गया ,
जन स्वास्थ्य पर आतंक आ गया ।
ना हम पाठशाला जा सकते,
ना शिक्षा रूबरू पा सकते ।
नए दौर के नए तरीके ,
ऑनलाइन में काम होते सबके ।
चाहे हो शिक्षा प्राप्त करना ,
या योगा और व्यायाम करना ।
पेड़-पौधों से करते बातें ,
पंछी के संग गाना गाते ।
घर के काम में हाथ बटाँते ,
हम बच्चे घर में धूम मचाते ।
खुशियाँ फिर से लौट आएगी ,
मुश्किल घड़ी भी बीत जाएगी ।
कठिन दौर ये गुज़र जाएगा ,
सुंदर समय फिर लौट आएगा ।

शिक्षक

रोज सुबह मिलते हैं इनसे
क्या हमको करना है, ये बतलाते हैं ।
लेकर तस्वीरें इंसानों की ,
सही गलत का भेद यह करवाते हैं ।
कभी डाँट तो कभी प्यार से ,
इतना कुछ हमको, यह समझाते हैं ।
हैं भविष्य देश का जिनसे ,
उन सबका भविष्य, यह बनाते हैं ।
हैं रंग कई इस जीवन में ,
रंगों की दुनिया से पहचान, यह करवाते हैं ।
हार-हार के फिर लड़ना ही जीत है सच्ची ,
ऐसा एहसास, यह करवाते हैं ।
कोशिश करते रहना हर पल ,
जीवन का अर्थ हमें, यह बतलाते हैं ।
देते हैं नेक मंज़िल भी हमें ,
राह भी बेहतर दिखलाते हैं ।
देते हैं ज्ञान जीवन का ,
काम यही है सब इनका , ये कहलाते हैं शिक्षक ।

मोहम्मद खलंदर

6 D

बारिश

बरसते हुए बादल ,
ही अद्भुत सुंदरता की छवि ।
आसमान फैलाए अपना आँचल
और छिप जाता है रवि ।
खिल जाती हैं हर फसल ,
नाच उठते हैं मोर ।
चाहे झोंपड़ी हो या महल ,
बच्चे मचाते हैं शोर ।
दौड़ लगाते सब बारिश में ,
कोई छत ढूँढ़े कोई ढूँढ़े घर ,
दौड़ लगाते सब बारिश में ,
कोई ढूँढ़े मौज-मस्ती का अवसर ।
बहुत सुंदर है बरखा का मौसम ,
इससे है मुझे बहुत लगाव ।
रिमझिम -रिमझिम मौसम बरखा का ,
उसमें दौड़ लगाती नाव कागज़ की ।

ये कैसा कोरोना आया है...

ये कैसा कोरोना आया है?
कितना सब को सताया है,
यह हमको क्या सिखाने आया है?
आखिर ये क्यों आया है?

गर्मी की छुट्टियां लगी है बड़ी लंबी
घर में ही रहना पड़ा था सारा दिन ।
खेल कूद, सिनेमाघर, और दोस्तों से मिलना
मत पूछो कैसे रह पाए इनके बिन ॥

केवल घर में रहने से,
जिंदगी अधूरी लगती है ।
बाहर पलक झपक के देखे तो
सड़कें खाली लगती है ॥

आपको, हमको, और बाकी सब को
यह सत्य मानना पड़ेगा ।
अधूरी जिंदगी की सोच को
कल्पना से हटाना पड़ेगा ॥

मानव ने प्रकृति को
समझा था एक खेल ।
लेकिन इन 4 महीनों में
फिर से जुड़ गया मेल ॥

जीयो और जीने दो
यह तथ्य हमेशा समझना ।
प्रकृति से मिल-जुल कर रहना
है मानव यह बात जरूर स्वीकारना ॥

स्नेहजनों का आना-जाना
अचानक से रुक गया ।
दादा दादी के दुलार से
मैं तो वंचित रह गया ॥

वह विद्यालय जाना बंद होना
वह गुरुजनों से मिलना जुलना बंद होना ।
वह नटखट दोस्तों के संग मस्ती बंद होना
ना जाने यह सब क्यों ले गया कोरोना ?

लेकिन कुछ अच्छा भी हुआ
पापा मम्मी के संग खेलना भी हुआ ।
भाई बहनों के साथ हमने धूम मचाया
खाना बनाने का प्रशिक्षण भी पाया !

भले ही वायरस है बहुत बुरा
परंतु सीखा हमने अच्छा ही है ।
न समझो भविष्य होगा अधूरा,
क्योंकि वह जगाया तो दिल की सच्चाई है ?

एक बात मेरी यह मानना,
यह साल है जरूर सूना ।
परंतु कोरोना से डरोना !
जिंदगी में आगे बढ़ो ना !!

अब और छुट्टी नहीं

परीक्षा समाप्त होने में बस चार दिन बचे थे और मैं अपनी छुट्टी में राजस्थान घूमने जाने के सपने देख रहा था। परीक्षा का अभ्यास बहुत सहजता से चल रहा था और मैं परीक्षा के लिए तैयार था। बस, रात स्कूल से ईमेल आया कि परीक्षा रद्द कर दी गई है और कोरोना के कारण सभी स्कूल बंद कर दिए गए हैं। मेरा दिल बैठ गया और मैं दुखी हो गया। देखते-देखते दिन गुजरते गए और हमें हमारे छुट्टियाँ भी रद्द करनी पड़ी। घर से बाहर निकलना मना था। अपने दोस्तों से मिलना और शाम को पार्क में फुटबॉल खेलना भी बंद हो गया। दिन भर घर में अपने मम्मी और डैडी के साथ समय बिताना ही मेरा रोज का नियम बन गया। धीरे-धीरे इसकी आदत पड़ने लगी और मैं घर में थोड़ी-थोड़ी मदद करने लगा। जैसे अपना कमरा साफ - सुथरा रखना आदि। घर के ड्राइंग टेबल को टेबल टेनिस का टेबल बना दिया। इससे मम्मी थोड़ी परेशान होती, पर फिर वह भी क्या कर सकती थी क्योंकि बाहर निकलना ही मना था। अपने कमरे की खिड़की से जब मैं पक्षियों को आजाद उड़ते देखता तब मुझे अपनी आजादी का महत्व समझ आया। उड़ने की चाह बढ़ती नजर आई परंतु स्कूल खुलने का संदेश न आया। मैं रोज अपनी मम्मी से पूछता और जवाब न मिलने पर दुखी हो जाता। अब मित्रों के साथ खेल तो सकता हूँ पर अपने स्कूल में पढ़ाई के साथ बाकी जो मजे करता था उनकी कमी भी महसूस करता हूँ। अब और आराम नहीं चाहता। देर से उठना, मनमौजी करना नहीं चाहता और ऑनलाइन क्लासेज तो हैं पर अपनी टीचर के आमने-सामने नहीं मिल सकता। मैं स्कूल जाना चाहता हूँ, सब से मिलना चाहता हूँ, स्कूल में फुटबॉल खेलना चाहता हूँ और बहुत पढ़ाई करना चाहता हूँ। दिनभर की भागदौड़ के बाद थक कर रात को सो जाना चाहता हूँ। मम्मी अब और छुट्टी नहीं।

आर्टिफिशियल इंटेलिजेंस

'आर्टिफिशियल इंटेलिजेंस' या कृत्रिम बुद्धिमत्ता, कंप्यूटर, रोबोट या सॉफ्टवेयर बनाने की एक ऐसी प्रक्रिया है जो मनुष्य के दिमाग की तरह सोच और समझ सकता है। इसका अर्थ है बनावटी या कृत्रिम तरीके से विकसित की गई बौद्धिक क्षमता है।

आर्टिफिशियल इंटेलिजेंसकी की शुरुआत 1950 में हुई थी। "आर्टिफिशियल इंटेलिजेंस" का तात्पर्य मशीनों को बुद्धिमान बनाना है। जॉन मेकर्थी को आर्टिफिशियल इंटेलिजेंस का जनक माना जाता है। बिना ड्राइवर की कार, 3D प्रिंटर, इलेक्ट्रिक ड्रोन, रोबोटिक सर्जरी, टिकट वेंडिंग मशीन, सिक्योरिटी गार्ड आदि आर्टिफिशियल इंटेलिजेंस के कुछ उदाहरण हैं। आज की दुनिया में आर्टिफिशियल इंटेलिजेंस में तेजी से प्रगति हो रही है। कंपनियाँ शीघ्र प्रगति करने के लिए टेक्नोलॉजी को विकसित करने का प्रयत्न कर रहे हैं। व्यापार में आर्टिफिशियल इंटेलिजेंस की वजह से मेहनत और समय दोनों का काफी बचत होता है। आर्टिफिशियल इंटेलिजेंस का प्रयोग सेना, कानून, वित्त, मोटर आदि में बहुत उपयोगी साबित है।

विज्ञान के इस शाखा को सोच-समझ कर प्रयोग करना चाहिए। इसपर पूरी तरह निर्भर रहना भी हानिकारक हो सकता है। हमारे लिए आर्टिफिशियल इंटेलिजेंस/कृत्रिम बुद्धिमत्ता का संतुलित रूप से प्रयोग करना उचित होगा।

कोरोना वायरस

कोरोना वायरस (कोविड -19) का संबंध वायरस के ऐसे परिवार से है जिसके संक्रमण से जुकाम खाँसी से लेकर साँस लेने में तकलीफ जैसी समस्या हो जाती है। इस वायरस के संक्रमण की शुरुआत दिसंबर 2019 में चीन के वुहान शहर में हुई थी। इस वायरस को पहले कभी ना देखा गया। कोरोना वायरस के संक्रमण के प्रमुख लक्षणों में गले में दर्द, बुखार, स्वाद का पता ना चलना और सूखी खाँसी है। वायरस का संक्रमण दिन- प्रतिदिन गाँव -शहर, देश-विदेश, में फैलता जा रहा है जिसके कारण कई व्यक्तियों की मृत्यु हो गई। इस वायरस से बचाव के लिए सामाजिक दूरी और मास्क का उपयोग करने के लिए हिदायतें दी जा रही हैं। संक्रमण रोकने के लिए सार्वजनिक स्थानों, विद्यालय, महाविद्यालय और सिनेमाघरों को बंद करवा दिए गए। हाथ को बार-बार धोने और सैनिटाइजर से सैनिटाइज करने के निर्देश दिए जा रहे हैं जिससे कुछ हद तक संक्रमण से बचा जा सके। जिन व्यक्तियों में इस वायरस के लक्षण दिखाई देते हैं उनकी सरकारी तौर पर जाँच की जाती है और उन्हें अलग रखने की व्यवस्था की जाती है। यह बीमारी इस हद तक फैल गई है कि विश्व स्वास्थ्य संगठन ने कोरोना वायरस को महामारी घोषित कर दिया है।

सकारात्मक सोच की शक्ति

सकारात्मक सोच(Positive Thinking) के बिना जीवन अधूरा है। सकारात्मक सोच ही जिंदगी में उम्मीद की किरण लाती है, परंतु अफसोस, आज के दौर में सकारात्मक सोच की कमी ज्यादा है। नकारात्मक सोच (Negative Thinking) ने केवल लोगों के दिल में डर पैदा कर दिया है। यह असफलता का कारण भी है।

'सकारात्मक' का सीधा सा अर्थ होता है कि सही सोचना या अच्छा सोचना, जबकि 'नकारात्मक' सोचने का अर्थ है गलत सोचना, अपने आप को कम समझना। सकारात्मक सोच रखने वाले किसी भी कार्य में आए बाधाओं का डटकर सामना करते हैं। वे मेहनत करने से नहीं डरते।

सकारात्मक और नकारात्मक सोच दो बीज की तरह होते हैं, जो आगे चलकर हमारे दृष्टिकोण एवं व्यवहार रूपी पेड़ का निर्धारण करता है। हमारी सोच एवं विचार ही हमारे आचरण का आधार बनती है। जिस तरह काले रंग का चश्मा पहनने पर सब कुछ काला दिखता है और नीले रंग का चश्मा पहनने पर सब कुछ नीला दिखता है, उसी प्रकार नकारात्मक सोच से हमें चारों ओर निराशा, दुख और असंतोष ही दिखाई देती है। सकारात्मक सोच से हमें आशा, खुशियाँ एवं संतोष दिखाई देती है। यह हम पर निर्भर करता है कि हमें कौन-सी सोच वाला चश्मा अपनाना है। हमारे विचारों पर हमारा स्वयं का नियंत्रण होता है। इसलिए कोई नकारात्मक विचार मन में आए तो उसे उसी वक्त सकारात्मक विचार में बदल देना चाहिए। अपने सकारात्मक संकल्प को याद करके आगे बढ़ेंगे तभी हम सफलता की सीढ़ियाँ चढ़ पाएंगे। इसलिए कहा गया है, मन के हारे हार है, मन के जीते जीत।

जगत में समय बड़ा बलवान

कोरोना, या कोविड-१९ वायरस के कारण सारे विश्व में दहशत का माहौल है। यह संक्रमण, किसी संक्रमित व्यक्ति के स्पर्श या खाँसते-छींकते समय उसकी थूक की छींटों के छिड़काव से फैलता है। यह घातक विषाणु चीन की एक विषाणु प्रयोगशाला के किसी शोधकर्ता द्वारा रिसावित हुआ था। इस जानकारी को चीन ने अन्तर्राष्ट्रीय समुदाय से कई दिनों तक गोपनीय रखा। जब दूसरे देश इस बात से अवगत हुए, तब बहुत विलंब हो चुका था चूंकि यह वायरस लोगों में तीव्रता से फैलने लगा। बहुत जल्द, विश्व स्वास्थ्य संगठन ने इसे एक वैश्विक महामारी घोषित कर दिया।

वायरस के फैलाव को रोकने के लिए, सभी आंतरिक एवं अन्तर्राष्ट्रीय यात्राएँ रद्द कर दी गईं जिसके कारण लोग अपने-अपने स्थानों पर भूगस्त हो गए। घर से बाहर निकलकर अकारण सड़कों पर विचलन करना भी एक दण्डनीय अपराध बन गया।

जिन स्थानीय लोगों के अपने घर थे, वे अपने घरों में सुरक्षित रहकर अपनी जमा पूंजी से अपने परिवार का लालन-पालन करने लगे, जबकि जिनका कोई एक ठिकाना नहीं था वे बेचारे बेघर होकर मात्र दो वक्त की रोटी अर्जित करने के लिए भी जूझते रह गए।

हालांकि कई स्वेच्छा संगठनों और सरकार ने अंतरिम राहत के उपाय निकाले, फिर भी असहाय श्रमिकों को अपने घरों की कमी की अनुभूति हो रही थी। जब इनकी सहनशीलता समाप्त होने लगी, तब कई लोगों ने हर हाल में अपने राज्य वापस लौटने हेतु पलायन करने का कठोर निर्णय लिया। कई लोगों ने अपने प्राण जोखिम में डालकर सीमा पार करके सैकड़ों मील की यात्रा, साइकल चलाकर या पैदल चलकर पूर्ण की।

प्रथम प्रतिबंध के दिन से लेकर आज तक चार माह बीत चुके हैं। कई कंपनियाँ इस वायरस से बचने के लिए अब भी टीके का अनुसंधान कर रही हैं। टीका बाजार में उपलब्ध होने में कदाचित दो माह लग जाएँ विश्व का प्रत्येक नागरिक इस टीके की प्रतीक्षा कर रहा है।

नियति का यह कैसा खेल है जहाँ कोरोना से संक्रमित मृत शरीर को, न कोई छूना चाहता है और न ही उसका अंतिम संस्कार विधि-विधान से होने दे रहा है? यह समय के चक्र की कैसी दुष्कर अवधि है, जब अपने बिछड़ गए हैं और अगले मिलन की घड़ी का कोई पता नहीं? कई ऐसे किस्से पढ़ने और सुनने को मिले हैं जहाँ सरकारी प्रतिबंधों के कारण लोग अपने घर तक पहुँचकर भी घर में प्रवेश नहीं कर पा रहे हैं। दूसरे राज्यों और विदेश से आने वालों को— चाहे अमीर हो या मध्यम वर्गी नागरिक—सरकारी नियमों के तहत अपने आप को संगरोध करने हेतु भारी रकम चुकानी पड़ रही है।

अधिकतम आर्थिक गतिविधियों पर प्रतिबंध लगने के कारण, सभी व्यापार ठप्प हो गए हैं। फलतः बेकारी बढ़ गयी है और आर्थिक विकास पर विराम लग गया है।

यह कैसी विडंबना है जहाँ समाज में घुल-मिलकर रहने वाला मनुष्य वायरस के भय से, आज अकेलेपन की चपेट में आ गया है और अपने ही घर में बंदी बनकर रह गया है। जिसे श्वास लेने तक का अवकाश नहीं था, आज वही, कोरोना से पीड़ित होकर हाँफता हुआ अस्पताल में प्रत्येक श्वास की गिनती कर रहा है। एक दूसरे का आलिंगन कर प्रसन्नता बाँटने वाला मनुष्य, आज किसी भी व्यक्ति के समीप तक नहीं आ रहा।

संक्रमित व्यक्ति, सामाजिक वर्जना का पात्र भी बन गया है। उसे न तो घर में ठिकाना मिल रहा है और न ही किसी स्वच्छ अस्पताल में प्रवेश। आज भी ऐसे मामले सामने आ रहे हैं जहाँ अस्पताल में प्रवेश निश्चित होने पर भी, एम्बुलेंस की प्रतीक्षा करते रोगी के प्राण पखेरु उड़ जा रहे हैं।

समय आज कई सकारात्मक परिवर्तन लाया है। लोगों की चेतना जाग उठी है। प्रतिबंधों के कारण, लगभग एक सौ वर्ष बाद, माँ गंगा का जल शीतल, निर्मल और पीने योग्य हो गया है। प्रदूषण की दरों में भारी गिरावट देखी गई है। भूकंप वैज्ञानिक पृथ्वी के संचालन की ध्वनि को सुन पा रहे हैं। लोगों ने अपनी सुरक्षा के कुछ उपाय भी अपनाएँ हैं जैसे एक-दूसरे से ज़रूरी दूरी बनाए रखना, मुखौटा पहनना, साबुन से हाथ धोना और शरीर की रोग-प्रतिरोधक क्षमता को बढ़ाना। लोग आराम से अपने घरों से ही कार्य करने लगे हैं। बच्चे घर बैठकर पढ़ाई-लिखाई कर पा रहे हैं। पक्षियों का चहचहाना पुनः आरंभ हो गया है। कई लोगों ने समय का सदुपयोग करके अपने कौशल को बढ़ाया है। व्यर्थ खर्चों पर रोक लग गई है। पशुओं में भी वायरस के पाए जाने पर, कई लोगों ने शाकाहारी भोजन को अपनाया है। चीन से तनावपूर्ण संबंधों के कारण, आज सैकड़ों भारतवासियों को माल व अन्य सेवाएँ उपलब्ध नहीं हो रही हैं। समय ने भारत को भी एक बड़ा पाठ सिखाया है-आत्मनिर्भर बनना। केन्द्र सरकार घरेलू विनिर्माण को बढ़ावा दे रही है। हर भारतवासी आज गर्व से बोल रहा है-'वोकल फॉर लोकल'। वास्तव में, समय बड़ा बलवान है। आशा है कि यह काल रात्रि जल्द ही समाप्त होगी और एक नया सूर्योदय हमारे जीवन में पुनः नई उमंगें लाएगा।

-रिषब. आर. असरानी

स्वच्छ भारत अभियान

स्वच्छ भारत अभियान एक राष्ट्रव्यापी सफाई अभियान के रूप में प्रधानमंत्री नरेंद्र मोदी द्वारा शुरू की गई एक स्वच्छता अभियान है। यह एक स्वच्छ भारत की कल्पना की दृष्टि से लागू किया गया है। भारत को एक स्वच्छ देश बनाना महात्मा गाँधी का एक सपना था। महात्मा गाँधी ने अपने वक्त में करोड़ों लोगों को प्रेरित करके स्वच्छ भारत की कोशिश की थी, परंतु लोगों में इसके प्रति कम रुचि होने के कारण असफल रही। कुछ साल बाद इस स्वच्छ भारत अभियान को सफल बनाने के लिए भारत सरकार द्वारा पुनः आरम्भ किया गया, जोकि महात्मा गाँधी के १५० की जयंती तक समाप्त होने का अनुमान है। यह महात्मा गाँधी की १४५ की जयंती पर २ अक्टूबर २०१४ में शुरू किया गया है। यह भारत के सभी नागरिकों के लिए एक बड़ी चुनौती है।

स्वच्छ भारत अभियान हमें अपना स्वास्थ्य का खयाल करना सिखाता है। स्वच्छता सभी लोगों को अनेक तरह की बीमारियों से बचाती है। बहुत सारे पाठशालाओं में बच्चों को स्वच्छता का महत्व के बारे में सिखाया जाता है। यह इसलिए होता है कि वह अनेक तरह के बीमारियों की खतरनाक परिणामों के बारे में जानकारी मिलें। गंदगी के कारण इस दुनिया में अजीब रोग फैल रही है जो इंसान की जान तक ले सकती है। जिन लोगों को यह जानकारी नहीं होती वे स्वच्छता का महत्व नहीं जानते हैं। स्वच्छता हमारे घर से शुरू होती है। जैसे हम अपने घर को हमेशा साफ़ - सुथरा करते हैं वैसे ही हमारे देश को साफ़ करना हम नागरिकों की ज़िम्मेदारी होती है। अच्छे नागरिक होते हुए हमारा यह कर्तव्य होता है कि हम स्वच्छता के बारे में लोगों को जागृत करें।

हमारी सरकार स्वच्छ भारत अभियान को सफल बनाने के लिए कई उपाय निकाल रहे हैं। जैसे, प्लास्टिक का निषेध, अपशिष्ट पृथकीकरण और निपटान, प्रदूषण नियंत्रण, पानी की बचत करना आदि। केवल सरकार का यह प्रयास हमारी पूरी भारत के लिए काफी नहीं होगा बल्कि, सभी नागरिकों का योगदान की भी सख्त ज़रूरत है।

हमारी धरती ने हमें जीवन दिया है और हम यह एहसान कभी नहीं लौटा सकते परंतु हम उसकी रक्षा अवश्य कर सकते हैं। इसलिए हमें एक-दूसरे के साथ अपने हाथ मिलाने चाहिए और एक बेहतर देश, एक बेहतर दुनिया का निर्माण पर अपना ध्यान केंद्रित करना चाहिए।

शुभांग एस वार्धा

मेरे गाँव की सैर

मेरा गाँव मुल्कि है। वह बेंगालुरु से ४०० किलोमीटर की दूरी पर है। वहाँ मेरी नानी माँ रहती हैं। लंबी छुट्टियाँ मनाने, हम वहाँ रहने जाते हैं। हम बेंगालुरु से हासन और सकलेशपुर घाट द्वारा मंगलूरु पहुँचते हैं। मुल्कि वहाँ से ३० किलोमीटर आगे है। सफर के दिन हम ६ बजे रवाना होते हैं। दोपहर २ बजे तक हम मुल्कि पहुँचकर नानी माँ के हाथ का खाना खाते हैं।

मुझे बरसात के मौसम में गाँव जाना पसंद है, क्योंकि सकलेशपुर घाट में बारिश के मौसम में सभी पेड़-पौधे हरे-भरे और बहुत सुंदर दिखते हैं। बारिश की ठंडी हवाओं में फूलों का महकना मन को प्रसन्न कर देता है। रास्ते के समीप छोटे-छोटे नदियाँ बहती हैं और धुँध भी होती है। कॉफ़ी के बगीचों का नज़ारा बहुत सुंदर है। मंगलूरु पहुँचते ही अरब सागर का दृश्य मन को लुभाता है।

जब हमारा गाँव नज़दीक आता है, तो अनाज के खेत नज़र आते हैं। गाँव में मोटर वाहनों का शोर तथा प्रदूषण बहुत कम होता है, जिससे वहाँ की हवा शुद्ध होती है। नानी माँ के घर के बगल में एक छोटा जंगल है, जिसमें मैं अपने माता-पिता और नानी माँ के साथ पैदल घूमने का मज़ा लेता हूँ। यहाँ मोर और अन्य पक्षियों, मांगूस तथा मेंढक पाए जाते हैं। कोयल सवेरे-सवेरे गाना गाती है। नानी माँ मुझे मेरे पसंद के पकवान बनाकर खिलाती हैं। नानी माँ मुझे बहुत प्यार करती हैं, इसलिए गाँव की सैर मुझे बहुत पसंद है।

आदित्य विनए कामत

मेरे सपनों का भारत

भारत हमारा देश है। यह हमारी मातृभूमि है। हमारा फ़र्ज बनता है कि हम इस देश को पूरी दुनिया में श्रेष्ठ बनाए। यहाँ त्रिवेणी संगम जैसी महान नदियाँ बहती हैं, यहाँ इतिहास स्मारकों का खज़ाना है। यह आर्यों का देश है। प्राचीन काल में इसे सोने की चिड़ियाँ कहते थे। मेरे मन में इस देश को बेहतरीन बनाने के लिए कई विचार आते हैं।

पहले मैं इस देश की सोच को बदलना चाहूँगा। हमारे देशवासी विदेशी चीजों में इतने खो गए हैं कि उन्हें हमारे देश का पदार्थ बेकार लगता है। अपने देशवासियों को स्वदेशी वस्तुओं का महत्व समझना चाहिए।

इस देश में शिक्षा की कमी कोने-कोने में है। 50% से ज्यादा लोग अशिक्षित हैं। उनके विकास के लिए सरकार को ज्यादा से ज्यादा प्रयत्न करना चाहिए तथा हर गाँव में स्कूलों का प्रबंध करना चाहिए। देश में सभी को अपनी योग्यता साबित करने का मौका मिलना चाहिए। ग्रामीण लोगों में बहुत प्रतिभा होती है पर उन्हें अपनी प्रतिभा को दुनिया के सामने दिखाने का अवसर नहीं मिलता है। सबको समान रूप में अपनी कला का प्रदर्शन करने का अवसर देना चाहिए। धर्म के आधार पर भेद-भाव नहीं होना चाहिए। सब धर्म एक समान हैं। धर्म के आधार पर आरक्षण (reservation) बंद करना चाहिए।

यह भारत भ्रष्टाचार और बेईमान नेताओं से भरा हुआ है। उन नेताओं को सबक सिखाना चाहिए जो देश के कोने-कोने में भ्रष्टाचार की लहर फैला रहे हैं। उन नेताओं का आदर करना चाहिए जो हमारे देश के उत्थान के लिये अपना खून पसीना बहा रहे हैं। हमें इस देश की उन्नति के लिए प्रयास करना चाहिए जिससे यह देश आगे बढ़ सके।

“ सारे जहाँ से अच्छा हिंदुस्तान हमारा। हम बुलबुले हैं इसकी, यह गुलस्ताँ हमारा ”।

ಕೊರೊನ ಕಲಿಕೆ

ಈ ಸಾಂಕ್ರಾಮಿಕ ರೋಗ ಕೊರೊನದಿಂದ ಸಂಪೂರ್ಣ ಜಗತ್ತೆ ಸ್ಥಬ್ಧವಾಗಿದೆ. ಧಿಡೀರನೆ, ಯಾವುದೋ ಒಂದು ಭಯಾನಕ ಚಿತ್ರದಲ್ಲಿದ್ದೇವೆ ಎಂದು ಅನಿಸುತ್ತಿದೆ. ಈ ಕ್ರೂರಿ ಕೊರೊನ ಸಹಸ್ರಾರು ಜನರನ್ನು ಬಲಿ ತೆಗೆದುಕೊಳ್ಳುತ್ತಿದೆ. ಇದು ನಮ್ಮ ಜೀವನವನ್ನು ತಲೆಕೆಳಗಾಗುವಂತೆ ಮಾಡಿದೆ ಹಾಗೂ ನಮ್ಮನ್ನು ಮನೆಯಲ್ಲಿ ತಿಂಗಳು ಗಟ್ಟಲೆ ಇರುವಂತೆ ಹಾಗೂ ಪ್ರವಾಸಗಳಿಗೆ ಹೋಗಲಾರದಂತೆ ಬಂಧು ಬಳಗದವರನ್ನು ಭೇಟಿ ಮಾಡದಂತೆ ಮಾಡಿದೆ.

ಒಂದು ರೀತಿಯಲ್ಲಿ ನೋಡಿದರೆ ಈ ಪರಿಸ್ಥಿತಿಯು ನಮಗೆ ಈ ಪ್ರಾಪಂಚಿಕ ವಸ್ತುಗಳು ಶಾಶ್ವತವಲ್ಲವೆಂಬ ಮುಖ್ಯವಾದ ಪಾಠವನ್ನು ಕಲಿಸಿದೆ. ಲಾಕ್ ಡೌನ್ ಆರಂಭದಲ್ಲಿ ರಜೆಯೆಂದು ಸಂತೋಷವಾಯಿತು ಲಾಕ್ ಡೌನ್ ವಿಸ್ತರಿಸಿದಾಗ ಶಾಲೆಗೆ ಹೋಗುವ ಬೆಲೆ ಅರಿವಾಯಿತು. ನಮ್ಮ ಶಿಕ್ಷಕರಿಗೆ ಈ ಹೊಸ ಆನ್ಲೈನ್ ಶಿಕ್ಷಣ ಹೊಸದಾಗಿದೆ ಆದರೂ ಅವರು ಅತಿ ಕಾಳಜಿ ವಹಿಸಿ ಪಾಠವನ್ನು ಮಾಡುತ್ತಾರೆ. ಇಂಥ ಪರಿಸ್ಥಿಯಿಂದ ನಾವು ಕಲಿತ ಬಹು ಮುಖ್ಯ ಪಾಠವೆಂದರೆ ಜೀವನದಲ್ಲಿ ಎಂಥಹುದೇ ಪರಿಸ್ಥಿತಿ ಬಂದರೂ ನಾವು ಅದನ್ನು ಧೈರ್ಯದಿಂದ ಎದುರಿಸಬೇಕು, ಹಾಗೂ ಪರಿಸ್ಥಿತಿಗೆ ಅನುಗುಣವಾಗಿ ಬದಲಾಗಬೇಕು.

ಹಣ್ಣು ಮತ್ತು ತರಕಾರಿಯ ಮೌಲ್ಯ ತಿಳಿಯಿತು. ರೈತರ ಮೇಲಿನ ಗೌರವ ಹೆಚ್ಚಾಯಿತು. ಆಹಾರ ವನ್ನು ಅನಗತ್ಯವಾಗಿ ಹಾಳು ಮಾಡಬಾರದೆಂಬ ಪಾಠವನ್ನು ಸಹ ಕಲಿತೆವು. ಹೊರಗಿನ ಆಹಾರ ಸೇವನೆಯಿಂದ ಆರೋಗ್ಯಕ್ಕೆ ಹಾನಿಕರ ಆದುದರಿಂದ ಮನೆಯಲ್ಲೇ ರುಚಿಯಾದ ಹಾಗೂ ಶುಚಿಯಿಂದ ಅಡುಗೆಮಾಡುವುದರಿಂದ ಆರೋಗ್ಯಕ್ಕೆ ಹಿತಕರ ಎಂದು ಅರಿವಾಯಿತು. ನಮ್ಮ ಸುತ್ತ ಮುತ್ತಲಿನ ಸ್ವಚ್ಛತೆಯನ್ನು ಕಾಪಾಡಲು ಕಲಿತೆವು. ಹಾಗೂ ನಾವು ನಮ್ಮ ಸುರಕ್ಷತೆಗೆ ಮಾಸ್ಕ್ ಮತ್ತು ಸ್ಯಾನಿಟೈಸರ್ ಬಳಸಲು ಕಲಿತೆವು.

ನಮ್ಮ ಪೋಷಕರು ನಮ್ಮನ್ನು ಅತಿ ಕಾಳಜಿ ವಹಿಸಿ ನೋಡಿಕೊಳ್ಳುತ್ತಿದ್ದಾರೆ, ಅವರ ಮೇಲಿನ ಗೌರವ ಮತ್ತು ಪ್ರೀತಿ ಹೆಚ್ಚಾಗಿದೆ, ಅವರಿಗೆ ಆದಷ್ಟು ಸಹಾಯ ಮಾಡೋಣ. ಅವರ ಜೊತೆ ಕ್ಯಾರಂ, ಲೂಡೋ, ಚೊಕ್ಕ ಭಾರ ಆಟವನ್ನು ಆಡಿ ಅವರ ಜೊತೆ ಒಳ್ಳೆ ಸಮಯವನ್ನು ಕಳೆಯುವ ಒಳ್ಳೆಯ ಅವಕಾಶ ದೊರೆಯಿತು.

ನಮ್ಮ ಮೇಲೆ ಅವಲಂಬಿಸಿರುವ ಕೆಲಸಗಾರರಿಗೆ ನಾವು ಇಂತಹ ಕಠಿಣ ಸಮಯದಲ್ಲಿ ನಾವು ಸಹಾಯ ಮಾಡಬೇಕು ಏಕೆಂದರೆ ಅವರು ನಮ್ಮ ಜೀವನಕ್ಕೆ ಅಮೂಲ್ಯವಾದ ಕೊಡುಗೆ ನೀಡಿದ್ದಾರೆ. ನಮ್ಮ ವೈದ್ಯರು, ಆರೋಗ್ಯ ಅಧಿಕಾರಿಗಳು ಹಾಗೂ ಪೊಲೀಸರು ಅವರ ಜೀವನವನ್ನು ಪಣಕ್ಕಿಟ್ಟು ಇತರ ಜೀವನವನ್ನು ಉಳಿಸುತ್ತಾರೆ. ಅವರ ಸಲಹೆಯನ್ನು ಅನುಸರಿಸೋಣ ಹಾಗೂ ನಮ್ಮ ವಂದನೆಯನ್ನು ಸಲ್ಲಿಸೋಣ

ನಾವು ಧೃಢ ಹಾಗೂ ಸಕಾರಾತ್ಮಕ ಮನಸ್ಸಿನಿಂದ ಕಷ್ಟ ವನ್ನು ಎದುರಿಸಬೇಕು. ಈ ಪಾಠಗಳು ಹಾಗೂ ಕಲಿಕೆಗಳು ಜೀವನ ಪರಿಯಂಥ ನಮ್ಮಲಿರಬೇಕೆಂಬುವುದು ನನ್ನ ಆಶಯ. ಎಲ್ಲಾ ದುಸ್ವಪ್ನಗಳು ಕೊನೆಗೊಳ್ಳುವಂತೆ ಈ ಕಠಿಣ ಪರಿಸ್ಥಿತಿಯು ಕೊನೆಯಾಗುತ್ತದೆ ಎಂದು ಆಶಿಸುತ್ತೇನೆ.

ಅಭ್ಯುದಯ್ ಕಿರಣ್ ಹಡಾಲ್ , ೭ 'ಬಿ' ತರಗತಿ

ನಮ್ಮ ದೇಶವನ್ನು ಕಾಯುತ್ತಿರುವ ವೀರರು

ಲಾಲ್ ಬಹದ್ದೂರ್ ಶಾಸ್ತ್ರಿಯವರು' ಜೈ ಜವಾನ್ ಜೈ ಕಿಸಾನ್' ಎಂಬ ಘೋಷಣೆಯನ್ನು ನೀಡಿದ್ದರು. ಅನ್ನು ಕೊಡುವ ರೈತ ಹಾಗೂ ದೇಶ ಕಾಯುವ ಯೋಧನಿಗೆ ಜಯವಾಗಲಿ ಎಂದರ್ಥ. ಸೈನಿಕರು ತಮ್ಮ ಜೀವನವನ್ನು ತ್ಯಾಗ ಮಾಡಿಯಾದರೂ ದೇಶವನ್ನು ರಕ್ಷಿಸುತ್ತಾರೆ. ಅವರೇ ನಮ್ಮ ದೇಶದ ನಿಜವಾದ ಆಸ್ತಿ.

ಸೈನಿಕರ ಜೀವನ ಬಹಳ ಕಠಿಣ. ಅವರು ಗಡಿಯನ್ನು ಕಾಪಾಡುವುದರ ಜೊತೆಗೆ ಭಯೋತ್ಪಾದಕ ದಾಳಿ ಅಥವಾ ನೈಸರ್ಗಿಕ ವಿಪತ್ತು ಇತ್ಯಾದಿ ತುರ್ತು ಸಂದರ್ಭದಲ್ಲಿಯೂ ದೇಶ ಸೇವೆಯನ್ನು ಮಾಡುತ್ತಾರೆ. ಅವರು ಚಳಿ, ಗಾಳಿ, ಮಳೆ, ಬಿಸಿಲು ಯಾವುದನ್ನೂ ಲೆಕ್ಕಿಸದೆ ಕರ್ತವ್ಯವನ್ನು ನಿರ್ವಹಿಸುತ್ತಾರೆ. ಕೆಲವೊಮ್ಮೆ ಹೊಟ್ಟೆತುಂಬುವಷ್ಟು ಆಹಾರ ಸಿಗುವುದಿಲ್ಲ. ತಮ್ಮ ಕುಟುಂಬದವರಿಂದ ಬಹಳ ದಿನ ದೂರವಿರುತ್ತಾರೆ. ನಾವು ನೆಮ್ಮದಿ ಹಾಗೂ ಸುರಕ್ಷಿತವಾಗಿ ಬದುಕುವ ಸಲುವಾಗಿ ತಮ್ಮ ಜೀವನವನ್ನೇ ತ್ಯಾಗ ಮಾಡುತ್ತಾರೆ.

ಇತ್ತೀಚಿಗೆ ಭಾರತ ಮತ್ತು ಚೀನಾ ನಡುವೆ ನಡೆದ ಗಡಿ ವಿವಾದದಲ್ಲಿ ನಮ್ಮ ಭಾರತೀಯ ಅನೇಕ ಯೋಧರು ಗಲ್ವನ್ ವ್ಯಾಲಿಯಲ್ಲಿ ಹುತಾತ್ಮರಾದರು. ಅವರೇ ನಿಜವಾದ ವೀರರು.

ನಾನು ದೊಡ್ಡವನಾದ ಮೇಲೆ ವಿಜ್ಞಾನಿಯಾಗಿ ಇನ್ನೂ ಬಲವಾದ ಶಸ್ತ್ರಗಳನ್ನು ಆವಿಷ್ಕರಿಸುವ ಮೂಲಕ ನಮ್ಮ ಭಾರತೀಯ ಸೈನಿಕರನ್ನು ಮತ್ತಷ್ಟು ಬಲಿಷ್ಠರಾಗಿ ಮಾಡಿ ಅವರಿಗೆ ಕೃತಜ್ಞತೆಯನ್ನು ತೋರಿಸಲು ಬಯಸುತ್ತೇನೆ.

ಜೈ ಹಿಂದ್ ! ಜೈ ಭಾರತೀಯ ಸೇನಾ !

ಸಾಯಿ ಈಶಾನ್ ಎ ಎನ್
6 D

ನಗೆ ಹನಿ

1. ಒಂದು ಸಂಜೆ , ಮೂವರು ಮಿತ್ರರು ಕೆಲಸವನ್ನು ಮುಗಿಸಿ ಹಣದೊಂದಿಗೆ ಮನೆಗೆ ಬರುತ್ತಿದ್ದರು.

೧ನೇ ಮಿತ್ರ : ದೇವರು ಇಂದು ನಮಗೆ ತುಂಬಾ ಹಣವನ್ನು ಕರುಣಿಸಿದ್ದಾರೆ. ನಾನು ಕಾಲು ಭಾಗವನ್ನು

ದೇವರಿಗೆ ಕೊಡುತ್ತೇನೆ. ನೀನು ?

೨ನೇ ಮಿತ್ರ : ನಾನು ಅರ್ಧ ಭಾಗವನ್ನು ಕೊಡುತ್ತೇನೆ. ನೀನು ?

೩ನೇ ಮಿತ್ರ : ನಾನು ಹಣದ ಕಿಸೆಯನ್ನು ಮೇಲೆ ಎಸೆಯುತ್ತೇನೆ. ದೇವರು ಬೇಕಿದ್ದಷ್ಟು ತೆಗೆದುಕೊಳ್ಳಲಿ.

ಕೆಳಗೆ ಬಿದ್ದಿದ್ದೆಲ್ಲ ನನ್ನದೆ . ಹೃ ಹೃ ಹೃ!

2. ಒಂದು ದಿನ ರಾಮು ದೇವಸ್ಥಾನದಿಂದ ಹೊರ ಬಂದಾಗ, ಒಬ್ಬ ಭಿಕ್ಷುಕನು “ನೀವು ತುಂಬಾ ಒಳ್ಳೆಯವರು. ಸ್ವಾಮಿ , ನೀವು ನನ್ನನ್ನು ನಿಮ್ಮ ತಮ್ಮನ್ನೆಂದು ಭಾವಿಸುತ್ತೀರ ?”

ರಾಮು : “ ಹೌದು, ಖಂಡಿತ ”.

ಭಿಕ್ಷುಕ : “ ಹಾಗಿದ್ದರೆ ನಿಮ್ಮ ಆಸ್ತಿಯಲ್ಲಿರುವ ನನ್ನ ಪಾಲನ್ನು ನನಗೆ ಕೊಟ್ಟು ಬಿಡಿ.”

ರಾಮು : “ ಖಂಡಿತ ತೆಗೆದುಕೊಳ್ಳಿ - ಒಂದು ರೂಪಾಯಿ . ನನಗೆ ಈ ಜಗತ್ತಿನಲ್ಲಿ ಸಾವಿರಾರು ಸಹೋದರರು ಇದ್ದಾರೆ. ಇದು ನಿನ್ನ ಪಾಲು” .

3. ಒಮ್ಮೆ ಗೋಪಾಲನೆಂಬ ವಿಧೂಷಕನಿಗೆ ತುಂಬಾ ಅನಾರೋಗ್ಯವಾಯಿತು. ಹಾಗಾಗಿ ಗೋಪಾಲನು ದೇವರಲ್ಲಿ ಕೋರಿಕೊಂಡನು - “ ತಾಯಿ , ನನ್ನನ್ನು ಗುಣಪಡಿಸಿದರೆ, ನನ್ನ ಒಂದು ಹಸುವನ್ನು ಮಾರಿ ಅದರ ಹಣವನ್ನು ನಿನಗೆ ಕೊಡುತ್ತೇನೆ.” ಗುಣಮುಖನಾದ ಬಳಿಕ ಗೋಪಾಲನು ತನ್ನ ಹಸುವನ್ನು ಮಾರುಕಟ್ಟೆಗೆ ಕರೆದೊಯ್ದನು. “ ಹಸು - ಒಂದು ರೂಪಾಯಿಗೆ , ಹಸು - ಒಂದು ರೂಪಾಯಿಗೆ” ಎಂದು ಕೂಗಿದನು. ತನಗೆ ಬೇಕೆಂದು ಎಲ್ಲರೂ ಮುನ್ನುಗ್ಗಿದ್ದರು. ಆಗ ಗೋಪಾಲನು “ ಹಸುವಿನ ಜೊತೆ ಈ ನನ್ನ ಬೆಕ್ಕನ್ನು ಖರೀದಿಸಲೇ ಬೇಕು . ಅದರ ಬೆಲೆ ಒಂದು ಸಾವಿರ ರೂಪಾಯಿಗಳು.” ಎಂದನು. ಜನರೆಲ್ಲರೂ ಹತಾಶರಾದರು ಕೊನೆಯಲ್ಲಿ ಒಬ್ಬ ಶ್ರೀಮಂತನು ಹಸು ಮತ್ತು ಬೆಕ್ಕನ್ನು ಕೊಂಡನು. ದೇವರ ಬಳಿ ಗೋಪಾಲನು ಬುದ್ಧಿವಂತಿಕೆಯಿಂದ ಒಂದು ರೂಪಾಯಿಯನ್ನು ಮುಡಿಪಾಗಿಟ್ಟು , “ ದೇವರೆ , ಇದು ನನ್ನ ಕಾಣಿಕೆ “ ಎಂದನು.

- ಸುಮುಖ್ ಸುಬ್ರಮಣ್ಯ

ಲಾಕ್ ಡೌನ್ ಭಾವನೆಗಳು

ನಮ್ಮ ಶಾಲೆ ನಮಗೆ ಇಷ್ಟ

ಮನೆಯಲ್ಲಿ ಸುಮ್ಮನೆ ಕೂರುವುದು ತುಂಬಾ ಕಷ್ಟ.

ಶಾಲೆಯಲ್ಲಿ ಸಿಗುತ್ತೆ ಆಟಪಾಠ

ಆದರೆ ಈ ಕೋವಿಡ್-೧೯ ಸಮಯದಲ್ಲಿ ಶಾಲೆಗೆ ಹೇಳಬೇಕು ಟಾಟಾ .

ನಮ್ಮ ದೇಶ ನಮಗೆ ಕನಕ

ಆದರೆ ಈ ಕೋವಿಡ್ - ೧೯ ಮಾಡಿದೆ ನರಕ

ಅಂದು ಸರ್ಕಾರ ಆನ್ ಲೈನ್ ತರಗತಿಗೆ ಅನುಮತಿ ಕೊಟ್ಟಿತು

ನನ್ನ ಮನಸ್ಸಿಗೆ ತುಂಬಾ ಸಂತೋಷ ಮತ್ತು ಆನಂದವಾಯಿತು.

ಆನ್ ಲೈನ್ ತರಗತಿಯಲ್ಲಿ ಸ್ನೇಹಿತರು ಮಾಡುತ್ತಾರೆ ಸ್ವಲ್ಪ ತುಂಟಾಟ

ಆದರೆ ಶಿಕ್ಷಕರ ಪಾಠ ಕೇಳಲು ಬಹಳ ಸಂತುಷ್ಟ.

- ಬಿ.ಎಸ್.ನಿರ್ಭಯ್ ರಾಜು ಗೌಡ

ಸ್ವಚ್ಛತೆ

ಸ್ವಚ್ಛತೆ ಎಂಬುವುದು ಆರೋಗ್ಯಕರ ಜೀವನ ಮತ್ತು ಗುಣಮಟ್ಟದ ಜೀವನಶೈಲಿಯನ್ನು ಹೊಂದಿರಬೇಕಾದ ಒಳ್ಳೆಯ ಅಭ್ಯಾಸ. ನಾವು ನಮ್ಮ ಸುತ್ತಮುತ್ತಲಿನ ಪರಿಸರವನ್ನು ಸ್ವಚ್ಛವಾಗಿಟ್ಟುಕೊಳ್ಳಬೇಕು. ಸ್ವಚ್ಛತೆ ಇದ್ದರೆ ನಮ್ಮಲ್ಲಿ ರೋಗಗಳು ಹರಡುವುದಿಲ್ಲ. ಸ್ವಚ್ಛತೆ ಹಾಗೂ ಶಿಸ್ತುಬದ್ಧ ಜೀವನ ಕ್ರಮವು ಒಂದು ನಾಗರಿಕತೆಯನ್ನು ಹಳಿಯುವ ಮಾನದಂಡಗಳಲ್ಲೊಂದು. ಆಂಗ್ಲ ಭಾಷೆಯಲ್ಲಿ 'Cleanliness is next to the Godliness' ಎಂಬ ಮಾತಿದೆ. ಅದನ್ನು ಕನ್ನಡದಲ್ಲಿ ' ಸ್ವಚ್ಛವಿರುವ ಪರಿಸರದಲ್ಲಿ ಭಗವಂತನು ನೆಲೆಸಿರುತ್ತಾನೆ' ಎಂದು ಹೇಳಬಹುದು. ನಮ್ಮ ಪೂರ್ವಜರು ಸ್ವಚ್ಛತೆಗೆ ಬಹಳ ಪ್ರಾಮುಖ್ಯತೆಯನ್ನು ಕೊಟ್ಟಿದ್ದರು. ಇದಕ್ಕೆ ನಮ್ಮ ವೇದ- ಪುರಾಣಗಳಲ್ಲಿ, ಇತಿಹಾಸಗಳಲ್ಲಿ ಸಾಕಷ್ಟು ನಿರ್ದೇಶನಗಳು ಸಿಗುತ್ತವೆ.

ನಮ್ಮ ದೇಶದ ಎಲ್ಲಾ ಹಳ್ಳಿ, ನಗರ ಹಾಗೂ ಪಟ್ಟಣಗಳು ಕಸ ಕೊಳಚೆಗಳಿಂದ ಮುಕ್ತವಾಗಿ ಸ್ವಚ್ಛತೆಯಿಂದ ನಳನಳಿಸಬೇಕು. ಪ್ಲಾಸ್ಟಿಕ್ ವಸ್ತುಗಳನ್ನು ಉಪಯೋಗಿಸಬಾರದು ಮನೆಯಲ್ಲಿರುವ ಕಸವನ್ನು ಹಸಿ ಕಸ, ಒಣ ಕಸಗಳಾಗಿ ವಿಂಗಡಿಸಿ ಸ್ವಚ್ಛತಾ ಸಿಬ್ಬಂದಿಗಳಿಗೆ ನೀಡಬೇಕು. ಕಸದಿಂದ ವಿವಿಧ ಉಪಯೋಗ ವಸ್ತುಗಳನ್ನು ತಯಾರಿಸುವ ಕಲೆ ಕಲಿತುಕೊಳ್ಳಬೇಕು ಪ್ರತಿಯೊಬ್ಬ ವ್ಯಕ್ತಿಯು ಚಿಕ್ಕಂದಿನಿಂದಲೂ ಸ್ವಚ್ಛತೆಯ ಪ್ರಜ್ಞೆಯನ್ನು ಬೆಳೆಸಿಕೊಳ್ಳಬೇಕು.

ಗಾಂಧೀಜಿಯವರು ನಮ್ಮ ದೇಶವನ್ನು ಸ್ವಚ್ಛ-ಸುಂದರ ದೇಶವನ್ನಾಗಿ ಮಾಡಬೇಕೆಂಬ ಮಹದಾಸೆಯನ್ನು ಹೊಂದಿದ್ದರು. ಗಾಂಧೀಜಿಯವರ ಈ ಕನಸನ್ನು ನನಸು ಮಾಡುವ ಆಸೆ ಹೊಂದಿರುವ ಪ್ರಧಾನಿಯವರು ಸ್ವಚ್ಛ ಭಾರತ ನಿರ್ಮಾಣ ಮಾಡಲು ಪಣತೊಟ್ಟಿದ್ದಾರೆ. ನಾವೆಲ್ಲರೂ ಪ್ರಧಾನಿಯವರ ಸ್ವಚ್ಛ ಭಾರತ ಅಭಿಯಾನಕ್ಕೆ ಜೊತೆಯಾಗಿ ಕೂಡಿ ನಿಷ್ಠೆಯಿಂದ ಪಾಲುಗೊಳ್ಳಬೇಕು. ಸ್ವಚ್ಛತಾ ಕಾರ್ಯವು ಸರ್ಕಾರದ ಯೋಜನೆ ಅಥವಾ ಕೇವಲ ಕಸಗುಡಿಸುವ ಅಥವಾ ಸ್ವಚ್ಛತಾ ಕಾರ್ಯಕ್ರಮ ಯೋಜಿಸಲ್ಪಟ್ಟ ಕೆಲಸಗಾರರ ಕಾರ್ಯವಲ್ಲ. ಅದು ನಮ್ಮ-ನಿಮ್ಮೆಲ್ಲರ ಹೊಣೆಗಾರಿಕೆ. ನಮ್ಮ ನಮ್ಮ ದೇಹಗಳನ್ನು, ಧರಿಸುವ ಬಟ್ಟೆಗಳನ್ನು, ಮನೆಯನ್ನು, ಕೆಲಸ ಮಾಡುವ ಕಚೇರಿ/ ಸ್ಥಳಗಳನ್ನು, ಪರಿಸರವನ್ನು ಸದಾ ಶುಚಿಯಾಗಿಟ್ಟುಕೊಳ್ಳುವುದು ನಮ್ಮ ಆದ್ಯ ಕರ್ತವ್ಯ. ನಾವೆಲ್ಲರೂ ನಮ್ಮ ನಮ್ಮ ಪರಿಸರವನ್ನು ಶುದ್ಧವಾಗಿಟ್ಟುಕೊಂಡರೆ, ಇಡೀ ದೇಶವು ತಾನಾಗಿಯೇ ಸ್ವಚ್ಛವಾಗುತ್ತದೆ. ಈ ಮೂಲಕ, ನಾವು ಮಲೇರಿಯಾ, ಡೆಂಗಿ, ಕಾಲರಾ ಮುಂತಾದ ಸಾಂಕ್ರಾಮಿಕ ರೋಗಗಳನ್ನು ಬರದಂತೆ ತಡೆಗಟ್ಟಬಹುದು. ತನ್ಮೂಲಕ ನಾವು ಆರೋಗ್ಯವಂತ ಸಮಾಜವನ್ನು ಕಟ್ಟುವಲ್ಲಿ ಕೈಜೋಡಿಸಬಹುದು.

ಬನ್ನಿ, ನಾವೆಲ್ಲರೂ ಒಟ್ಟಾಗಿ 'ಸ್ವಚ್ಛ ಭಾರತ'ದ ನಿರ್ಮಾಣಕ್ಕೆ ಕೈ ಜೋಡಿಸೋಣ.

NOTRE FINALE ANNÉE EN QUARANTAINE

Je me souviens des jours,
Quand nous dormions comme des ours,
Notre temps ensemble me manque,
Quand nous avons tant d'acrobates,
Je n'aurais jamais pu savoir,
Qu'il serait si difficile de le récupérer,
L'année dernière est partie,
Mais cette année corona a volé,
Je suis maintenant assis chez moi,
Pour Corona je vais faire ma prière,
Je vois rarement les visages de mes amis,
Je les oublie comme si j'étais amnésique,
Je sais enfin ce que signifie l'école,
C'était très volontaire,
Je déteste le cours en ligne,
Parce qu'il n'a pas de valeur,
Maintenant je suis gonflé,
Car je n'avais nulle part où aller.

UN HOMMAGE AUX MÉDECINS

Cette année, le monde a connu les pires moments en affrontant la pandémie de COVID-19. Le monde a vu des gens souffrir avec le virus mortel du COVID-19 qui a marché au-delà des frontières, irrésistiblement.

Dans cette période de douleur et d'anxiété, les prières du peuple ont été exaucées par Dieu à travers les médecins et les infirmières du monde entier. Les médecins et les infirmières du monde ont risqué leur vie en tant que guerriers de première ligne servant à sauver ces patients qui sont touchés par le virus.

Ces guerriers courageux endurent de telles douleurs, jour et nuit pour servir l'humanité. À titre de reconnaissance à leur compassion de sauver l'humanité, nous saluons et rendons hommage à tous les médecins du monde entier qui combattent la pandémie.

LES AVANTAGES ET LES INCONVÉNIENTS DE COURS EN LIGNE.

L'épidémie de coronavirus est devenue une pandémie. Il infecte de plus en plus de personnes chaque jour. Pour cette raison, nous devons suivre le cours en ligne.

Il y a plusieurs avantages de cette pratique : l'éducation est apportée à nos maisons simples et efficacement. Ça donne beaucoup de temps libre car la durée de ce cours est courte, en conséquence il permet de s'enregistrer aux autres cours.

Il existe les inconvénients aussi : il manque à créer une bonne relation entre le professeur et les élèves. Il est aussi très difficile de compléter le programme parce que les cours en ligne sont très courts par rapport aux cours réguliers. En résultat de passer trop de temps devant les gadgets comme un ordinateur, un portable etc , on peut endommager les yeux et le cerveau.

Pourtant, il est très important de rester en sécurité pendant cette pandémie. Nous ne pouvons pas laisser le coronavirus gagner. Restez à la maison, restez en sécurité et étudiez bien !

LA GRANDE TRANSFORMATION

En décembre 2019 un nouveau virus appelé coronavirus est originaire de la ville de Wuhan en Chine. Après quelques mois le virus s'est propagé le monde entier. Pour contrôler la propagation du virus, le gouvernement a imposé le confinement dans de nombreuses régions du monde par conséquent, la pollution a réduit.

A cause de ce virus, de nombreux événements sportifs et culturels avaient été annulés par conséquent on a commencé le télétravail et tant de personnes ont perdu leur emploi. Porter des masques et transporter des désinfectants tandis que en sortant est la nouvelle norme pour les gens.

De nombreux animaux retournent dans leurs habitats naturels qui étaient autrefois revendiqués par les humains. Le virus était le moyen de protection de mère nature.

LE COURS EN LIGNE

Pendant ce temps difficile, il faut prendre mesures désespérées à assurer que l'éducation des étudiants ne s'arrête pas. Donc, le cours en ligne est introduit. Mais, le cours en ligne, contribue-t-il à l'éducation des étudiants ou contre ?

Le cours en ligne a quelques avantages : les étudiants n'ont pas besoin de se déplacer inutilement, on peut éviter la circulation, la pollution. Aussi, ils n'ont pas à transporter beaucoup de livres à l'école etc.

En revanche, il y a les inconvénients aussi : c'est difficile à attirer l'attention des étudiants. A cause de la pire connectivité, les professeurs perdent leur fluidité d'enseignement et les étudiants manquent de parties importantes.

Le cours en ligne, est-il un remplacement pour de la classe virtuelle ? Certainement pas, mais à ce moment-là, il n'y a de choix, c'est un bon alternatif.

LA PETITE CRÉATURE

J'ai lu dans un livre de scientifique des pandémies comme la peste, la grippe et le choléra qui ont frappé la population humaine.

Cette petite créature nous interdit d'aller à l'école, au bureau, aux centres commerciaux, le théâtre et l'église. Enfermé à l'intérieur et peur de sortir.

Le commerce et l'économie se sont effondrés. Voyage interdit et frontières fermées. Silence partout mais maintenant je peux entendre les oiseaux chanter et voir un ciel clair, le mode de vie a changé, les études en ligne, les achats en ligne, les divertissements en ligne, etc. Je me demande à quel point cette petite créature est forte !

N'abandonnez pas l'espoir. Nous avons surmonté les pandémies et les guerres mondiales dans le passé. En restant hygiénique, en mangeant des aliments sains et en maintenant la distance sociale, on peut chasser ce petit démon qui s'appelle <Corona>.

COMMENT JE PASSE MA DERNIÈRE ANNÉE D'ÉCOLE ?

Nous sommes tous touchés par la pandémie virale, mais pour nous qui étudions en classe 10, c'est encore plus épuisant. Nous devons nous asseoir devant nos ordinateurs portables pendant au moins 7 heures. C'est notre dernière année à l'école et j'ai hâte de participer à tant d'activités mais malheureusement toutes nos activités ont été ruinées. J'attendais vraiment avec impatience ma dernière année à représenter notre école pour le tournoi de hockey, mais je ne pense pas que cela se produira bientôt. Ce qui me dérange, c'est que je ne peux même pas voir mes amis et jouer avec eux. L'expérience scolaire n'a rien à voir avec la classe en ligne. Tout ce qu'on peut faire maintenant, c'est prier pour que tout redevienne normal.

L'AMITIÉ

Il y a toujours un moment dans la vie où nous nous sentons rejetés, abandonnés ou également confrontés à l'isolement. À ce stade, il n'y a rien de plus satisfaisant que de partager vos difficultés avec un ami. L'amitié elle-même n'est pas un nom mais aussi une endurance, c'est un lien entre les personnes que nous aimons, un lien qui ne peut jamais être rompu. La véritable amitié est ce qui nous donne une raison de rester forts dans la vie. Nous n'avons peut-être pas de famille, mais nous aurons toujours des amitiés. En période de difficulté, les amis te soutiennent, en période d'ignorance, ils ne te rejettent pas. Dans notre vie, nous rencontrons beaucoup de gens, avec certains nous devenons amis et oublions avec le temps, mais comme il y avait peu d'amitié entre nous, nous pouvons perdre le contact avec eux mais ne jamais perdre leur mémoire. D'autres que nous rencontrons, nous partageons notre amour, notre affection et notre grand lien. Avoir une véritable amitié vous permet non seulement de vous sentir mieux, mais contribue également à maintenir le bonheur. En bref, l'amitié peut être définie comme le lien entre quelqu'un sur qui nous pouvons compter le plus.

“Parfois, vous ne saurez jamais la valeur de quelqu'un jusqu'à ce qu'il devienne un souvenir”

LA TECHNOLOGIE

La technologie est l'étude des outils et des techniques. Le terme désigne tout ce qui peut être dit à différentes périodes historiques sur l'état de l'art en termes d'outils et de Savoir-faire. Il comprend l'art, l'artisanat, les métiers, les sciences appliquées et les connaissances.

Bien que la technologie soit très utile, elle présente de nombreux inconvénients :

Le Réchauffement Climatique : L'industrialisation résultant de nouvelles technologies libère de nombreux gaz nocifs qui érodent la couche d'ozone. Cela a provoqué un changement des conditions météorologiques et une augmentation du nombre de maladies du mors.

La Pollution : Des technologies telles que l'invention de véhicules, la climatisation et d'autres gadgets avancés ont entraîné une pollution de l'air. L'avancement des choses qui nécessitent des combustibles fossiles réduit la quantité que nous avons et libère du dioxyde de carbone dans l'air s'il est brûlé.

La Perturbation de l'écologie : le défrichage des terres où les animaux vivaient pour construire des usines et permettre à la pollution de contaminer les chaînes alimentaires peuvent grandement affecter les cycles naturels de l'environnement.

Nous devons améliorer la technologie avec sagesse et nous assurer que le moins de dégâts possible atteignent la terre.
